

RESPONSE SHEET

Details		Weightage
Criterion	3 - Research, Innovations and Extension	250
Key Indicator	3.6 Extension Activities	20
Metric	3.6.2 Number of extension and outreach programs conducted through organized forums by the institution during the last five years	10
	3.6.2.1 Number of extension and outreach programs conducted by the institution through organized forums like NSS/NCC during the last five years.	
Response: Total Number of extension and outreach activities during the last five years = 120		
Website Link: https://updates.naac.jssstuniv.in/NAAC/CYCLE1/CRITERIA3/3.6/3.6.2		

Response Table

Year	2018-19	2019-20	2020-21	2021-22	2022-23
Number of extension and outreach programs conducted by the institution	19	14	4	32	51

JSSSTU is submitting the following documents in response to metric 3.6.2

A total of **51 extension and outreach programs** in the academic year 2022 – 2023. The list of extension and outreach programs along with number of student participated is given below.

List of extension and outreach programs in the academic year 2022 – 2023.

SI. No	Name of the activity	Organizing unit/ Forum/ collaborating agency	Date of the activity	Number of students participated in such activities
1.	Har Ghar Tiranga Campaign event	NSS, SJCE, JSS STU, Mysuru	13-08-2022	More than 190
2.	Independence Day Celebration	Decathlon and Gravity, JSSSTU, Mysuru	15-08-2022	6

Report on Independence Day Celebration at Devdan Foundation held on 15/08/2022

Introduction:

On the auspicious occasion of the 77th Independence Day, Devdan Foundation organized a heartwarming and joyous celebration in collaboration with the extraordinary students under its care. The event aimed not only to commemorate the nation's freedom but also to spread smiles and create unforgettable memories for the students.

Event Highlights:

1. Warm Welcome and Patriotic Spirit:

The day commenced with a warm welcome extended to the students, staff, and guests. The venue was adorned with the tricolor, symbolizing the spirit of unity and freedom. The air was filled with patriotic fervor as everyone gathered to celebrate the nation's independence.

2. Interactive Activities and Engaging Workshops:

To engage the students in a day full of excitement, various interactive activities and workshops were organized. These included art and craft sessions, storytelling, and group games that not only entertained but also imparted valuable skills and knowledge.

3. Cultural Performances:

The cultural diversity of India was showcased through mesmerizing performances by the students. Dance, music, and drama presentations reflected the rich tapestry of our nation's heritage, fostering a sense of pride and unity among the participants.

4. Special Guests and Inspirational Talks:

The event was graced by special guests, including notable personalities and community leaders, who shared inspiring stories and words of encouragement with the students. These talks aimed to motivate and instill a sense of empowerment among the young minds.

5. Distribution of Goodies and Prizes:

As a token of appreciation for their participation and enthusiasm, the students were presented with goodies and prizes. This gesture added an extra layer of joy to the day, making it a memorable experience for all.

Conclusion:

The Independence Day celebration at Devdan Foundation was a resounding success, marked by laughter, camaraderie, and a true sense of freedom. The event not only honoured the sacrifices of the past but also looked forward to a future where every individual, regardless of their background, can revel in the joy of independence. Devdan Foundation continues to be a beacon of hope and positivity, transforming lives and spreading smiles in the pursuit of a better and more inclusive society.

Report on CLEAN-UP DRIVE held on 25/09/2022

In an effort to address the environmental concerns surrounding Kukkarahalli Lake, a dedicated group took on the mission of cleaning up the cherished waterbody. What they discovered during the cleanup drive served as a wake-up call, prompting a commitment to go beyond mere cleanup efforts.

Clean-up Drive Revelations:

The team's Clean-up Drive at Kukkarahalli Lake uncovered a distressing abundance of discarded liquor bottles, shedding light on the need for a more comprehensive approach to environmental stewardship. Instead of stopping at cleanup, the team decided to delve deeper into the issue through their innovative Plog and Talk series.

Initiatives Launched:

Bottle Solution:

Addressing the challenge of discarded liquor bottles, the initiative proposes a sustainable makeover for these items. The community is encouraged to take these bottles to the nearest recycling center or use designated glass disposal bins, ensuring they are recycled and do not harm the environment. This small step is emphasized for its potential big impact on reducing environmental degradation.

Plog and Talk Series:

Going beyond physical cleanup, the Plog and Talk series aims to create awareness and initiate conversations about responsible waste disposal and environmental conservation. The series serves as a platform to discuss innovative solutions, share insights, and inspire collective action for a cleaner and healthier ecosystem.

Support Our Collectors:

Recognizing the essential role of garbage collectors from the Municipal Corporation of the City (MCC), the community is urged to actively support their efforts.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Residents are encouraged to hand over their waste to the MCC garbage collectors when they are at their doorstep, acknowledging and appreciating the tireless work these individuals do in maintaining the cleanliness of the city. This simple act is highlighted for its potential profound consequences in fostering a cleaner urban environment.

Call to Action:

The community is invited to actively participate in the Bottle Solution initiative, engage in the Plog and Talk series, and support MCC garbage collectors. By collectively taking these small but impactful steps, the community can contribute to the ongoing efforts to preserve the beauty and ecological health of Kukkarahalli Lake and its surroundings.

The Kukkarahalli Lake Cleanup Chronicles exemplify a transition from awareness to actionable steps, showcasing the power of community engagement in addressing environmental challenges. The hope is that these initiatives inspire similar efforts in other communities, fostering a culture of responsibility and sustainability.

Report on WORLD HEART DAY CELEBRATION 15/10/2022

Embracing the themes of love, life, and laughter, we marked the special occasion of World Heart Day and International Day of Older Persons with a heart-warming visit to the "Little Sisters of the Poor" old age home. The day was dedicated to spreading joy, fostering connections, and sharing the importance of heart health with the elderly residents.

The atmosphere at the old age home was infused with warmth and positivity as volunteers engaged in activities that celebrated life and emphasized the significance of maintaining a healthy heart. The day kicked off with dancing to the rhythm of life and singing melodies of togetherness, creating an ambiance filled with love and laughter.

The central focus of the day was the shared understanding of the importance of heart health. We took the opportunity to convey valuable information about maintaining a healthy lifestyle to promote overall well-being, especially in the context of heart health. Through interactive sessions and discussions, the volunteers aimed to empower the elderly residents with knowledge and tools to prioritize their cardiovascular health.

A heartening highlight of the day was the collective dance session, where both volunteers and the seniors joined in the festivities. The joyous dance underscored the idea that age is merely a number when it comes to spreading happiness, and the resilience of the elderly participants was truly inspiring.

The visit aimed not only to bring joy to the residents but also to honor the wisdom, love, and resilience of our elderly friends. As everyone danced and celebrated, it became evident that every heartbeat and every moment holds significance, emphasizing the importance of cherishing and valuing the experiences of our older community members. We express gratitude to the residents and staff of "Little Sisters of the Poor" for welcoming the team with open hearts. The success of the day was a collective effort, and the organization looks forward to continuing its commitment to uplifting and celebrating the lives of older persons in the future.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on DIYAS SPEAK held on 25/10/2022

In celebration of Diwali, we introduced its flagship initiative, "Diyas Speak," a heartfelt endeavor dedicated to catalysing positive change in the lives of deserving children from diverse backgrounds—urban, rural, and disabled communities.

The event commenced with a ceremonial lighting of diyas, symbolizing the triumph of light over darkness and setting the stage for the transformative impact that Diyas Speak aimed to achieve. The initiative reached out to children through tailored programs, including educational workshops, skill development sessions, and recreational activities, addressing the unique needs of each group. A comprehensive impact assessment showcased the profound influence of our initiatives on countless lives, reflecting positive changes in educational attainment, skill acquisition, and overall well-being.

Diyas Speak also fostered community engagement and collaboration, spreading the spirit of Diwali and promoting a sense of unity and collective responsibility. The event culminated with success stories and testimonials, expressing gratitude to all contributors and stakeholders for making Diyas Speak a shining example of compassion, empathy, and the transformative power of community-driven initiatives.

As the light of Diyas Speak continues to resonate in the hearts of children, this Diwali promises a brighter and more hopeful future for all.

ABOUT THE ORGANIZATION

HDFC Bank, India's leading private sector bank had held a nation-wide 'Blood Donation Drive' on 3rd December 2022. This is one of the annual campaigns of HDFC Bank leading to healthcare initiative under its flagship CSR program #Parivartan. In its 14th year, blood donation camps are organized at over 5,500 centers in 1,150 cities across India (This includes large corporates, colleges and bank branches).

The Bank had tied up with local hospitals, blood banks and, colleges across these cities for technical and functional assistance. Over 1,200 colleges across the country had been assigned as donation centers.

HDFC Bank #Parivartan is committed to bring about a positive change in society. The all-India Blood Donation Drive is their sincere effort in this direction and is aimed at creating awareness about the importance of Blood Donation. A single unit of blood can save up to 3 lives. Blood Donation can save millions of lives, and it is the next generation that needs to drive this message in the years to come.

PARIVARTAN

A step towards progress

The Indian Red Cross is a voluntary humanitarian organization having a network of over 700 branches throughout the country, providing relief in times of disasters/emergencies and promotes health & care of the vulnerable people and communities.

DIAMOND JUBILEE YEAR :: 1963 - 2023

**Report on INTERNATIONAL DAY OF PERSONS WITH DISABILITIES EVENT on
07/12/2022**

On the occasion of the International Day of Persons with Disabilities, we orchestrated a remarkable event aimed at fostering awareness and inclusivity. The event took place at Devdan, where students with special needs were treated to an engaging Environmental Awareness session and a creative leaf painting activity.

The ethos of the event was encapsulated in the slogan: "Able" does not mean "abled," and "Disabled" does not mean less able." These powerful words echoed throughout the day, emphasizing the importance of recognizing the unique abilities and potential within each individual, regardless of their visible or invisible disabilities.

This year's theme, "transformative solutions for inclusive development," served as the guiding principle for our endeavors. The organization demonstrated a strong commitment to dismantling barriers and fostering a society that embraces diversity and inclusion.

The highlight of the event was the palpable joy and enthusiasm radiating from the students of Devdan. Their glowing faces spoke volumes about the positive impact of such initiatives on their lives. The Environmental Awareness session not only imparted valuable knowledge but also instilled a sense of responsibility towards the environment.

The leaf painting activity proved to be a creative outlet for the students, allowing them to express themselves through art. The vibrant and expressive artworks served as a testament to the untapped talents within the special needs community.

In conclusion, the International Day of Persons with Disabilities event organized by us stands as a shining example of how proactive initiatives can contribute to building a more inclusive and compassionate society. As we celebrate the achievements of this event, let us continue to protect the rights of individuals with disabilities, reform societal attitudes, and oppose any form of discrimination. Cheers to a future where inclusivity is the norm, and diversity is celebrated.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on CHRISTMAS DAY CELEBRATION on 25/12/2022

In the spirit of spreading joy and warmth during the festive season, Project Reach Out extended heartfelt Christmas wishes to everyone, accompanied by a special celebration at the Palliative Care Centre in Mysore. The occasion was marked by the distribution of Christmas muffins and shared moments of joy through song.

Celebrating the Spirit of Christmas:

The team at Project ReachOut orchestrated a meaningful Christmas celebration at the Palliative Care Centre, recognizing the importance of bringing comfort and joy to those facing chronic diseases or terminal illnesses. The event aimed to uplift the spirits of the patients and create a festive atmosphere within the caregiving environment.

Activities and Initiatives:

1. Christmas Muffin Distribution:

Patients at the Palliative Care Centre were treated to the delightful surprise of Christmas muffins, adding a touch of sweetness to their celebrations. The gesture was a simple yet heartfelt way to share the festive joy and show solidarity with individuals navigating health challenges.

2. Singing and Communal Joy:

Project ReachOut volunteers engaged in singing with the patients, fostering an atmosphere of togetherness and joy. The shared moments of music and celebration created a sense of unity and community, contributing to the overall well-being of the patients during the festive season.

Palliative Care and Project ReachOut's Mission:

Palliative care, as exemplified by the Palliative Care Centre in Mysore, is a compassionate approach that enhances the quality of life for patients and their families facing chronic or terminal illnesses. The caregivers play a crucial role in providing support, addressing pain—be it physical, psychosocial, or spiritual—and offering practical assistance and bereavement counselling.

1. *Chlorophyll a* (Chl a) is the primary photosynthetic pigment in most plants and algae. It is a green pigment that absorbs light energy in the blue and red regions of the visible spectrum. Chl a is essential for the light-dependent reactions of photosynthesis, where it converts light energy into chemical energy in the form of ATP and NADPH.

Report on Christmas Celebrations at Chayadevi Ashram held on 26-12-2022

The Christmas celebrations at the orphanage home were a heartwarming event organized by the NGO, U&I Org, wherein several JSSSTU students played an active role. The festivities included joyous activities such as decorating the Christmas tree, exchanging gifts, and engaging in holiday-themed games. Volunteers and caretakers, including the enthusiastic participation of JSSSTU students, ensured a delightful feast and a memorable Christmas experience for the children. This collaborative effort not only brought festive cheer to the orphanage but also highlighted the spirit of compassion and community nurtured by organizations like U&I.

The participation of JSSSTU students in organizing the Christmas celebrations at the orphanage home added an extra layer of enthusiasm and care to the event. Beyond the festive activities, the students took the initiative to create a warm and inclusive environment, fostering meaningful connections with the children.

The NGO, U&I Org, showcased the impact of collaborative efforts in spreading joy and creating lasting memories during the holiday season. This event exemplifies the positive influence that dedicated volunteers, especially those from educational institutions like JSSSTU, can have on the well-being and happiness of those in need.

In conclusion, the Christmas celebrations at the orphanage home, orchestrated by U&I Org with active involvement from JSSSTU students, epitomized the true spirit of the season. The event not only brought festive joy through decorations, gifts, and games but also demonstrated the power of community collaboration and compassion. The dedication of the volunteers, particularly the students, went beyond festivities, creating a heartfelt and inclusive atmosphere for the children. This endeavor by U&I Org and JSSSTU students stands as a shining example of how collective efforts can make a meaningful impact, spreading happiness and creating lasting memories during special occasions.

Report on awareness program - "Ending Child Marriage: Empowering Communities for Change" held on 08-01-2023

Objectives of the program:

1. Raise awareness about the harmful impacts of child marriage on individuals, families, and communities.
2. Educate communities about the legal, health, and social consequences of child marriage.
3. Empower individuals, especially young girls, to recognize their rights and resist child marriage.
4. Mobilize community support to end the practice of child marriage through advocacy and policy change.

Program Components:

1. Introduction:

- Welcome and introduction of the program's objectives.
- Statistics and facts about child marriage globally and within the community.

2. Understanding Child Marriage:

- Definition and types of child marriage.
- Causes and consequences of child marriage on health, education, and socioeconomic development.
- Cultural and social norms contributing to the perpetuation of child marriage.

3. Legal Framework and Rights:

- Overview of international conventions and national laws protecting children from marriage.
- Discussion on the legal age of marriage and consent laws.
- Rights of children, particularly girls, regarding education, health, and protection from violence.

4. Health Risks and Consequences:

- Health implications of early pregnancy and childbirth on both mothers and babies.
- Psychological effects of child marriage on young girls.

Report on "Protecting Our Future: Polio Vaccination Awareness Campaign" held on

17/01/2023

Objective: To raise awareness about the importance of polio vaccination, dispel myths and misconceptions surrounding vaccination, and encourage widespread participation in vaccination drives.

Key Messages:

1. Polio vaccination is safe, effective, and essential for protecting children from lifelong paralysis caused by poliovirus.
2. Vaccination not only protects individual children but also contributes to the eradication of polio globally.
3. Vaccines have undergone rigorous testing and are continuously monitored for safety.
4. Community participation is crucial for achieving and sustaining high vaccination coverage rates.

Awareness Activities:

1. **Educational Workshops:** Conduct workshops in communities, schools, and healthcare facilities to provide information about polio, the importance of vaccination, and address common concerns.
2. **Informational Materials:** Distribute flyers, brochures, and posters in local languages explaining the benefits of polio vaccination and addressing common misconceptions.
3. **Social Media Campaign:** Utilize social media platforms to share informative posts, videos, and infographics about polio vaccination, engaging with parents and community members.
4. **Community Events:** Organize events such as health camps or community gatherings where healthcare professionals can provide information, answer questions, and administer vaccines.
5. **Media Outreach:** Partner with local media outlets to feature stories, interviews, and public service announcements highlighting the importance of polio vaccination.
6. **Engage Religious and Community Leaders:** Collaborate with religious leaders and community influencers to promote vaccination acceptance and address cultural or religious concerns.

- Identified as lead institution for World Bank Assistance under TEQIP Scheme

7. **School Programs:** Work with schools to incorporate vaccination awareness into the curriculum, educating children about the importance of immunization and encouraging them to remind their parents about vaccination schedules.

Monitoring and Evaluation:

1. **Surveys:** Conduct surveys before and after the campaign to assess changes in knowledge, attitudes, and behaviors related to polio vaccination.
2. **Vaccination Coverage:** Monitor vaccination coverage rates in target communities to evaluate the impact of the awareness campaign.
3. **Feedback Mechanisms:** Establish channels for feedback and questions from the community to address concerns and improve the effectiveness of future campaigns.

Conclusion: By implementing a comprehensive awareness program, we can empower communities to make informed decisions about polio vaccination, ultimately contributing to the global effort to eradicate this debilitating disease. Together, let's protect our children and future generations from the threat of polio.

NOTE

COORDINATORS – SCIENCE EXHIBITION, SUTTUR JATHRA MAHOTSAVA

1. The following members of faculty have been nominated as the 'Coordinators' to coordinate the activities of the institution in the 'Science Exhibition of Suttur Jathra Mahotsava' to be held in January 2023.

1.	H G Vivekprasad, CTM
2.	N Manju, IS
3.	R J Prathiba, IS
4.	N Shivaprasad, EC
5.	Yashwanth S D, EC
6.	Chandrashekar Murthy B N, EC
7.	Nandeesh H D, CS
8.	Deepa S N, EEE
9.	Channabasavanna, MECH
10.	Bindu A S, MECH
11.	Darshan M, CV
12.	Anusha, EI

2. The Coordinators are informed to meet Sri H G Vivekprasad, Department of CTM to finalize the Projects to be displayed along with the concerned students. Also the faculty should be present in the 'Science Exhibition' at Suttur as per the schedule. Further details will be shared by Sri H G Vivekprasad.

Participation Report Suttur Jathra Science Exhibition-2023

JSS Science & Technology University, Sri Jayachamarajendra College of Engineering participated in Suttur Jathra Science Exhibition held from 18th to 23rd January 2023 at Suttur. A team of faculty members namely Vivek Prasad H G, Manju.N, R J Prathiba, N Shiva Prasad, Yashwanth S.D, ChandraShekar Murthy B.N, Nandeesh H D, Deepa S N, Channabasavanna S G, Bindu A S, Darshan M, Anusha M U co-ordinated the event.

The exhibition was able to provide a common platform for students, teachers and common man to give shape to novel and innovative ideas so as to learn from each other's experiences for leading a quality life.

Themes of the event included smart Technologies, concepts and ongoing research activities at SJCE, JSSSTU and creating social awareness to general public.

The following prototype of projects was made available for display, working principles its uses, needs to society was explained by students of our institute.

- IOT Enabled smart fauset.
- Water cleaning bot
- Jeevan Rakshak.
- Autonomous car.
- AGRIBOT.
- Intelligent Solar Oxygen Tree using Embedded Technology
- Automatic plant watering system with IOT.
- Prototype of IOT based DC micro grid automation.
- Electric Tiller powered by Solar Energy
- Immunity
- Antigen and structure
- Lymphoid organs
- Smart Energy Meter Using IoT.
- T rna model
- Plant Optimization Model
- Hybrid Vehicle

- IOT based Garbage Monitoring System
- Fabrication of paneer making machine
- Simulation and fabrication of tripping system for LT side of distribution transformer for controlling and monitoring of distribution lines
- Smart Agriculture Monitoring System Know your water
- Water supply system
- Dissolved oxygen
- Lux meter
- Noise meter
- Microbial air sample
- Colour removal
- Sludge drying bed
- Composting using aerobic method
- Face mask detection using CNN Using IOT
- IOT Based Health Monitoring System
- IOT based Smart Distribution Transformer
- Kannada and Sanskrit chandassu
- Home composting pots
- Solid waste management

Awareness program was also conducted on the following topics

- Network and Mobile Security
- Internet of Things
- Utilization of waste materials in construction.

People gave positive responses over the useful information made available in the expo and many of the projects got very good appreciation by the visitors and judges. They expressed their urge to implement these for their real time application. The effort of the institution with regard to this was appreciated by the judges and awarded JSS Science and Technology University, Sri Jayachamarajendra College of Engineering team with first prize at the Suttur Jathra Science Exhibition-2023.

Report on "Ripple Effect: Clean Rivers, Healthy Communities" held on 29-01-2023

The importance of river cleaning and exploring ways in which each of us can contribute to this crucial cause. Our rivers are not just bodies of water; they are lifelines that sustain ecosystems, provide drinking water, support local economies, and offer recreational opportunities for millions. However, due to pollution and neglect, many of our rivers are in distress.

Importance of Cleaning Rivers:

1. **Ecosystem Health:** Rivers are home to diverse flora and fauna. Cleaning them ensures the survival of countless species and maintains the delicate balance of our ecosystems.
2. **Human Health:** Contaminated rivers pose serious health risks to communities living nearby. Clean water is essential for drinking, cooking, and sanitation.
3. **Economic Impact:** Industries such as tourism, fishing, and agriculture rely on clean rivers for their livelihoods. By protecting our waterways, we safeguard these economic activities.
4. **Community Well-being:** Access to clean, natural spaces has been linked to improved mental health and overall well-being. Clean rivers enhance our quality of life and provide recreational opportunities for all.

Challenges Facing Our Rivers:

1. **Pollution:** Industrial waste, agricultural runoff, and plastic pollution are major contributors to river contamination.
2. **Lack of Awareness:** Many people are unaware of the extent of river pollution or how their actions contribute to it.
3. **Inadequate Infrastructure:** Insufficient waste management systems and outdated sewage treatment plants exacerbate river pollution.

Conclusion:

In conclusion, the health of our rivers is a shared responsibility that requires collective action. By working together to clean and protect these vital resources, we can ensure a brighter, healthier future for generations to come. Let's harness the power of our collective efforts to create a ripple effect of positive change in our communities.

Report on Awareness Programme (Tree Plantation)

JSS Science and Technological University, Mysore, visited a village Chennanjanayanundi, (situated near Nanjangud) on 05/02/2023 to create awareness amongst the villagers on water conservation and ban on single use plastic by making posters, surveying questions and interacting with school children's and tree plantation was among the visit.

The main objective of this visit is to create awareness on issues of cleanliness, sanitation or related topics amongst the citizens in rural background and to initiate qualitative swachhhta improvements in their respective jurisdictions. The village, which was recently adopted by JSS has a small government school where all the students and the elders of the village gathered to attend the event. The event mainly included the following things - firstly, creating awareness amongst the villagers to conserve water, explaining the different and simplistic methods of conserving water and the importance of drinking clean and purified water were also discussed. Secondly, they were explained about the harmful effects of plastic usage, and the importance of using eco-friendly and sustainable cloth, jute or paper bags which are the best replacement for plastic bags and were encouraged to use these instead of the plastics. Tree plantation was done in village which included useful tree species like Bevu, Bettad nellikai etc.

Benefits of Plantation:

There are many reasons why we love trees and planting trees but the most important reason is that trees **provide us with two of life's most essentials: food and oxygen.** Some of the advantages of planting trees are that they provide food, protection and homes for many birds and mammals.

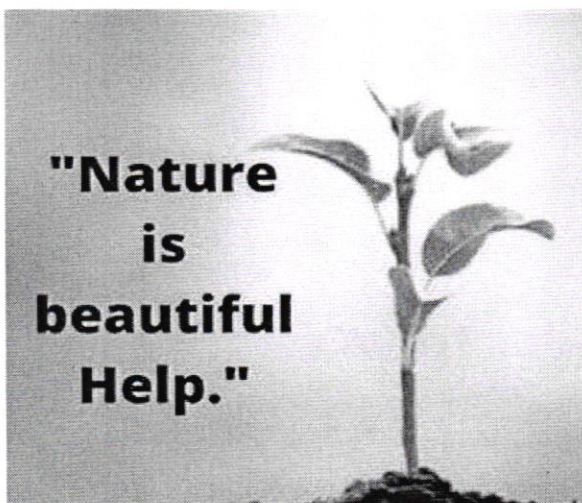

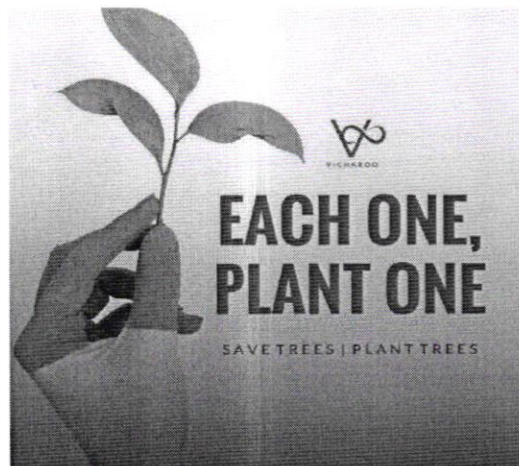

- Cleaner air across the areas. The more trees there are, the cleaner the air will be.
- Trees and forests can provide natural filtration, resulting in cleaner water.
- Controlled temperatures.
- A new habitat for wildlife.

DIAMOND JUBILEE YEAR :: 1963 - 2023

It could be to promote digital transactions, educate on the use of Google Pay, and encourage financial literacy, our team explain the concept of digital transactions and their importance, also benefits of going cashless and live demonstrations for hands-on experience. Allow participants to practice using Google Pay with guidance, Encourage participants to ask questions and clarify doubts, Include interactive activities such as quizzes, role-plays, or games related to digital transactions.

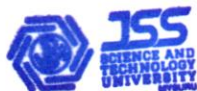

In an era of digital transformation, the adoption of digital payment methods is pivotal for fostering financial inclusivity and enhancing economic efficiency. Google Pay, a popular mobile payment platform, offers a convenient and secure way for users to make transactions digitally. Recognizing the importance of promoting digital literacy and encouraging the use of digital payment solutions, an awareness program was initiated to educate users about the benefits and functionalities of Google Pay.

Objectives:

1. Raise awareness about the advantages of digital transactions and the role of Google Pay in facilitating seamless payments.
2. Educate users on how to set up and use Google Pay securely.
3. Encourage the adoption of digital payment methods among individuals and businesses.

Program Implementation: The awareness program was executed through a series of initiatives including:

1. Workshops and Seminars: Conducted interactive workshops and seminars in collaboration with local community centers, educational institutions, and businesses to educate participants about the benefits and features of Google Pay. Topics covered included setting up accounts, making transactions, security measures, and troubleshooting common issues.
2. Digital Marketing Campaigns: Launched targeted digital marketing campaigns leveraging social media platforms, email newsletters, and online advertisements to reach a wider audience. The campaigns focused on highlighting the convenience, security, and versatility of Google Pay as a digital payment solution.
3. Informational Materials: Developed and distributed informational materials such as brochures, pamphlets, and posters featuring step-by-step guides, tips for safe transactions, and QR codes for easy access to Google Pay download links.
4. In-store Promotions: Collaborated with retail partners to promote Google Pay usage through in-store promotions, discounts, and incentives for customers who made transactions using the platform.

REPORT ON STUDENT OUTREACH PROGRAM BY NSS WING OF JSSSTU

Organized by: SJCE JSSSTU NSS Unit Student Group, in association with Youth for Seva

1. Introduction: The School Outreach Program on Water Conservation and Waste Management was organized by a group of enthusiastic students from SJCE College NSS wing, with the aim of creating awareness among government school students about the importance of conserving water and effectively managing waste. The program took place at five different government schools of the city, where Number of students from different classes participated.

2. Objectives: The primary objectives of the outreach program were as follows:

- To educate students about the significance of saving water and its direct impact on the environment and future generations.
- To raise awareness about proper waste management practices to minimize environmental pollution and health hazards.

3. Program Activities: The outreach program consisted of a variety of activities designed to engage and educate the government school students effectively:

3.1 Presentation and Interactive Session: A well-prepared presentation was delivered by the SJCE college students, covering topics such as the water cycle, water scarcity, and simple water-saving tips. An interactive session followed, allowing the government school students to ask questions and share their thoughts on the subject.

3.2 Hands-On Demonstrations: Practical demonstrations were conducted to illustrate the importance of water conservation and waste management. This included showcasing the amount of water wasted through leaky taps and inefficient water usage. Additionally, waste segregation techniques were demonstrated, emphasizing the need to separate different types of waste for proper disposal and recycling.

3.3 Creative Competitions: To encourage active participation, creative competitions were organized, such as drawing and poster-making contests. The themes of the competitions were centered around water conservation and waste reduction. The students exhibited their artistic skills while conveying important messages.

3.4 Skits and Role-plays: SJCE college students prepared and performed short skits and role-plays that showcased real-life scenarios related to water wastage and waste mismanagement. These performances effectively conveyed the consequences of irresponsible behavior and the positive impact of adopting eco-friendly practices.

4. Impact: The outreach program yielded several positive outcomes:

- **Increased Awareness:** The government school students gained a deeper understanding of the importance of water conservation and proper waste management.
- **Behavioural Change:** Many students expressed their commitment to implementing the lessons learned in their daily lives, including at home and in school.
- **Knowledge Dissemination:** The participants were equipped with valuable information that they could share with their families, friends, and communities.
- **Inspiration:** The SJCE college students' efforts served as an inspiration for the government school students, motivating them to take an active role in environmental conservation.
- **5. Conclusion:** The School Outreach Program on Water Conservation and Waste Management successfully achieved its goals of raising awareness and educating government school students about sustainable practices. The collaboration between SJCE college students and government school students fostered a sense of responsibility toward the environment. It is essential to continue organizing such initiatives to ensure a greener and healthier future for all.
- **6. Acknowledgments:** We extend our heartfelt gratitude to the Principal's of All the government schools for allowing us to conduct the outreach program. Special thanks to all the SJCE college students who dedicated their time and effort to make this event impactful and memorable.

Report on - Empower Your Voice: A Voting Rights Awareness Program held on

29-02-2023

Introduction: Volunteers welcome the public to "Empower Your Voice," a comprehensive awareness program designed to highlight the significance of voting rights. In this program, we will delve into the importance of voting, its historical context, and how every individual can actively participate in shaping the future of their community and country.

Understanding the Importance of Voting

1. **Democracy and Civic Responsibility:** Discuss the fundamental principles of democracy and how voting is a cornerstone of this system. Emphasize the idea of civic responsibility and how each vote contributes to the collective voice of the people.
2. **Impact of Voting:** Illustrate how voting influences policy decisions, governance, and societal progress. Highlight real-life examples of how elections have shaped the course of history and brought about positive change.

Historical Context of Voting Rights

1. **Struggles for Suffrage:** Explore the historical struggles for voting rights, including the suffrage movements for women, minorities, and marginalized communities. Discuss key milestones such as the Voting Rights Act of 1965 and its impact on expanding access to voting.
2. **Challenges and Progress:** Address ongoing challenges to voting rights, such as voter suppression tactics and barriers to access. Highlight the importance of remaining vigilant in safeguarding these rights and the progress that has been made in overcoming obstacles.

Overcoming Barriers to Voting

1. **Voter Education:** Provide resources and information on voter registration, polling locations, and the voting process. Empower individuals with knowledge on how to navigate potential barriers and exercise their right to vote effectively.
2. **Community Engagement:** Encourage community involvement in voter registration drives, outreach efforts, and grassroots initiatives. Emphasize the collective power of communities in driving voter turnout and effecting change.

Report on "Clean Streets, Bright Future: A Roadside Cleaning Awareness Campaign"
held on 05/03/2023

Introduction: Begin by highlighting the importance of clean streets for community health, safety, and environmental sustainability. Emphasize that roadside cleanliness is everyone's responsibility and that small actions can make a big difference.

Key Points:

1. Environmental Impact:

- Explain how littering affects the environment, including pollution of soil, waterways, and harm to wildlife.
- Discuss the role of roadside cleaning in preserving local ecosystems and biodiversity.

2. Health and Safety:

- Address the health hazards posed by litter, such as disease transmission and pest infestation.
- Stress the importance of clean streets in preventing accidents and injuries caused by debris.

3. Community Pride:

- Highlight the link between clean surroundings and community pride, fostering a sense of ownership and belonging.
- Encourage residents to take pride in their neighborhoods by keeping them clean and beautiful.

4. Economic Benefits:

- Explain how clean streets can attract businesses, tourists, and investment, boosting the local economy.
- Discuss the cost savings associated with reduced litter cleanup and maintenance expenses.

Action Plan:

1. Education and Outreach:

- Conduct workshops, seminars, and community meetings to raise awareness about the importance of roadside cleaning.

A REPORT ON INTERNATIONAL WOMEN'S DAY CELEBRATION 2023

Title of the event: Thanks giving Event as a token of gratitude for all Housekeeping staff and Maintenance staff on behalf of “**International Women's Day 2023**”

Date: March 8th 2023, 4 pm onwards

Venue: SJCE Auditorium, SJCE, JSSSTU, Mysuru

No. of Participants: 93

Description: Dr. Sadashiva Murthy B. M., Professor and Head, Department of Environmental Engineering, along with the other department staff organized “A Thanks giving Event on behalf of International women's day 2023, as a token of gratitude for all Housekeeping staff and maintenance staff of JSSSTU, Mysuru for keeping our campus clean and green”. In the presence of Principal, Dr. S B Kivade, the program was started up with the brief talk on the importance of women in life, role of women working in our campus (Housekeeping staff and Maintenance staff) who are helping in maintaining the cleanliness of our campus and thanking them for their contribution. This was followed up by volunteered speech by Faculty as well as students regarding Women’s day after which mini celebration with cake cutting was carried out along with distribution of snacks and high tea for all.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on Awareness of Millets, Distribution Millets and General Health Check-up held on 19-03-2023

The JSSSTU organizing an awareness focusing creating awareness about millets, distributing millets and conducting general health checkups. The program is generally a voluntary program aimed at developing the personality and character of students through community service. It often involves various activities such as awareness of millets, health checkups.

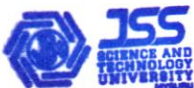

Lat:12.345575, Long:76.636041

Our team explains about rich nutrients like fiber, vitamins, and minerals. They are gluten-free and have a low glycemic index, making them suitable for people with gluten sensitivity or diabetes. General health checkups are crucial for maintaining overall well-being. They can help identify potential health issues early, allowing for timely intervention and prevention. The frequency of health checkups varies based on factors such as age, gender, family history, and existing health conditions.

Activities:

1. Presentation on the Importance of Millets: A nutritionist delivered a comprehensive presentation highlighting the health benefits of including millets in the diet. Information about the nutritional value, versatility, and culinary uses of different types of millets was shared.

Awareness Program on Active Youth Participation in Elections and Its Importance - Organized by District Administration, in Association with NSS wing of JSSSTU

Date: [06/04/2023] **Venue:** Palace Grounds

Introduction: On 06/04/2023, a significant awareness program on "Active Participation of Youth in Elections and Its Importance" was organized by the district administration at Palace Grounds in Mysuru. The event aimed to engage and motivate young individuals to understand their role in the democratic process and encourage their active involvement in elections.

Session Highlights: The program commenced at [7.00 am] with an enthusiastic opening address, Representatives of the district administration. Highlighted the vital role of the youth in shaping the future of the nation through their active participation in the electoral process.

The guest speaker for the event was the eminent cricketer and motivational speaker, Mr. Javagal Srinath. Mr. Srinath took the stage and captivated the audience with his insights and experiences:

1. **Empowering Youth through Voting:** Mr. Srinath emphasized that the youth are the driving force behind any societal change. He explained how voting is a powerful tool

Report on outreach activities: Educational Trip to Sri Chamarajendra Zoological Gardens held on 09.04.2023

U&I Org, in collaboration with JSSSTU students, organized a enriching educational trip to Mysore Zoo for the students from Chayadevi Trust orphanage. The excursion provided a unique learning experience, allowing the children to explore and discover the diverse world of wildlife. JSSSTU students actively engaged with the orphanage residents, offering insights into animal behavior, conservation, and environmental awareness. This initiative not only expanded the educational horizons of the children but also showcased the positive impact of collaborative efforts in fostering holistic development.

During the educational trip to Mysore Zoo, JSSSTU students actively facilitated interactive sessions, turning the visit into an engaging learning opportunity. The children from Chayadevi Trust orphanage had the chance to connect theoretical knowledge with real-world experiences, deepening their understanding of biodiversity and conservation. U&I Org's commitment to such initiatives, combined with the enthusiastic participation of JSSSTU students, created a memorable and educational outing. The trip exemplified the potential of collaborative efforts in providing underprivileged students with access to enriching experiences that contribute to their overall development.

In conclusion, the educational trip to Mysore Zoo organized by U&I Org, with active involvement from JSSSTU students, was a resounding success. The initiative not only exposed the children from Chayadevi Trust orphanage to the wonders of wildlife but also provided a platform for interactive learning and engagement. JSSSTU students played a pivotal role in making the trip educational and enjoyable, demonstrating the positive impact of collaborative efforts in broadening the horizons of underprivileged students. The outing exemplifies the potential of partnerships between educational institutions and NGOs to create transformative experiences that contribute to the holistic development of those in need.

Integrate discussions on social issues and current affairs in General Knowledge sessions. This can create awareness among students and instill a sense of responsibility towards society.

Relate the subjects to real-world applications. For example, incorporate practical examples from daily life, relate Maths problems to community issues, and use English to discuss relevant topics. This approach helps students see the practical value of their education.

Recommendations:

1. Encourage regular practice sessions in Hindi to improve oral fluency.
2. Provide additional exercises and challenges in Maths to strengthen problem-solving skills.
3. Offer opportunities for creative writing and exploration of different literary genres in English.
4. Foster a culture of curiosity and inquiry to further enhance general knowledge.

14.02.2024 16:20

Systematic Voters' Education and Electoral Participation program (SVEEP) is the flagship program of the Election Commission of India (ECI) for voter education, spreading voter awareness and promoting voter literacy in India. Since 2009, ECI has been working towards preparing India's electors and equipping them with basic knowledge related to the electoral process. SVEEP's primary goal is to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections. The programme is based on multiple general as well as targeted interventions which are designed according to the socio-economic, cultural and demographic profile of the state as well as the history of electoral participation in previous rounds of elections and learning thereof.

The event was conducted in the campus of JSS STU on 21 April 2023. The agenda of the event included address by the delegates, pledge taking followed by street play. In this campaign, pledge was administered by the MCC officials to the students and staff of SJCE, JSS STU that signifies their commitment to exercising their right to vote responsibly. The pledge included promises to (1) vote in every election, (2) vote without fear or favour, (3) abide by the principles of democracy, (4) encourage others to vote, and (5) uphold the integrity of the electoral process.

Street play performed on stage addressed the general public negligence in participating in the election process and the importance of exercising voting rights by every citizen in this democratic country. The street play performed as part of this awareness campaign was very creative and effective.

11:00 am - Arrival of the dignitaries, welcome address and introduction
11:15 am - About the program – Resource Person
11:30 am – Administering of pledge
11:40 am – Street play
12:00 am - Presidential remarks

Report on blood donation camp

Indian Red Cross society JSS S&TU, SJCE in association with Jeevan Bindhu, a club acting as a bridge between blood donor and recipients, organized a blood donation camp on the 29th of April, 2023. The college extended its support and permitted the camp to be conducted in the Mechanical Auditorium. The beds, banners and all the other necessary items were arranged a day before.

On the day of the camp, firstly, the auditorium was cleaned to maintain hygiene. Few volunteers were recruited in order to give a helping hand. The nurses and doctors arrived at around 9.30 a.m with hospital staff, the college faculty, organizers and volunteers made the necessary arrangements. Two hospitals were involved, JSS Hospital and K.R, Hospital. The donors were given certificates, apple, and juice after donating the blood.

Lat 12.31428°, Long 76.612738°

IRCS, Jeevan Bindhu volunteers and Hospital staff

Firstly, online registered donors at Jeevan Bindhu website were allowed to donate which was then followed by unregistered donors. They were guided

inside the auditorium to check their weight as those above 50kg were only eligible to donate. This was followed by a series of tests like BP check, blood grouping check and Haemoglobin test. These tests were to know whether the person is fit enough to donate or not. The donors were served the refreshments and they had to take rest for some time. Even the staff members also donated in this blood donation camp. The camp was winded up by 1.30 p.m.

More than 35 students and staff joined together for the noble cause and donated blood. It was a successful event that surely would have made an impact to someone's life and overall, to the society.

and social welfare can lead to a stronger nation. He shared examples of policies that have positively transformed societies through active citizen engagement.

Overcoming Apathy: The speaker addressed common reasons for voter apathy and offered strategies to overcome them. He stressed the importance of inspiring one's peers to participate actively, creating a culture of political awareness and involvement.

Conclusion: The awareness program concluded with a Q&A session, where students engaged in thought-provoking discussions with Prof. Monish Kumar K. The event succeeded in enlightening the students about their pivotal role in the democratic process and how their active participation can shape the future of their country. Prof. Monish's insights and practical advice left a lasting impact on the attendees, motivating them to take a more active interest in elections and democratic governance.

Report on "Safe Streets: Road Signals Awareness" held on 07/05/2023

Objectives:

1. Educate children about various road signals and signs.
2. Raise awareness about pedestrian safety and traffic rules.
3. Instill responsible road behavior from an early age.
4. Empower children to become advocates for road safety within their communities.

Program Components:

1. Interactive Workshops:

- **Introduction to Road Signals:** Explain the purpose and importance of road signals.
- **Types of Road Signals:** Teach children about traffic lights, stop signs, yield signs, pedestrian crossing signs, etc.
- **Meanings and Actions:** Discuss what each signal means and what action to take when encountering them.
- **Role-Playing Exercises:** Engage children in scenarios where they must identify signals and respond correctly.

2. Visual Aids and Materials:

- **Flashcards:** Use colorful flashcards with road signals and their meanings.
- **Videos:** Show animated videos illustrating various road signals and safe road behaviors.
- **Coloring Activities:** Provide coloring sheets featuring road signs for hands-on learning.
- **Storybooks:** Use storybooks with road safety themes to engage children and reinforce lessons.

3. Field Trips:

4. Guest Speakers:

5. Games and Activities:

- **Road Safety Board Games:** Create board games incorporating road signals and safe road behaviors.
- **Outdoor Activities:** Organize relay races or scavenger hunts that involve identifying and obeying road signals.
- **Role-Playing Games:** Encourage children to take on roles such as pedestrians, cyclists, or drivers in simulated road scenarios.

Conclusion:

A road signals awareness program for children can significantly contribute to building a culture of safety and responsibility on the roads. By equipping children with the knowledge and skills to understand and obey road signals, we empower them to navigate their environment safely and become advocates for road safety within their communities.

Report on Yoga Day Celebration Drive - Palace Grounds, Mysuru

Date: [21/05/2023] **Venue:** Palace Grounds, Mysuru

Introduction: The spirit of unity and holistic well-being came alive at the "Yoga Day Celebration" Drive, a collaborative effort between the District Administration and the NSS (National Service Scheme) wing of SJCE (Sri Jayachamarajendra College of Engineering), JSSSTU (Jagadguru Sri Shivarathreshwara University). The event, held at the picturesque Palace Grounds in Mysuru, was graced by the presence of esteemed representatives from the Mysuru District Administration, Zilla Panchayat, Mysuru City Corporation (MCC), Department of AYUSH, Mysore Palace Board, Department of Youth Empowerment and Sports (DYES), Yoga Federations, as well as various Yoga Associations. An array of schools, colleges, non-governmental organizations, and enthusiastic students from SJCE JSSSTU joined the event to celebrate the ancient practice of yoga and its manifold benefits.

Event Highlights: The "Yoga Day Celebration" Drive resonated with the ethos of unity, well-being, and community participation, epitomizing the essence of yoga.

Inauguration: The event was inaugurated by distinguished representatives from multiple organizations, symbolizing the collective effort to promote health and wellness through yoga. The dignitaries highlighted the importance of yoga in fostering physical vitality, mental clarity, and spiritual harmony.

Distinguished Guests:

- **Prof Sunil (SWO):** Prof Sunil underlined the universality of yoga and its potential to bring about transformation in individuals and society as a whole. He applauded the diverse participation that reflected the inclusive nature of yoga.
- **Prof Channabasavanna (NCC Caretaking Officer):** Prof Channabasavanna stressed the discipline and self-awareness instilled by yoga, which aligns with the values propagated by organizations like NCC.
- **Prof Revanna (PDE):** Prof Revanna expressed his appreciation for the synergy between yoga and education, emphasizing how yoga contributes to the holistic development of students.
- **Prof Monish Kumar K (NSS Caretaking Officer):** Prof Monish Kumar K highlighted the active role of NSS SJCE in creating a platform for students to engage in meaningful activities that promote well-being and community service.

Mass Yoga Session: The heart of the event was the mass yoga session led by experienced instructors. Participants, ranging from schoolchildren to college students and adults, came together to practice yoga postures, pranayama, and meditation, creating an atmosphere of tranquility and camaraderie.

Unity in Diversity: The participation of schools, colleges, non-governmental organizations, and students from SJCE JSSSTU showcased the diversity of attendees united by the common goal of embracing yoga for a healthier lifestyle.

Conclusion: The "Yoga Day Celebration" Drive epitomized the transformative potential of yoga in fostering unity, well-being, and holistic development. The collective presence of dignitaries, organizations, schools, colleges, and students underscored the universal appeal of yoga. The event was a true celebration of physical and mental wellness, leaving a lasting impact on participants and reinforcing the profound value of yoga in modern society.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on PLANTATION DRIVE (Awareness Program) held on 05/06/2023

A Day of Planting and Jo our plantation drive was a special day filled with happiness and love for nature! We started by learning about different plants and how they help the environment. Then, we worked together to plough the fields, preparing them for the new plants. When it was time to plant the young saplings, we did it with great care and gentleness.

During our work, we were delighted to see cute calves and playful rabbits nearby. Their presence reminded us of the beauty of nature and why we were doing this. We laughed and bonded as a team, sharing our passion for a greener world. The experience filled us with hope and determination to make a positive change for our planet.

As the day ended, we took a moment to appreciate the beauty of nature and the good we had done. We knew that this was just the beginning of our journey to protect the Earth and create a more sustainable future. With happy memories in our hearts, we left the place, knowing that we had planted seeds of hope and a brighter tomorrow.

Report on Teaching Outreach Program in association with JSSSTU

The workshop, conducted in collaboration with the NGO "U&I Org," featured prominent leaders from the organization as key facilitators. Held on June 28, 2023, the session focused on elucidating the pivotal role of teaching outreach programs in education. Attendees gained valuable insights into the benefits of such initiatives, including improved student learning and strengthened community bonds. Through engaging presentations and discussions led by U&I Org leaders, participants learned about successful outreach initiatives and practical strategies for implementation. The workshop fostered a sense of collaboration with the NGO, highlighting the potential for impactful community partnerships. Participants left with a renewed commitment to integrating teaching outreach into their practices, inspired by the leadership and expertise shared by U&I Org representatives.

The workshop held on June 28, 2023, focused on elucidating the crucial role of teaching outreach programs in education. Attendees gained insights into the various benefits, such as enhanced student learning and strengthened community ties. Through case studies, the workshop illustrated successful outreach initiatives, providing a diverse range of approaches adaptable to different educational contexts. Practical strategies for implementation were discussed, addressing challenges and emphasizing collaborative efforts with local organizations. The session also delved into measuring the impact of outreach programs and fostering community engagement. Participants actively engaged in discussions and interactive sessions, leaving the workshop with a renewed commitment to integrate teaching outreach into their practices, armed with valuable resources for ongoing support and development.

Overall, the workshop successfully conveyed the importance of teaching outreach programs and equipped educators with the knowledge and tools to implement effective initiatives in their communities. Participants left with a renewed commitment to extending their impact beyond the classroom.

DIAMOND JUBILEE YEAR :: 1963 – 2023

Report on Chamundi Hill Ashada Shukravara Swachhata Abhiyana

Plastic has become a problem for the environment presently. Plastic pollution is the accumulation of plastic objects and particles (e.g. plastic bottles, bags and microbeads) in the Earth's environment that adversely affects humans, wildlife and their habitat. Plastics that act as pollutants are categorized by size into micro-, meso- or macro debris. Plastics are inexpensive and durable, making them very adaptable for different uses; as a result, manufacturers choose to use plastic over other materials. However, the chemical structure of most plastics renders them resistant to many natural processes of degradation and as a result they are slow to degrade. Together, these two factors allow large volumes of plastic to enter the environment as mismanaged waste and for it to persist in the ecosystem. Illegal dumping of plastic is a severe problem in our country. If plastic reaches to places where we cannot reach out to clean it, the task becomes even more difficult.

The Chamundi Hills are located 13 km east of Mysore, Karnataka, India. The name comes from the Chamundeshwari Temple at the peak. The average elevation is 1,060 metres (3,480 ft). Named after the Goddess Chamundi, the Chamundeshwari Temple sits atop the main hill. The main hill itself features an ancient stone stairway of 1,008 steps leading to its summit. Chamundi hill is a holy abode where many devotees come. They don't come alone; they come along with plastic which is thrown on the hill. Cleaning the hill is a tedious job. So prohibition of entry of such plastics is one way to avoid this.

**DIAMOND JUBILEE YEAR :: 1963 – 2023**

Chamundi hill is the scared place of Mysurians and the adobe of goddess chamundi. It's the place where people come over from all parts of the state to worship the goddess, it's a beautiful place and during Ashada shukravara devotees had to climb the steps in order to reach the temple. So when they climb they carry plastics along with them and litter all over the place. The hill has a good vegetation cover along the steps of the hill where devotees walk along to reach the temple. They come along with plastic which is thrown on the hill. Cleaning is a difficult job. So prohibition of entry of such plastics is one way to avoid this.

The Ashada Shukravara Swachhata Abhiyana was a volunteering program for cleaning chamundi hill on the account of not allowing single use plastic through the step way of chamundi hill. The Ashada Shukravara Swachh Abhiyan - Chamundi hill was held on the four Fridays of Ashada maasa during the month of June-July 2023. The Ashada Shukravara Swachhata Abhiyan was organised by Clean Mysore Foundation in association with MCC, many NGOs and government organizations were part of it and volunteers of NSS cell, JSSSTU also took part in this program.

DIAMOND JUBILEE YEAR :: 1963 – 2023

NSS, JSSSTU were part of Ashada Shukravara Swachh Abhiyan - Chamundi hill drive in association with Clean Mysore Foundation and NSS volunteers got trained by the Team Head of Clean Mysore Foundation in the campus and they got knowledge on how to handle the crowd along with ban of plastic usage.

ASK ಮೈಸೂರು ಚಾಮುಂಡಿ ಬೆಟ್ಟದಲ್ಲೆ ಅಶಾಧ ಶುಕ್ರವಾರ ಸ್ವಚ್ಛತಾ ಅಭಿಯಾನ

'ನಮ್ಮನ್ನು ರಕ್ಷಿಸುತ್ತಿರುವ ಚಾಮುಂಡಿಯನ್ನು ನಾವು ರಕ್ಷಿಸ ಬೇಕಲ್ಲವೇ?'

ಚಾಮುಂಡಿ ಬೆಟ್ಟವನ್ನು ಉಣಿಸಲು ಮತ್ತು ಯಾವಾಗಲೂ ಸ್ವಚ್ಛವಾಗಿರಲು ಸರ್ಕಾರವು ಕಟ್ಟುನಿಟ್ಟಿನ ಕ್ರಮಗಳನ್ನು ತೆಗೆದುಕೊಳ್ಳುವಂತೆ ಮಾಡಲು ಎಲ್ಲಾ ಸಂಘಟನೆಗಳು ಲೇಖನ ಮಾಡಬೇಕಾಗಿದೆ. ಇಲ್ಲಿನ ಎಲ್ಲಾ ಸದಸ್ಯರು ನಮ್ಮ ಕೆಲಸವನ್ನು ಕ್ಲೀನ್ ಮೈಸೂರು ಫೌಂಡೇಶನ್‌ನಲ್ಲಿ ಸೋಲಿದಾಂಕಿಸುವುದು ಮತ್ತು ನಮ್ಮ ತಾಂತ್ರಿಕ ಚಾಮುಂಡೇಶ್ವರಿಯ ಆಶೀರ್ವಾದವನ್ನು ಪಡೆಯುವುದು.

ಚಾಮುಂಡಿ ಬೆಟ್ಟವನ್ನು ಅರ್ನಾಂಕ ಮತ್ತು ಭಾರತದ ಸ್ವಚ್ಛವಾದ ಬೆಟ್ಟಗಳಲ್ಲಿ ಒಂದಾಗಿ ಮಾಡುವ ಕಾರ್ಯಕ್ಕೆ ಎಲ್ಲಾ ಸಾಗರೀಕರರು.

ಹಿಂದಿನ ಬೆಳಿಗ್ಗೆ ಹಿಂದಿರುಗಿಸಲು ಈ ಅಭಿಯಾನವನ್ನು ಮಾಡಲು ನಾವು ನಿರ್ದೇಶಿಸಿದ್ದೇವೆ. ಮುಂದಿನ ಯೋಜನೆ ಮತ್ತು ಕಾರ್ಯಗಳ ಬಗ್ಗೆ ನಿಮ್ಮಿಗಿರುವ ತಿಳುವಳಿಕೆ.

ಈ ಸೇವೆಗಾಗಿ ಗುರುತಿಸುವುದು ಮಾಡಲು ನಮ್ಮ ಕೆಲಸವನ್ನು ಬೇಗನೆ ತಿಳಿಸುವುದು.

ಕ್ಲೀನ್ ಮೈಸೂರು ಫೌಂಡೇಶನ್
ಕಾರ್ಯಕಾರಿ ಸಮಿತಿ

Subscribe to "Ask Mysuru" YouTube Channel

askmysuru

The duty of volunteers was to not allow single-use plastic through the step way of Chamundi Hill. The Ashada Shukravara Swachhata Abhiyana - Chamundi hill was held on the four Fridays of Ashada maasa in the month of June-July 2023. The volunteers from NSS, JSSSTU took part in 3 weeks of Friday (23rd, 30th June and 7th of July) from 8 am till 4 pm. Volunteers requested the devotees visiting Chamundi Hill by the stairway to show their bags and cooperate with them to avoid use of plastics in Hill. They took away all kinds of plastics they were carrying and in turn they gave them paper bags which is eco friendly and doesn't pollute the temple premises. Some people were supportive and were already aware and did not want to throw the plastic on the ground, whereas some people were able to understand our motive only after some explanation.

DIAMOND JUBILEE YEAR :: 1963 – 2023

Lat 12.286433°, Long 76.663278°

NSS Volunteers took part in Swachhta Abhiyana

The team collected around 150 single-use plastic water bottles from 200 steps of the hill. One of the volunteer did announcement to the devotees about handing over any plastic to the volunteers if any. All of them worked in pair in various stages of the queue to avoid the entry of single use plastic into the step hill. By this volunteering, NSS got exposure and experience in dealing with people of different mindset.

DIAMOND JUBILEE YEAR :: 1963 – 2023

They motivated and educated people about the ban of single use plastic. Most of them carried hot edibles in polyethylene cover, so requested them to not do so by telling them that eating this food may be cancerous. The NSS team persuaded the people to throw the used plastic cover into dustbins only.

NSS team overall experience was very motivational and when team wind up the abhiyan, they had a proud feeling of letting our hands in protecting our mother earth. We are motivated to be part of such volunteering in the future too. We are thankful to our JSSSTU and the organizers for giving up this opportunity. Through this program with dealt with different types of people and it was a very nice experience. We are really thankful the organising team for giving us this opportunity to become a responsible citizen.

REPORT: Cyclothon: Promoting Sustainable Living - JAYCIANA 2023

Date: [02/07/2023]

Venue: [JSSSTU Pot Circle]

Introduction: On 02/07/2023, a significant event was organized by the NSS (National Service Scheme) of SJCE (Sri Jayachamarajendra College of Engineering), JSSSTU (Jagadguru Sri Shivarathreeshwara University), as part of JAYCIANA 2023. The event, a Cyclothon, was designed to promote sustainable living and raise awareness about the importance of adopting eco-friendly practices. The event was inaugurated by Mr. Girish, the Tahsildar of [Mysuru / Karnataka], and was graced by the presence of esteemed personalities including Dr. C Nataraju (Principal, SJCE), Prof. Sunil (SWO), Prof. Shivaprasad, and Prof. Monish Kumar K.

Inauguration: The event was inaugurated by Mr. Girish, the Tahsildar of Mysuru / Karnataka. He highlighted the importance of sustainable living in the face of environmental challenges and praised the efforts of NSS SJCE in organizing such events that contribute to awareness and positive change. He officially flagged off the Cyclothon, symbolizing the beginning of the cycling journey towards a greener future.

Distinguished Guests:

- **Dr. C Nataraju (Principal, SJCE):** Dr. Nataraju addressed the participants, emphasizing the responsibility of educational institutions in promoting sustainable practices. He commended the efforts of NSS SJCE for their initiative in organizing the Cyclothon and encouraged everyone to contribute to the preservation of the environment.
- **Prof. Sunil (SWO):** Prof. Sunil shared his insights on the importance of adopting sustainable living practices in our daily lives. He highlighted the role of students in leading change and creating awareness about environmental issues.
- **Prof. Shivaprasad and Prof. Monish Kumar K (NSS Officers):** The NSS officers shared the organization's vision for the event and its alignment with the larger goal of fostering a culture of sustainability among students. They encouraged active participation and engagement in activities that promote a greener, cleaner planet.

The Cyclothon: The participants embarked on a cycling route that spanned [Specify Route Details], passing through [Highlight Key Landmarks]. The enthusiasm was palpable as cyclists pedaled along the route, proudly displaying banners and placards advocating for sustainable living.

Awareness and Engagement: Throughout the Cyclothon route, participants engaged with spectators, distributed informational pamphlets, and conducted impromptu discussions about the benefits of cycling, reducing carbon footprint, and the significance of embracing eco-friendly practices in daily life.

Conclusion: The Cyclothon organized by NSS, SJCE JSSSTU as part of JAYCIANA 2023 successfully highlighted the importance of sustainable living and eco-conscious choices. The event brought together participants from various backgrounds, creating a platform for meaningful discussions and actions towards a greener future. The presence of esteemed guests added to the event's significance, inspiring all present to contribute towards a more sustainable and environmentally-conscious society.

DIAMOND JUBILEE YEAR :: 1963 - 2023

Report on Raising Funds for Little Sisters of the Poor held on 13/07/2023

In a heart-warming collaboration, we joined hands with the Little Sisters of the Poor to make moments matter, raising funds and spreading smiles. The event aimed to create positive ripples of change, bringing joy and support to the elderly residents under the care of the Little Sisters of the Poor.

The day kicked off with a series of fundraising activities designed to support the noble cause. Volunteers and participants actively engaged in various initiatives, from donation drives to creative fundraisers, all contributing to the common goal of making a meaningful impact.

Participants had the opportunity to spend quality time with the elderly residents of the Little Sisters of the Poor. Interactive sessions, storytelling, and shared activities created moments of connection and warmth, fostering a sense of companionship and love.

Workshops and activities were organized to bring smiles to the faces of the elderly residents. Art and craft sessions, music performances, and laughter-filled games were curated to create a positive and joyful atmosphere, leaving lasting impressions on both volunteers and residents.

A shared meal was organized, creating an atmosphere of camaraderie and togetherness. The act of breaking bread together symbolized unity and solidarity, reinforcing the importance of human connection and shared experiences.

The funds raised during the event were presented to the Little Sisters of the Poor, ensuring that the contributions would go towards enhancing the quality of life for the elderly residents. The act of giving back added a sense of purpose and fulfillment to the entire initiative.

The event concluded with expressions of gratitude from both sides. Residents shared their appreciation for the time and effort invested by the volunteers, while participants expressed gratitude for the opportunity to make a positive impact in the lives of the elderly.

A photograph showing a community health fair. In the foreground, a woman wearing a white headscarf and a white uniform is leaning over, attending to a woman seated in a wheelchair. The woman in the wheelchair is wearing a green sari. To their right, several other people are seated on the ground or on low stools, some wearing headscarves. In the background, there is a long, low stall or counter covered with a red cloth, displaying various items. The stall is decorated with a green and white striped awning. The ground is paved with light-colored tiles. The overall scene suggests a public health or social service event.

Photos: Address by chief guest

Chief Guest Rtd. Subedar Maj. Raju K., from the Madras Regiment Central who has served the Indian Army for 28 years, addressed the gathering with captivating tales of bravery and valor during the Kargil war which left everyone spellbound and filled the hearts with respect and gratitude for our brave soldiers.

Presidential remarks by Dr. C. Nataraju, Principal (i/c), added academic significance to the commemoration. Mourning for about 3 minutes during the address to mark a tribute to the fallen heroes was the highlight of the event. The audience comprised enthusiastic first-year students from various branches of Engineering, who showed tremendous enthusiasm and interest throughout the event

Engineering, who showed tremendous enthusiasm and interest throughout the event

Later, NSS Officer, Sri. N. Shivaprasad, delivered the vote of thanks. Sri. Shreedatta, Rakshith and R. Thanushree, students and members of Naada Music Club of JSS STU stirred emotions of gathering with their soulful renditions of patriotic songs, reminding us of the sacrifices made by our soldiers to protect our nation. The event was concluded with the National Anthem. Sri Monish Kumar K served as the presenter of the event. Sri. Tejas M.R, Assistant Professor of Mechanical Engineering, NCC cadets of JSS STU, NSS volunteers coordinated the commemoration event. Overall, the KARGIL VIJAY DIWAS event served as a poignant reminder of the bravery and sacrifices of our armed forces, instilling a sense of pride and patriotism in each one of us.

JSS SCIENCE AND TECHNOLOGY UNIVERSITY,
JSS TECHNICAL INSTITUTIONS CAMPUS, Manasagangothri,
Mysuru-570 006

Dear Sir,

Subject: Facilitation of Exhibits in National Level Training Camp of Paryavaran
Sanrakshan Team

We refer to the above subject and wish to bring to your kind notice that a National level training camp is being organized for state coordinators across the country on 29th and 30th of July 2023 at Sri Ganapathi Sachidanandha Ashram, Mysuru.

In this regard we request you to kindly facilitate exhibits for the event related to environmental protection and conservation which can add immense value to the program and we solicit your support in this regard.

Thanking you,

Yours Faithfully,

Sd/-

DEPARTMENT OF ENVIRONMENTAL ENGINEERING

Participation and Exhibition of Departmental Facilities at “National Level Training Camp” of Paryavaran Sanrakshan Team

Paryavaran Sanrakshan had conducted a National Level Training Camp on 29th and 30th July 2023, for which Department of Environmental Engineering were requested to exhibit the facility available in the department related to environmental protection and conservation. Dr. Vishishtta Nagaraj, Mrs. Hemalatha Prabhuswamy and Mr. Trishul A.M along with department PG students were nominated by the department Professor & Head Dr. Sadashiva Murthy B.M. During the 2 days programme, the department students and faculties exhibited the laboratory equipments related to water quality analysis and air quality monitoring such as pH meter, TDS meter, Lux meter, Noise dosimeter, Microbial Air Sampler and Climate Clock to the participants. PG students explained the significance, procedure and applications of these equipment's to the delegates. All the participants and delegates appreciated about the equipments regarding the assessment of pollutants in the attributes of the environment.
