You will be required to pay a deposit of £5500 to be able to enrol on your programme of study. This does not apply where your total course fee is less than £5500 in which case you should pay the full tuition fee. Please note that by paying the tuition fee deposit you agree to UWE's refund policy. More information can be found at: www.uwe.ac.uk/students/feesandfunding/payingyourfees/internationalstudentpayment/

If you are a Government Sponsored student, sponsored by an International Scholarship Agency or have applied for a Direct Loan (US applicants only), you are not required to pay a tuition fee deposit. We do ask that you inform us that you are receiving one of these scholarships so we can note this on your application.

Key dates and deadline information can be found on our [website](#). It's important you make note of these and meet them. Not doing so may result in your offer being withdrawn.

Please note that some of our courses have strict capacity. Due to this, we may have to close deposits prior to published deadlines. To ensure you don't pay the deposit after this time, we will notify you of the situation and withdraw your place of study.
