Activity: Swachhta Pledge, Plogging , Sampling

Date : 3rd September, 2021 (Friday)

Time : 10.30 am – 12.30 pm

The main event- Swachhta Pledge was conducted in campus 03.09.2021 at 10.30 am in the Quadrangle, administered Swachhta Pledge by all Heads of Department, faculty members, and students and inaugurated Swachhta Pakhwada-2021 programme. The session began with an introduction to Swachhta Pakhwada, its importance, role of citizens and oath taking was delivered to all the participants. Oath was taken to maintain cleanliness all around and to achieve the objective of attaining a clean country and a clean world. These initiatives will encourage the participants to develop a sense of responsibility in cleaning and protecting the environment for the betterment of society. Later on, Plogging event took place in the Computer Science department, which ensures initiative of Swachhta Pakhwada as part of drive against single use plastic and all the faculty members and students took part in the event and programme created mass involvement for environmental protection.

PLOGGING EVENT IN CAMPUS

The Department of I&PE had conducted the Cleanliness/Plogging event on 3-09-2021, Mrs. Sowmya C Co-ordinated the event. *Plogging* is a new sustainable initiative invented in Sweden which combines sports like jogging with caring for the environment. The plogging activity is meant to combine the cleanliness, the Faculty members and students together participated in the event, the activity was conducted in and around the Department. The participants collected the waste in the dustbins. The whole purpose of this initiative is to get the students involved and encouraging the students to do socio-environmental work.

Slogan Writing and Speech Competition

The Department of I&PE had conducted the Slogan Writing and Speech Competition on 07-09-2021, Prof. Sowmya C and Prof. Karibasavaraja D Co-ordinated the event. The Head of the Department Dr. V Ramesh addressed the gathering and gave the inductory Speech on water conservation to the participants. The Slogan writing competition was conducted in IP seminar hall and Speech competition was conducted online. Around 17 students participated in Slogan writing competition and 8 students participated in Speech competition. Frist, Second and Third Prizes were awarded for the best Slogan Writing and best Speech. Students presented simple ideas to conserve water in day to day life through drawing, slogan writing and speech. The response from the students was overwhelming, students and faculty attended the awareness programme.

Vaccination awareness Jatha held on 15/09/2021

Village adopted by our University JSS STU

Adoption Village Channananjayyanahundi as per order no DO No. GS 06 GUM 2018, dated 24.12.2018.

A momentous event took place in the adopted village of Channanajayannahundi, Karnataka, as a part of the Indra Dhanush 5.0 initiative by the Government of India. The event was organized by JSS Science and Technology University.

The conduction of the Indra Dhanush 5.0 an initiative by the government of India. This program was conducted keeping the principles in line with the Government of India. The program went a jatha along with the students of the government school, volunteers of JSS STU and faculties, held during September 16th achieving measles and rubella elimination ensuring that the unvaccinated and partially vaccinated children are fully immunized. Banners were installed in different places of the villages for reminding the dates of vaccination. Further the team created awareness about education and healthcare positively.

The event was well-received by the local community and laid the foundation for sustained efforts in uplifting the adopted village. The government's commitment to the welfare of its citizens, as demonstrated by the Indra Dhanush initiative, and the active participation of villagers, government school staffs and Youth for Seva, highlight the potential for positive change and development in India's rural areas.

5. **Community responsibility:** Stress the collective responsibility to uphold public health by getting vaccinated and encouraging others to do the same.
6. **Access and equity:** Advocate for equitable access to vaccines, addressing disparities in vaccine distribution and healthcare access.

Conclusion: By fostering awareness, dispelling myths, and promoting informed decision-making, this vaccination awareness program aims to empower individuals and communities to protect themselves and others from preventable diseases. Together, let us embrace the power of vaccines to safeguard health and build a healthier future for all.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Applications of Solar Bulbs:

1. **Residential Lighting:** Illuminate homes, gardens, pathways, and outdoor spaces.
2. **Community Projects:** Light up schools, community centers, and public areas in off-grid or underprivileged communities.
3. **Emergency Preparedness:** Provide reliable lighting during power outages or natural disasters.
4. **Decorative Lighting:** Enhance ambiance for events, festivals, and celebrations with eco-friendly illumination.
5. **Commercial Use:** Illuminate signage, parking lots, and outdoor areas for businesses.

How to Make the Switch?

1. **Assess Your Needs:** Determine where solar bulbs can replace traditional lighting sources effectively.
2. **Choose Quality Products:** Select solar bulbs from reputable manufacturers to ensure durability and performance.
3. **Installation:** Follow manufacturer instructions or seek professional assistance for proper installation.
4. **Maintenance:** Keep solar panels clean and batteries charged for optimal performance.
5. **Spread the Word:** Share your experience with solar bulbs to inspire others to make the switch.

Conclusion: As we conclude our solar bulb awareness program, remember that each illuminated space represents a step towards a sustainable future. By embracing solar-powered lighting solutions, we not only brighten our surroundings but also illuminate the path towards a greener, cleaner planet for generations to come. Let's shine a light on solar bulbs and power the world with the brilliance of the sun.

Report on Awareness Program - Greening Our Future: Tree Plantation Awareness Campaign

The students of SJCE, JSS STU, Mysuru has organised an outreach program on 16th January, 2022. Our planet faces numerous environmental challenges, and one critical solution lies in the simple yet powerful act of tree plantation. Trees are not just part of our ecosystem; they are lifelines for sustaining life on Earth. Recognizing this, we're launching a comprehensive awareness program on tree plantation to encourage everyone to participate in greening our future.

Objectives

1. To educate individuals about the importance of trees in mitigating climate change.
2. To promote community involvement in tree plantation initiatives.
3. To highlight the various environmental, social, and economic benefits of trees.
4. To inspire action towards sustainable living and environmental stewardship.

Key Findings

1. **Moderate Awareness Levels:** The general awareness about the importance of plantation activities is moderate, with most respondents acknowledging its significance for environmental conservation.
2. **Lack of Specific Knowledge:** Many respondents lack specific knowledge regarding the types of trees suitable for plantation, optimal planting seasons, and maintenance practices.
3. **Youth Engagement:** Younger demographics, particularly students, show a higher level of interest and enthusiasm towards plantation initiatives, indicating a potential for targeted awareness campaigns.
4. **Barriers to Participation:** Common barriers to participation in plantation activities include lack of time, resources, and awareness about available opportunities.

Recommendations

1. **Educational Programs:** Implement educational programs in schools, colleges, and communities to enhance understanding about the importance of plantation, types of trees, and ecological benefits.
2. **Community Workshops:** Organize workshops and training sessions to provide practical knowledge on plantation techniques, including seedling preparation, planting, and maintenance.
3. **Public Awareness Campaigns:** Launch public awareness campaigns through various mediums such as social media, television, and community events to promote the importance of plantation and encourage participation.

DIAMOND JUBILEE YEAR :: 1963 - 2023

- ✓ Efficiency and cost-effectiveness
3. **Security Measures and Best Practices**
 - ✓ Encryption and tokenization
 - ✓ Two-factor authentication
 - ✓ Tips for safeguarding personal and financial information
 4. **Practical Aspects of Digital Payments**
 - ✓ Setting up digital wallets and online banking accounts
 - ✓ Making transactions securely
 - ✓ Understanding transaction fees and currency conversion rates
 5. **Overcoming Challenges and Concerns**
 - ✓ Addressing security and privacy concerns
 - ✓ Dealing with technical glitches and fraud incidents
 - ✓ Building trust in digital payment systems
 6. **Future Trends and Innovations**
 - ✓ Emerging technologies in the digital payment ecosystem
 - ✓ Potential impact of block chain and cryptocurrencies
 - ✓ Predictions for the future of digital payments

Conclusion: As we move towards an increasingly digital future, embracing digital payments is not just a matter of convenience—it's a strategic decision that can empower individuals and businesses to thrive in the modern economy. By equipping participants with knowledge, skills, and confidence, this awareness program aims to pave the way for a seamless transition towards a cashless society, where digital transactions are not only the norm but also a catalyst for financial inclusion and empowerment. Let's embark on this journey together and unlock the full potential of digital payments for a brighter, more prosperous future.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on "Harvesting Rain, Sustaining Cities: A Guide to Urban Rainwater Harvesting" held on 27th February, 2022

Program Objectives:

1. Educate urban residents about the significance of rainwater harvesting in water conservation and sustainability.
2. Demonstrate various techniques and methods of rainwater harvesting suitable for urban settings.
3. Encourage active participation and adoption of rainwater harvesting practices among urban households.
4. Foster a sense of community engagement towards environmental stewardship.
5. Program Components:

• **Introduction to Rainwater Harvesting:**

- Importance of water conservation.
- Challenges faced by urban areas regarding water scarcity.

• **Methods and Techniques:**

- Overview of rainwater harvesting systems (e.g., rooftop collection, storage tanks, permeable pavements).
- Demonstration of installation and maintenance procedures.

• **Benefits and Applications:**

- Reduction of water bills.
- Mitigation of stormwater runoff and flooding.
- Supporting local ecosystems.

• **Legal and Regulatory Aspects:**

- Guidelines and regulations pertaining to rainwater harvesting in urban areas.
- Incentives and rebates offered by local authorities.

DIAMOND JUBILEE YEAR :: 1963 - 2023

**Report on "Waste to Wealth: A Vermicomposting Awareness Program" held on
27/03/2022**

Objectives

1. Raise awareness about the environmental benefits of vermicomposting.
2. Educate participants about the process and principles of vermicomposting.
3. Provide practical guidance on setting up and maintaining a vermicomposting system.
4. Promote the use of vermicompost as an organic fertilizer and soil conditioner.

Program Agenda:

Introduction to Vermicomposting

- Overview of vermicomposting and its significance in waste management.
- Environmental benefits: reducing landfill waste, minimizing greenhouse gas emissions, and conserving resources.
- Introduction to the key players: earthworms and microorganisms.
- Demonstration of the vermicomposting process through visuals or videos.

Setting Up a Vermicomposting System

- Selecting an appropriate container: bins, boxes, or pits.
- Choosing the right earthworm species: *Eisenia fetida* (red wigglers) are commonly used.
- Creating the ideal bedding material: shredded newspaper, cardboard, or coconut coir.
- Maintaining optimal conditions: moisture, temperature, and aeration.
- Dos and don'ts of feeding: balancing green (nitrogen-rich) and brown (carbon-rich) materials.

Vermicomposting Troubleshooting and Management

- Common challenges: odor, pests, acidity, and overfeeding.
- Solutions and prevention methods for troubleshooting issues.
- Harvesting vermicompost: techniques for separating worms from compost.

DIAMOND JUBILEE YEAR :: 1963 - 2023

- Storage and curing of vermicompost to enhance its quality.

Utilizing Vermicompost in Gardening and Agriculture

- Benefits of vermicompost for soil health and plant growth.
- Application methods: top-dressing, soil incorporation, and compost tea brewing.
- Case studies and success stories of vermicompost applications.
- Environmental and economic advantages compared to chemical fertilizers.

Conclusion: Encouragement for participants to implement vermicomposting practices in their homes, communities, or workplaces.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on Awareness Program - Unlocking Doors: The Importance of English Language in Our Lives held on 28/08/2022

Introduction: Welcome, everyone, to our awareness program on the significance of the English language in our lives. Student of SJCE, JSS STU, Mysuru deliver, how English is not just a language, but a key that unlocks numerous opportunities and enhances our communication abilities in this globalized world.

Why English Matters:

1. **Global Communication:** English serves as a common ground for people from diverse linguistic backgrounds to communicate effectively.
2. **Education and Career Opportunities:** Proficiency in English opens doors to better educational and career prospects globally, as many prestigious universities and international companies use English as the primary medium of instruction and communication.
3. **Access to Information:** English is the dominant language on the internet, allowing English speakers to access a vast array of information, knowledge, and resources that may not be available in other languages.
4. **Cultural Exchange:** English facilitates cultural exchange by enabling people from different cultures to understand and appreciate each other's perspectives, literature, and art.
5. **Travel and Tourism:** English is widely spoken in many tourist destinations, making it easier for travelers to navigate and communicate in various parts of the world.

Impacts of English Proficiency:

1. **Economic Growth:** Countries with a high level of English proficiency often experience greater economic growth due to increased trade, investment, and business opportunities with English-speaking nations.

DIAMOND JUBILEE YEAR :: 1963 - 2023

2. **Social Mobility:** English proficiency can enhance social mobility by providing individuals with the language skills necessary to access higher-paying jobs, better education, and improved quality of life.
3. **Innovation and Technology:** English is the language of science, technology, and innovation. Proficiency in English allows individuals to participate in and contribute to global advancements in various fields.
4. **Empowerment:** English proficiency empowers individuals to express themselves more confidently, advocate for their rights, and participate in civic and political discourse at both local and international levels.
5. **Personal Development:** Learning English enhances cognitive abilities, improves critical thinking skills, and fosters a lifelong love for learning and self-improvement.

How to Promote English Proficiency:

1. **Education:** Implementing comprehensive English language programs in schools and universities to ensure students acquire proficiency from an early age.
2. **Access to Resources:** Providing access to quality English language learning materials, courses, and online resources to individuals of all ages and backgrounds.
3. **Community Engagement:** Organizing language exchange programs, workshops, and cultural events to encourage language practice and foster a supportive learning environment.
4. **Technology Integration:** Utilizing technology such as language learning apps, online tutoring platforms, and digital libraries to make English learning more accessible and engaging.
5. **Policy Support:** Formulating language policies and initiatives at the national and institutional levels to promote English proficiency and support language learners.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Conclusion: The English language serves as a bridge that connects people across borders, cultures, and professions. By recognizing its importance and investing in English proficiency, we can empower individuals, promote economic growth, and foster global understanding and cooperation. Let us embrace the opportunities that English offers and work together to build a more connected and prosperous world.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on Awareness Program - "Plastic Wise: Empowering Communities for Sustainable Futures" held on 09/10/2022

Goals of the program:

1. Raise awareness about the environmental impact of plastic pollution.
2. Encourage individuals and communities to adopt sustainable practices for plastic management.
3. Promote the reduction, reuse, and recycling of plastic materials.
4. Mobilize community participation in plastic waste management initiatives.

Program Components:

1. Educational Workshops and Seminars:

- Introduction to the problem of plastic pollution.
- Explanation of the lifecycle of plastics and their environmental impact.
- Highlighting the importance of reducing plastic usage and adopting alternatives.
- Workshops on proper waste segregation and recycling techniques.

2. Community Engagement Activities:

- Clean-up drives in local neighborhoods, parks, beaches, and water bodies.
- Door-to-door campaigns to distribute informational pamphlets and reusable bags.
- Organizing competitions (e.g., art contests, eco-friendly fashion shows) to creatively promote plastic reduction.

3. Collaboration with Schools and Youth Groups:

- Integration of plastic management education into school curriculums.
- Establishment of eco-clubs or youth-led initiatives focused on reducing plastic waste.
- Workshops and interactive sessions targeting students to instill environmental consciousness.

14.02.2024 16:20

Objectives of the program:

1. To raise awareness about the physical, mental, and emotional benefits of practicing yoga.
2. To introduce participants to different yoga techniques and styles.
3. To provide practical tips for integrating yoga into daily life.

1. Introduction to Yoga

- ✓ Define yoga and its origins.
- ✓ Discuss the holistic benefits of yoga for mind, body, and spirit.

2. Understanding Different Yoga Styles

- ✓ Overview of popular yoga styles such as Hatha, Vinyasa, Ashtanga, Bikram, etc.
- ✓ Explanation of each style's focus and benefits.

3. Benefits of Yoga

- ✓ Physical benefits: Improved flexibility, strength, balance, and posture.
- ✓ Mental benefits: Stress reduction, increased focus, and mental clarity.
- ✓ Emotional benefits: Enhanced self-awareness, emotional balance, and resilience.

4. Basic Yoga Techniques

- ✓ Gentle warm-up exercises and stretches.
- ✓ Guided practice of basic yoga asanas (poses) focusing on alignment and breathing techniques.
- ✓ Introduction to relaxation techniques such as Savasana (corpse pose) and guided meditation.

5. Integrating Yoga into Daily Life

- ✓ Tips for incorporating yoga into a busy schedule.
- ✓ Suggestions for creating a home practice routine.

✓ Importance of consistency and listening to one's body.

Additional Considerations:

- Ensure the session is inclusive and accessible to individuals of all fitness levels and abilities.
- Consider offering demonstrations and modifications for participants with physical limitations or injuries.
- Provide a comfortable environment with appropriate lighting, ventilation, and yoga mats if possible.
- Encourage participants to wear comfortable clothing suitable for movement.
- Follow up with participants after the program to gather feedback and offer continued support or resources.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on SANGAM (talents of special needs) on 26/01/2022

To commemorate this significant day, we hosted "Sangam," a joyous celebration that lives up to its name as a confluence of different minds. This event was a special tribute to honor the abilities and gifts of individuals with special needs.

Held at Dhvanyaloka, Sangam provided a platform for individuals with special needs to showcase their incredible talents. It was a heartening experience to witness genuine smiles and recognize the limitless potential for singing and dancing within this remarkable community.

The annual event, Sangam, served as a testament to the spirit of inclusivity and the celebration of diverse talents. Participants, with enthusiasm and joy, shared their skills, creating an atmosphere filled with warmth and appreciation.

The event not only highlighted the talents of those with special needs but also emphasized the importance of recognizing and celebrating the unique abilities each individual possesses. Project ReachOut is committed to fostering an environment where everyone, regardless of their abilities, is given the opportunity to shine and be appreciated for their contributions.

A heartfelt thank you goes out to everyone who participated in making Sangam a huge success. Your support and enthusiasm played a crucial role in creating a memorable and uplifting experience for everyone involved.

As we celebrate the 74th Republic Day, let Sangam be a reminder of the richness that diversity brings to our lives. Volunteer's remains dedicated to creating more opportunities for inclusivity, joy, and celebration in the days to come. Here's to a future where every individual is recognized, valued, and celebrated for their unique gifts and talents.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on Menstrual Awareness Campaign on 13/03/2022

In response to the diminishing participation of women in schools and communities due to discriminatory social norms, cultural taboos, and lack of basic sanitation services resulting in menstrual health and hygiene being disregarded, our volunteers conducted a workshop addressing a gathering of 30 women and girls above the age of 15 in Odanadi Seva Samste mysuru, a non-governmental organization that has been working for the rescue, rehabilitation, and empowerment of trafficked and sexually exploited women and children.

Activities were conducted in the session to highlight our diversity and promote acceptance and respect over menstrual stigma through body positivity, conveying that the more body positive you are, the more accepting you are of being period positive.

By teaching these young girls how to care for themselves physically and emotionally, as well as giving them something as simple as sanitary pads, we hope to empower them to attend schools, thus reducing the risk of ending up on the streets and falling prey to human traffickers, a vicious cycle we hope to break with our efforts.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on UPCYCLING AT ODANADI on 22/04/2022

In the spirit of Earth Day, we embarked on a heart-warming journey to Oadanadi, an NGO dedicated to rescuing, rehabilitating, and empowering trafficked women and children. The day unfolded with warmth, smiles, and enthusiasm, creating a room filled with positive energy.

The focus of the day was on engaging the children in creative and eco-friendly activities. Our volunteers facilitated various workshops, including origami using recycled materials, paper quilling, and crafting beautiful pen stands from waste bottles collected by our dedicated team. The children also showcased their artistic talents by trying their hands at painting glass jars, transforming them into stunning showpieces. It was truly inspiring to witness these young minds redefine art in their own unique ways. The creativity, joy, and enthusiasm radiating from the children highlighted the transformative power of art and the positive impact it can have on individuals, irrespective of their circumstances.

The volunteers played a crucial role in making the session both easy and enjoyable for the children, fostering a supportive and encouraging environment. The success of the upcycling workshop was not just a celebration of creativity but also a testament to the resilience and potential within each child.

As we reflect on this beautiful Earth Day celebration at Odanadi, we look forward to continuing our efforts in creating more opportunities for creativity, joy, and empowerment. The children of Odanadi have left an indelible mark on our hearts, and we can't wait to embark on more meaningful initiatives together.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on collaboration with Devdaan Foundation on 24/04/2022

As the seasons change, one thing remains timeless – the impact of colors on our lives. Recognizing the everlasting nature of colors, students of JSS recently collaborated with Devdaan Foundation and its affiliate schools to bring vibrant hues to the lives of special children. This initiative is part of our commitment to support and assist these incredible individuals in navigating the challenges of the fast-paced world.

Devdaan Foundation has been at the forefront of providing crucial assistance to special kids, helping them integrate into a world that often moves too quickly. We are honored to be a partner in this noble endeavor, and our volunteers eagerly took on the task of spreading colors – velvet, green, and brown – on walls and doors. The goal was to create a new, vibrant space, a safe harbor where these special kids can thrive and find comfort in a world that can sometimes be scarce in understanding.

Sundays, often considered a day for leisure, took on a different meaning for us. Our volunteers dedicated their time and effort to contribute to a cause that goes beyond personal relaxation – a cause that involves making a meaningful impact on the lives of others. The PRO-way, as we like to call it, is about using our time and resources to create positive change in the community.

This event marks just the beginning of our collaboration with Devdaan Foundation, and it is indeed the best beginning we could have asked for. The colors we scattered symbolize not only a visual transformation but also a commitment to creating an environment where every individual, regardless of their abilities, feels valued and included.

Jayciana 2022: 'Go Green' Cyclothon held

Mysuru, May 8 (RKB&SSM)- In a bid to promote electric vehicles, JSS Science and Technology University (JSS STU) Mysuru, in association with Project Reach-Cur of the College had organised a 12-km Cyclothon this morning.

The cyclothon was held as part of Jayciana-2022, the annual cultural fest of the College with the theme 'Go Green'.

Over 260 participants including students and staff of the College took part in the Cyclothon which was flagged off by Superintendent of Police (SP) R. Chethan and International Cyclist and Ekalya awardee N. Lokesh from JSS STU College, Gaurinda.

The cyclothon passed through St. Joseph's First Grade College, V.V. Puram Traffic Police Station, Akashavani Circle, Ramaswamy Circle, Saraswathipuram Fire Brigade and culminated at the starting point.

Speaking on the occasion SP R. Chethan said that youths must be active enough and come

forward voluntarily to participate in various events. "Youngsters must grow fit both physically and academically," he added. N. Lokesh, who too spoke, advised the participants to successfully complete the cyclothon and said "Cycling is the best exercise to keep one fit

Participating in such events is very essential. I am glad about the encouragement and the support given by the institution to the students by conducting such activities."

The student organisers of the event included A.C. Shreyas, Chirag Gowda, Namitha Jain,

Rahul Ethape, Anil Dechanima, Aislin Padaki and N. Varun.

JSS STU Vice-Chancellor (VC) Prof. A.N. Santhosh Kumar presided. SJCE STEP Chief Executive E. Shivashankar, staff and students were present.

Winners

The first 10 winners are: R.

Vinay, S.T. Dhananjay, Madhu Kumar, Kiran Kumar, Aneesh, Anurath Raj, G.K. Shrikar, Karim Marshall, Umar Shariff and Sathya Ganesh.

They were given a cash prize of Rs. 1,000 each and certificates were given to those who participated in the Cyclothon.

ಎಸ್‌ಜೆಸಿಇ ವಿದ್ಯಾರ್ಥಿಗಳಿಂದ 'ಗೋ ಗ್ರೀನ್' ಸೈಕ್ಲೋಥಾನ್

ಮೈಸೂರು: ವಿದ್ಯುತ್ ಚಾಲಿತ ವಾಹನಗಳನ್ನು ಬಳಸುವ ಬಗ್ಗೆ ಜನರಲ್ಲಿ ಜಾಗೃತಿ ಮೂಡಿಸುವ ಸಲುವಾಗಿ ಎಸ್‌ಜೆಸಿಇ ಕಾಲೇಜಿನ ವಿದ್ಯಾರ್ಥಿಗಳು 'ಗೋ ಗ್ರೀನ್' ಫೋರ್‌ವೇರ್ಡ್‌ನಲ್ಲಿ ಸೈಕ್ಲೋ ಥಾನ್ ಕಾರ್ಯಕ್ರಮವನ್ನು ಹಮ್ಮಿಕೊಳ್ಳಲಾಗಿದೆ.

ಭಾನುವಾರ ಬೆಳಿಗ್ಗೆ ನಗರದ ಮಾನಸಂಗೋತ್ರಿಯಲ್ಲಿ ಶ್ರೀ ಜಯ ಚಾಮರಾಜೇಂದ್ರ ಇಂಜಿನಿಯರಿಂಗ್ ಕಾಲೇಜಿನ ಆವರಣದಲ್ಲಿ ವಿರ್ಭವಿಸಲಾಗಿದ್ದ ಸಮಾರಂಭದಲ್ಲಿ ಜಿಲ್ಲಾ ಪೊಲೀಸ್ ಪರಿಷ್ಕಾರಕಾರಿ ಆರ್.ಬಿ.ಆರ್. ಅವರು ಸೈಕ್ಲೋಥಾನ್‌ಗೆ ಚಾಲನೆ ನೀಡಿದರು.

ಈ ವೇಳೆ ಮಾತನಾಡಿದ ಅವರು, ಪರಿಸರವನ್ನು ಸಂರಕ್ಷಿಸುವ ಹೊಣೆ ನಮ್ಮೆಲ್ಲರ ಮೇಲಿದೆ. ಇಂಧನ ಬಳಕೆಯ ವಾಹನಗಳನ್ನು ಹೆಚ್ಚು ಬಳಸಬೇಡಿ ಎಂದು ಮನವರಿಕೆ ಮಾಡುತ್ತಾ, ಇದರಿಂದ ಮನುಷ್ಯನ ಆರೋಗ್ಯದ ಮೇಲೆ ದುಪರಿಣಾಮ ಬೀರುತ್ತದೆ. ಹೀಗಾಗಿ ನಾವೆಲ್ಲರೂ ಆದಷ್ಟು

ವಿದ್ಯುತ್ ಚಾಲಿತ ವಾಹನಗಳ ಬಳಕೆಗೆ ಮುಂದಾಗಬೇಕು. ಈಗ ಗಲೀ ದೇಶದಲ್ಲಿದೆ ವಿದ್ಯುತ್ ಚಾಲಿತ ವಾಹನಗಳ ಬಳಕೆ ಆರಂಭವಾಗಿದೆ. ಬಸ್, ಕಾರು ಹಾಗೂ ಡ್ವಿಚಕ್ರ ವಾಹನಗಳು ಮಾರುಕಟ್ಟೆಯನ್ನು ಪ್ರವೇಶಿಸಿವೆ. ವಿದ್ಯುತ್ ಚಾಲಿತ ವಾಹನ ಬಳಕೆಯಿಂದ ಹಣವೂ ಉಳಿತಾಯವಾಗಲಿದೆ. ಈ ನಿಟ್ಟಿನಲ್ಲಿ ಇಂತಹ ಕಾರ್ಯಕ್ರಮ ಅರ್ಥ ಪೂರ್ಣ ಎಂದು.

ಎಸ್‌ಜೆಸಿಇ ಕಾಲೇಜಿನ ಆವರಣ

ದಿಂದ ಹೊರಟ ಸೈಕ್ಲೋಥಾನ್ ರಸ್ತೆ, ಪ್ರೀಮಿಯರ್ ಸ್ಟುಡಿಯೋ, ಸೇಂಟ್ ಜೋಸೆಫ್ ಕಾಲೇಜು ವೃತ್ತ, ಮೆಟ್ರೋಪೋಲಿ ವೃತ್ತ, ರಾಮ ಸ್ವಾಮಿ ವೃತ್ತ, ಸರಸ್ವತಿಪುರಂ, ಅಗ್ನಿ ಶಾಮಕ ದಳದ ಕಚೇರಿ ರಸ್ತೆ ಮೂಲಕ ಸಾಗಿ ಮತ್ತೆ ಕಾಲೇಜಿನ ಆವರಣದಲ್ಲಿ ಅಂತ್ಯಗೊಂಡಿತು. ಸೈಕ್ಲಿಸ್ಟ್ ಹಾಗೂ ಏಕಲವ್ಯ ಪ್ರಶಸ್ತಿ ವಿಜೇತ ಎನ್. ಲೋಕೇಶ್, ಪ್ರೊ.ಎ.ಎನ್.ಸಂತೋಷ್ ಕುಮಾರ್ ಹಾಗೂ ನೂರಕ್ಕೂ ಹೆಚ್ಚು ವಿದ್ಯಾರ್ಥಿಗಳು ಪಾಲ್ಗೊಂಡಿದ್ದರು.

the blood bank at JSS Hospital. It provides the medium to broadcast blood donation events conducted, and notify registered donors when a blood request is placed. It ensures that all blood requests shall be automatically closed while ensuring that the donors can access all their donation certificates and dates on the go, while their data is only accessible to them.

NSS

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Even in our esteemed institution we have NSS and our youth students encourage others to serve towards the community.

Blood Donation

Blood Donation or transfusion to a person evolved from the early experiments of transfusing blood from lambs to humans in 1667. It gained immense importance after blood from one person to another was successfully transferred in 1818 by British obstetrician James Blundell to a patient for the treatment of postpartum hemorrhage.

For cancer patients, blood transfusions can act as an important resource to implement platelets back into the body after heavy treatments such as chemo or radiation therapy since the blood cells that are made in the bone marrow are often destroyed. For trauma and burn victims, the anemia resulting from the treatment of burns and trauma-induced coagulation of blood in accident victims can be cured by blood transfusions.

According to WHO, about 118.54 million blood donations are collected worldwide. 40% of these are collected in high-income countries, home to 16% of the world's population, whereas many low-income and middle-income countries struggle with accruing a sufficient voluntary, unpaid blood donation base to meet the need. Efforts to increase blood supply are often ignored and dangerous delays in the provision of blood can lead to death.

It is our firm belief that every action, big or small, can truly change our community. We believe that the voluntary blood donation camp is of the utmost importance in our present-day society, helping both the society through learning more about ways in which they can save lives and assisting medical warriors indirectly in their battle to save lives.

THE EVENT

The Indian Red Cross Society, JSS Science and Technology University (JSSS&TU), had organized a blood donation camp to mark World Red Cross Day at JSS Science and Technology University

Group Photo with volunteers

Lat 12.31428°
Long 76.612738°

An immense amount of participation was seen with around 108 people volunteered for donating blood as per the data inputs. The actual amount of participation and blood being collected was little shy of the target due to many being rejected citing health reasons. This led to many staff members of our college actively participating and people from around the campus getting spot registered in the blood drive making it a huge success. A certificate of donation and refreshment was given to each donor as a token of gratitude and were felicitated at the donation camp. It is exhilarating to inform that 87 units of blood were donated successfully in the blood drive which is a huge success which save 255 lives in danger. Every single volunteer from Jeevan Bindu and Project ReachOut contributed in making this drive a huge success.

JSS SCIENCE AND TECHNOLOGY UNIVERSITY - Indian Red Cross Society

A report on School Bell campaign held at Jallapuri Government School, Mysuru.

The Indian Red Cross is a voluntary humanitarian organization having a network of over 1100 branches throughout the country, providing relief in times of disasters/emergencies and promotes health & care of the vulnerable people and communities.

The Mission of the Indian Red Cross is to inspire, encourage and initiate at all times all forms of humanitarian activities so that human suffering can be minimized and even prevented and thus contribute to creating more congenial climate for peace.

The NSS cell of 'Campus to Community' had again organized one of the School Bell Program in Jallapuri Government School, in collaboration with the IRCS of our college. Even the 'Youth Rotary Club' of Bengaluru had been a part of this event.

About The Organization

An organization called Campus 2 Community had organized a camp in a government school at Jallapuri village on 4th and 5th of June 2022. The camp had lasted for 2 days. There were nearly 30 volunteers which were divided into 4 in a group. They were assigned tasks.

Campus 2 Community, through its action plan “SCHOOL BELL” has been profoundly involved in developing the infrastructure of government schools in the remote villages with special attention on the learning ambience. Team School Bell from Campus 2 Community is inspired by Gandhian views on Rural India and Education are profoundly involved in the development of government schools in remote rural areas.

The main aim of School Bell is to rejuvenate government schools located in remote rural areas across Karnataka by refurbishing the school premises and make learning more colorful to the students.

In making
learning
colorful....

Color has the ability to influence one's mood, health and performance which means that certain paint colors or furniture choices have a direct impact on what takes place inside the classroom as well. Certain colors can capture attention, increase alertness, or create calmness.

Young and energetic volunteers residing in urban areas from various colleges and others participate enthusiastically to brighten the walls of wisdom. The volunteers also understand the poor conditions of government schools and also help them to experience the culture of rural villages that will delineate the gap between rural and urban areas.

About The Campaign

According to the instruction given by the team guide, one in the group had to sketch the drawings on the school wall. Students those who were good at sketching were chosen to draw. The second thing was to paint the sketched drawings. The remaining three in a group had to do this. The paintings done in the wall was meaningful and was related to the student's subject. In addition to that the paintings had information about sports, yoga, creativity, water conservation, and others.

Our faculties from our college truly lead us well, and they were the pillars behind our each and every work on this campaign. Dr. Vishishtta Nagaraj, Environmental Engineering department and Dr. Madhusudan, Electrical and Communication department guided us in this work. It was really a good experience in working with them.

The Headmaster and the staffs of the government school treated us well. They were very supportive and we had a very good interaction section with both staffs and students of that school. They had arranged us the morning breakfast and midday meals for afternoon.

Conclusion

Lat 11.825198, Long 76.722790

It was indeed a great initiative taken from National Service Scheme (NSS). We are thankful for giving us such a wonderful opportunity. Painting a school with picture related to studies is a very good idea to make students to learn and remember easily. It all made sense when the work was completed.

We also got to know about the poor conditions of government school and we also experienced the culture of rural villages that will delineate the gap between rural and urban. It was worth seeing the students happily smiling and enjoying their new ambience at school. Exploring to new experience is a very important part of self-development. It was like revisiting our own school days. This was the best memory and we would love to involve in further programs related to this.

A stylized, high-contrast illustration of a bouquet of flowers, tilted at an angle. The bouquet is composed of several dark, solid-colored flowers and leaves, rendered in a graphic, almost abstract style. The entire illustration is enclosed within a thick black rectangular border, which is itself set within a larger white frame. The background of the illustration is a light gray with a fine, textured pattern.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on ENVIRONMENTAL DAY CELEBRATION on 07/06/2022

In line with the belief that "the environment is no one's property to destroy; it's everyone's responsibility to protect," the Environmental Engineering Department at JSSSTU, in collaboration with Project Reach Out and Balaga Club of SJCE, organized a vibrant Awareness Rally to mark World Environmental Day. The event aimed to install a sense of responsibility and raise awareness about the importance of environmental conservation.

The rallying cry against plastic pollution was at the forefront of the event, with the understanding that a collective effort to reject plastic bags can have a profound impact on the well-being of millions of people in the future. Team Balaga, with its dedicated volunteers, led the way in echoing impactful slogans, brandishing posters, and carrying placards to convey the crucial message.

The rally commenced with the energetic chants and passionate voices of the volunteers, setting a spirited tone for the event. The enthusiastic participation of the crowd, comprised of students, faculty, and community members, exemplified a shared commitment to safeguarding the environment.

A noteworthy highlight of the event was a scintillating play performed by Team Balaga, skilfully weaving together a narrative that underscored the urgency of environmental protection and the consequences of neglecting this responsibility. The play served as a powerful medium to communicate the message, engaging the audience and leaving a lasting impact.

The success of the event can be attributed to the active involvement and dedication of everyone who participated. The collaboration between the Environmental Engineering

DIAMOND JUBILEE YEAR :: 1963 - 2023

Department, Project Reach Out, and Balaga Club of SJCE exemplifies the strength of collective action in addressing pressing environmental issues.

Special thanks are extended to all participants, volunteers, and organizers for their contributions in making the Awareness Rally a resounding success. The event not only served as a platform for education but also as a demonstration of the power of unified efforts in creating positive change.

As we reflect on this impactful World Environmental Day event, let it serve as a catalyst for ongoing initiatives and inspire a heightened sense of responsibility towards the environment.

Together, through collective action, we can strive for a greener and more sustainable future.

Report on Azadi Ka Amrit Mahotsav

Inauguration of NSS Unit at JSS STU, Mysuru : As a part of the government's initiative "Azadi Ka Amrit Mahotsav" to mark 75 years of India's Independence and as envisaged in the National Education Policy, National Service Scheme (NSS) Unit was inaugurated at JSS Science and Technology University, Mysuru on 22nd July 2022. The chief guest of the event Sri. Prathap Lingaiah, State NSS Officer, Government of Karnataka spoke about the importance of NSS activities in the curriculum as per the new National Education Policy (NEP). He called the students to actively participate in NSS activities and discharge social responsibility effectively. He said that sufficient motivational awareness must be created. Service is the Motto of NSS and students must imbibe it. NSS provides support to acquire leadership qualities and values. Volunteers serving as ambassadors should contribute to the society in a larger scale. Dr. M. T. Suresh, NSS Officer, University of Mysore shared his joyful experiences of being associated with NSS for the past 15 years. He also shared that Mysore University has 192 units with 19,200 actively involved people. He mentioned that if students develop tolerance they can work on social outlook. NSS does not have economic gain, but helps in personality development and in learning different skills. It also helps in inculcating team work for the progress of our country. He spoke about NSS volunteers being awarded with honours for serving as Corona warriors during COVID-19 pandemic. Dr. S B Kivade, Principal and Dean Engineering and Technology, SJCE, JSS STU shared about the credits that will be allocated in the upcoming scheme of syllabus for NSS activities. Further he motivated the volunteers to adapt technology driven service motto and work towards the betterment of the society. He emphasized on the NSS slogan "NOT ME, BUT YOU" to the volunteers for being active in the upcoming NSS activities organized by the NSS unit.
