Further, Prof. Kori requested to clarify that the regulations is applicable to which batch onwards. Principal clarified that it is applicable for 2020-21 batch and he also mentioned that his office communicated that there will be only supplementary exams and no supplementary classes from 2020-21.

Prof. Kori advised any new regulation shall be implemented prospectively and not for retrospective batches. Further, Chair told that the action pertaining to this may

Resolution: The Board advised that the policy framed should be sustainable and it should be applicable to one full batch. The board recorded that this matter should be communicated to the students. The Board in principle approved and suggested to place the agenda in ACM, if needed, calls for a special meeting of Academic Council and decision shall be placed in the BoM communicated.

be taken at the earliest in a special ACM if needed and to formalize the regulation.

2. **Agenda 10.03 (8.07) – starting BE Degree part time programmes (evening programme) :** The chairman asked that the board had decided to close the BE part time programmes and asked the status of the same for which the members told that the part time programmes (evening programmes) are closed and approval is obtained from AICTE.

Resolution: The Board noted the information and approved

3. **Agenda 10.13 – Academic Audit Report:** Since the Chairman received the report on spot, he suggested that particular agenda will be discussed in agenda No. 13.08.

Resolution: The Board told that the report will be deliberated during that agenda

4. **Agenda 10.17 – adjustment of extra credits earned:** Chairman sought the status of this agenda for which Principal presented that there are 139 students from the entire departments who earned extra credits. Further, he explained the guidelines followed by VTU and also on the AICTE norms.

Principal requested to pass an executive order from the University to adjust the credits. Chairman advised the University to prepare the policy and has to be brought to the notice of AC, BoM and BoG.

The Chairman advised to present with all supporting documents and should be placed in the next BoM meeting.

Resolution: The Board advised to submit the data with all supporting documents and the request can be submitted with a policy and may seek the approval of BoM.

5. **Agenda 10.18 – Curriculum initiated towards Society Driven Education and Innovation** : Chairman told that the University should not focus only on Society Driven Education, but also to work on mapping the academic, research and other activities with the Millennium Development Goals of UNESCO and said in future, University is expected to design and deliver the curriculum of higher education in order to achieve the Sustainable Development Goals (SDGs) of UNESCO in a faster phase. He also suggested how to strengthen the research on clean energy, clean water and environmental sustainability. He said such efforts on the review of academic curriculum and research project designs etc., will help in recognition and ranking of an institution.

Resolution: The Board recommended to consider pursuing various activities aligning with Millennium Development Goals including curriculum design and research projects

6. **Agenda 11.06 – Revised Ph.D Regulations** : Registrar presented and said that the comparison of the guidelines of JSS STU with the guidelines of UGC has been prepared and circulated to all the members, as suggested during the eleventh meeting of Board of Management held on 09th January 2021. Based on that, Chairman said that the revised Ph.D guidelines could be implemented as it is from the date of eleventh meeting of Board of Management since it has been approved in principle for which Dean Research said that few corrections have to be incorporated into the guidelines to remove some ambiguity that are notified presently. For the same, the Chairman said the Ph.D regulations can be implemented as approved, later changes can be incorporated as amendments after discussing at the AC and with its approval, it can be presented to the Board of Management

Resolution: The Board approved the revised Ph.D regulations

7. **Agenda 11.08 – MoU with CDRSP, Leiria, Portugal** : Chairman in the last meeting had suggested to look to whether the country with which JSS STU is signing its MoU is not in the prohibited list of countries. Registrar told that appropriate care has been taken for the same. Further, Chairman and Prof. Kori advised to check the website of the concerned ministry and then to be proposed.

Resolution: The Board approved the action taken in this regard

Discussion : Chairman briefed that a decision was taken by the authorities of the University, consequent to the SJCE becoming a constituent college of JSS STU by applying to AICTE, SJCE and JSS STU separately, and it was decided all Grant-in-Aid courses whichever are there will come under SJCE ambit and whichever are non-grant-in-aid courses come under JSS STU ambit and to get the necessary approvals and accordingly the University and college had submitted the application to AICTE. Some of the courses that are overlapping and making fewer admissions, advised to be closed and some of the courses, which are potential, are retained and the duplication of courses between the SJCE and JSS STU is being avoided.

Principal drew attention to the members regarding the nomenclature of programme / branch and the board noted the same and told that whichever the batch admitted this year, the recent approved nomenclature may be used and proceeded

Resolution: The Board approved the agenda and noted the EOA obtained from AICTE

13.04 To consider and approve the scheme and syllabus of 1st year B.E. programmes

The Scheme and Syllabus of the 1st year B.E for the batch 2020-2021 has been prepared and submitted.

Copy of the document is placed in the **Annexure 13.03 (Tabled separately)**.

Discussion: Chairman advised that the scheme and syllabus should be placed in ACM and approved by the body for which Principal intimated that it is not passed to ACM for which the Chairman clarified that the Board cannot approve as it is the academic issues for which Academic council's approval is very much essential.

Resolution: The Board deferred this agenda and advised to seek approval from AC and present this agenda in the next meeting of BoM for ratification

13.05 To consider and approve the change in nomenclature for the existing MBA programmes

JSS Centre for Management Studies is offering MBA in Corporate Finance and MBA in Executive Programme since 2016 and 2017 respectively. The MBA in Corporate Finance nomenclature has to be changed to meet the AICTE norms. Similarly MBA in Executive programme is also being offered since 2017.

In this regard, we suggest changing the nomenclature of the term MBA (Corporate Finance) as MBA (Financial Management) and MBA in Executive Programmes as MBA (Executive Programme).

Discussion: Chairman advised to follow the AICTE's nomenclature for all the future use and communications.

Resolution: The Board noted the change in nomenclature for MBA programmes

13.06 To consider and approve the change of branch of few students to BE (CSBS) based on the recommendation given by the Equivalence Committee and was approved by the Academic Council

During the academic year 2020-21 and as per the provisions in the University the change of branch was accorded to eligible students and some of the students have opted to change their branch to '**Computer Science and Business Systems**' (CSBS). The CSBS is a course that is offered in collaboration with Tata Consultancy Services and their 1st year curriculum is entirely different compared to the other courses / branches.

Presently, there are no guidelines available for the students to change from the other engineering branches to CSBS since the first year curriculum is entirely different.

Therefore, University Equivalence committee was constituted to review the content of syllabus and has submitted its recommendations to the Academic Council.

The Academic Council reviewed the proposal and opined that the proposed recommendations can be accepted. The recommendations of the equivalence committee is circulated through email and the approval was obtained.

Discussion : Chairman sought more details about the recommendations of the equivalence committee for which Principal explained that it is a initiative programme. However, the

syllabus of 1st Year BE of all programs is different from 1st year CSBS. Hence, equivalence committee recommended the proposal by adopting some bridging courses to be taken by the students that can enable them to equip and to cope up with the CSBS programme from second year onwards. Principal also requested to pass an executive order to approve the change of branch.

Chairman asked whether it is one time request or a regular process, if change of branch is opted. The Registrar and Principal mentioned that they have requested TCS to revise the syllabus of 1st year CSBS. This in turn will help the University to operate change of branch.

Registrar mentioned that the recommendations of the equivalence committee are circulated through email to the Academic Council members and Academic council members have approved for the change of branch. However, Registrar is looking for a permanent solution to operate the change of branch for CSBS branch.

Resolution: The Board in principle approved the recommendations of equivalence committee for change of branch and advised the University to come out with a regulation to handle change of branch

13.07 To consider and approve the proposal to start B.Voc. programme in Rubber Technology in collaboration with Indian Rubber Institute, JSS Science and Technology University and Rubber Skill Development Council

As per the tripartite agreement between IRI: JSS STU and RSDC (Rubber Skill Development Cell), IRI proposed to start B.Voc course in Rubber Technology jointly with JSS STU, Mysuru and RSDC. The course is designed for 6 semesters and detailed copy of the syllabus is submitted to the office of The Registrar, JSS STU. The main responsibilities and deliverables of JSS STU is to deliver training on the generic syllabus of the B.Voc program, to provide practical infrastructure, arrange internship for the students in consultation with IRI.

The programme has multiple entry and exit arrangements to attain different levels of skills.

Discussion : Chairman asked whether the B.Voc proposal is approved in Academic Council. The Registrar mentioned that they have brought to the Board and to get an in-principle approval and to start the program.

Registrar informed about the syllabus will be placed in the next BoS meeting and briefed the Board about the proposal. Later, Chairman asked whether they need approval from statutory bodies, to create adhoc BOS, policy and seat allocation, fee details, admission procedures, financial implications, GoK approval, etc.

13.08 To consider the comprehensive report submitted by the committee on the actions taken on the recommendations of the academic audit

An Academic Audit Committee of INAE- Bangalore chapter headed by Dr. V K Aatre, comprising of eight members visited the campus during September 14-15, 2019, and submitted a report to the University with recommendations.

Based on the above, JSS STU had formed a committee to review the implementations of the recommendations made by the INAE Committee and advised the committee to submit a comprehensive report on the actions taken by the university.

The committee reviewed the actions taken by the University as per the recommendations of the academic audit committee. The committee submitted the Comprehensive report on various heads, viz., Curriculum Revision, Enhancing the quality of instructions, Infrastructure, Research Culture, Placement and Alumni activities and strategic initiatives.

As per the observations made in the comprehensive report, more than 90% of the recommendations given the academic audit committee has been addressed and some of the action plans are in the process of implementation. Therefore, based on the comprehensive report, the University may continue its audit activities under IQAC to monitor the academic and other related activities through annual internal audit programmes and the same may be informed to the academic audit committee with an appreciation of thanks note.

Discussion: Chairman appreciated and congratulated the efforts put in by the team which has prepared the comprehensive report. In addition to the inputs provided and to strengthen the report, he suggested adding summarizing points at the end of the each section with recommendations. Details pertaining to Swayam, Mooc and courses/programs conducted FDP and TEQIP are to be presented. And the list of conferences attended by faculty, seed money given to the faculty etc. are to be added and this to be communicated

JSS STU has appointed the Dean-Science (Prof. P. Mallu) (**Annexure 13.13, pp. 88-89**) and Dean-Academics (Dr. B. Manoj Kumar) (**Annexure 13.14, pp. 90-91**) vide order no. JSSSTU/REG/EST/2021-22/10 dated 29.06.21 and JSSSTU/REG/EST/2021-22./11 dated 29.06.21 respectively.

Deputy Registrar Dr. N. Haraprasad was appointed as the first Deputy Registrar on an additional charge vide order no. TED/STU/EST/2015-16/02 dated 23.04.2016 relinquished the office vide order no. TED/STU/EST/2021-22/157 dated 01.07.21 and handed over the charge to Deputy Registrar Incharge on 01.07.2021. (**Annexure 13.15, pp. 92**)

Prof. B.S. Harish has been appointed as Deputy Registrar Incharge vide order no. JSSSTU/REG/APP-Order/ER (I/C)/01/2021-22/395 dated 31st March 2021. (**Annexure 13.15, pp. 93**).

The details of required faculty positions for the A.Y. 2021-22 was also presented to the Board. (**Annexure 13.16, pp. 94-99**).

Discussion : Chairman and the Board recorded the service rendered by the former Dean Research and placed the appreciation. Further, welcomed the newly appointed Dean (Research), Dean (Science) and Dean (Academic). He said Dean (aca) position is more or less ex-officio member of all BoS and AC, and needs to play a vital role and steer the academic quality conduct of the University. Chairman also advised the Dean Academic to concentrate on the areas such as new programmes to be offered, accreditation, benchmarking with leading private universities regarding rating and ranking, etc.

Chairman advised the Dean-Research to concentrate more on the University's Ph.D programmes which becomes the primary responsibility of Dean Research and also to steer and nurture the research culture which includes, publications, research projects and grants, patents filing, etc.

The Chairman advised the Dean Science should bring importance to the faculty of Science and suggested to concentrate on physical sciences as today the students across the world are more interested to get into science which are being felt meaningful rather than going for Applied Sciences. He advised to formulate a proper plan of action to achieve these goals.

The Board discussed about the requirement of faculty positions for the A.Y. 2021-22

Resolution: The Board considered the agenda and placed on the record of appreciation for the services rendered by the outgoing officers and welcomed the newly appointed Deans and Deputy Registrar (Incharge). The required faculty positions were approved.
