Regarding your application for admission to MSc in Industrial Engineering and Management (semester start 1st September 2023)

Dear Bhargavi Ganapati

Letter of Unconditional Admission

Congratulations! It gives us great pleasure, to inform you that your application for admission to the Technical University of Denmark (DTU) has been accepted. This is considered a formal admission letter and no paper copy will be sent to you. You are considered a full time student at DTU from 28 August 2023 to 30 June 2025.

You now have the opportunity to become part of one of the world's most innovative universities with an International community of students and scholars, renowned for translating research into new technologies. The exciting step is now yours. As DTU is probably only one of several options you will consider in the coming weeks, we hope you will use the time to learn more about us. We encourage you to browse our [website](#) and familiarize yourself with our [campus and student life](#).

Important information and next steps

It is important that you accept/decline the Study Place. The deadline for accepting the Study Place is 01 May. After you [accept our offer of admission](#), your DTU student no. and login information will be sent to you by e-mail around end-May. As soon as you have received this information, please visit DTU Inside "International MSc Students 2023" to find relevant information on your admission, how to sign up for courses, what to do next etc. Please refer to the relevant [pre- arrival information](#), information on [accommodation](#), [residence permit](#), [webinars](#) for admitted students.

Congratulations again and we look forward to welcoming you at DTU!

Kind regards
