Alumni Association

SJCE Alumni Association was formed during mid eighties and started with one chapter at Bangalore. The association has an Executive Council having 12 members along with a President and Secretary. The Executive Council has formulated the objectives and activities of the association, which include both short term and long-term goals of the association. It has also formulated the Constitution of the SJCE Alumni Association along with bylaws for its effectiveness and sustainability.

The association has already organized two Alumni meets, one at Mysore and one at Bangalore.

The **Annual Alumni Meet** is scheduled to be held on the campus of SJCE during the **4th week of December** every year.

Lalit K. Mestha ("LK"), presently the Vice President for Research at a Private Company, a Fellow of National Academy of Inventors, a Fellow of Institution of Electrical and Electronic Engineers (IEEE), Adjunct Professor, UT Arlington & Rensselaer Polytechnic Institute, is responsible for developing numerous AI (Deep Learning)-based imaging solutions in healthcare & biomedical field. Earlier LK was a Director of Biometric Research at KinetiCor, Inc., a Principal Engineer at GE Global Research & a Research Fellow at Xerox PARC with 30+ years of industrial & academic experience. Has 400+ research publications (276 patents, 58 published patent applications, 80+ papers, 3 books).

Arjun Ranga began his career as a business analyst at Chemical Marketing Resources in Houston, USA. He holds an Engineering Degree in Polymer Science and Technology from SJCE Mysore and an MBA in International Business and Strategy from the Thunderbird School of Business, Phoenix, USA. He is the Chairman of CII – Karnataka State Council and the President of All India Agarbathi Manufacturers Association (AIAMA). He believes that sustainability and empowerment go hand in hand in creating a positive impact on our society and the planet. As the world's largest incense manufacturer, the NR Group is committed to providing hope for future generations by following ethical and sustainable business practices. Cycle Pure Agarbathi is the world's first certified Zero Carbon Manufacturer of incense, prayer and air care products. A successful entrepreneur and a devoted family man, Arjun is also an avid sportsman, having captained teams in eight different games/sports during his college days. He continues to pursue this passion by playing golf and tennis regularly.

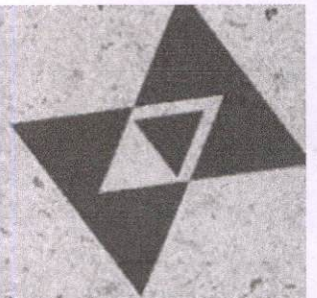

G.V. Maruthi Prasanna born on 3rd June, 1972, in Bellary (North Karnataka) is the Senior Vice President at Mercedes-Benz R&D India. He passed out Mechanical Engineering from SJCE, Mysore, Karnataka in 1993 & holds a master's in manufacturing management from BITS Pilani. He joined Mercedes R&D in 1999, as a production planning engineer & there on expanded his capability to Design & Development for Mercedes Benz Cars. He was deputed to Germany for a 3 years assignment with Mercedes Technical Center, Sindelfingen. Post his successful association with Germany he took an international assignment to Chrysler Technology Center, Auburn Hills, USA. He also had a 2 year stint at Mitsubishi FUSO R&D, Kawasaki, Japan. His strong business & technical acumen naturally steered his career towards leadership & he played several roles in MBRDI from an individual contributor to Senior Vice President. He successfully carved a strategy for R&D Business unit for India which supported efficiency & competency. Many

futuristic topics like Autonomous, Connectivity & Electric vehicles were shaped under his leadership. In his current role, as a Senior Vice President for RD functions, he leads a team of ~2000 people who work with different Global teams.

Shamala D D, Joint Commissioner of Income Tax, born in 1988 in a Village in Hassan district Completed primary education in Channarayapatna and completed graduation in Mechanical engineering from Sri Jayachamarajendra College of Engineering Mysore in 2009 Selected to Indian Revenue Service by Clearing UPSC exams conducted in the year 2011 Worked as Deputy Commissioner of Income tax on various capacities in Hassan Mysore and Bangalore. Presently Heading the assessment units as Joint Commissioner in Bangalore

is bothered about an institution more than its alumni. - N. R. Narayana Murthy

the advocates, who point at the loopholes in investigation during cross questioning at the Courts."

Speaking after releasing the annual calendar of New Year 2023 and diary brought out by a journal (Law Guide) here yesterday, the City Police Commissioner said:

the Police undergo training at National Police Academy and Karnataka Police Academy, they still have a lot to fine tune practically while on duty. More than that, the questions raised by advocates in Courts will also come in handy in taking the cases to their logical end."

had picked up the nuances of investigation from the defence advocates, who had pointed at missing the angle of investigation beyond what meets the eye. I have probed over 200 cases and most of them are solved with about eight to 10 cases pending to be solved."

JSS CMS Alumni Meet held

Seen from right are Dr. Sridevi Kulenur, Prof. Nagesh, Prof. A.N. Santosh Kumar, Prof. Channappa B. Akki, Prof. S.A. Dhanaraj, Prof. Swaroop Simha and others at the JSS CMS Alumni Meet-2022 held in city on Dec. 24.

Mysuru, Dec. 27- JSS Centre for Management Studies (JSS CMS), JSS Science and Technology University (JSS STU), Mysuru, had organised Alumni Meet-2022 on Dec. 24 at JSS CMS Seminar Hall here in which over 75 alumni members participated.

Prof. Channappa B. Akki, Registrar, IIT Dharwad, was the chief guest. Prof. A.N. Santosh Kumar, Vice Chancellor of JSS STU, Mysuru, presided. Prof. S.A. Dhanaraj, Registrar, JSS STU, Mysore was the guest of honour.

Prof. Sridevi Kulenur, JSS CMS Alumni Association Coordinator, welcomed the dignitaries and

highlighted the objectives of the Alumni Association. Prof. Nagesh, Dean, Management, presented the department growth, achievements and awards while Prof. Swaroop Simha, HOD, JSS CMS introduced the distinguished alumnus.

Prof. Channappa B. Akki, shared his knowledge and thoughts on alma mater relationship and the value system which has to be kept in the life journey. He mentioned that the roots should never be forgotten and shared moral stories to strengthen the value system. He also explained the technological advancement and contemporary changes which are crucial for the

survival of organisations.

JSS STU Registrar Prof. S.A. Dhanaraj briefed the importance of alumni association for the enhancement of various institutional goals and accomplishments. He also mentioned that the alumni perception is a major tool to link the sustainable development goals and continuous involvement of alumni helps strengthening the global partnership.

Distinguished alumnus Shivjith, Manager, Learning and Development, Craft Silicon, Bangalore and Chaitra Kurtageri Godkhindi, Manager of Indian Overseas Bank, Mysuru, were honoured on the occasion.

Prof. A.N. Santosh Kumar, Vice-Chancellor, JSS STU, in his Presidential address highlighted the National Education Policy's lifelong learning initiative. He called upon the alumnus to join JSS CMS in various platforms including alumni talks, curriculum development and brand building. Prof. Sridevi Kulenur, proposer of the vote of thanks.

B.P. Maheshwari, Assistant Professor, who was also the Faculty Coordinator and others were present.

Photo: Talk on "College to Corporate".

JSS Centre for Management Studies, JSSSTU had organized a Guest Lecture on "College to Corporate" on 19th November, 2022 from 10.30 am to 2pm.

The session began with the brief introduction by Ms Maheshwari B P, Assistant Professor, who spoke on the objectives of the programme and welcomed the gathering.

The speaker for the session was Mr Shivjith H B, Training Head at Craft Silicon, Bangalore.

Mr. Shivjith H B, is an Alumni of JSSCMS, he is a passionate Learning and Organizational Development Professional Certified International Trainer, NLP Practitioner, and Certified Life and Executive Coach from Indian Leadership Academy, Bangalore. He Carries 10+ years of experience in various roles in sales; Learning and Organizational Development helping organizations in writing their success story.

The speaker, with his rich experience in the field of Learning and Development initiatives in the Corporate Sector, gave awareness to the students on the concept Self-Introspection using SWOT analysis and Goal Setting through Smart Goals.

The speaker provided insights on interview preparation, clearly differentiating the aspects: before interview preparations, presentation during interview and after interview. The importance of communication in the business world was made aware to the students. The session continued further providing insights on resume building and professional email writing.

The speaker also threw light on the future changes that will be brought in the world of business and the degree to which knowledge on current affairs is very useful for a management student.

The session was open for student interactions with the resource person where the students of JSSCMS, got clarified their queries pertaining to interviews and current trends of learning incorporated in the business enterprises.

Guest Lecture on "College to Corporate" on 19.11.2022

The Guest Lecture was organized for the students of MBA-Digital Marketing and MBA- Retail Management. A total of 75 participants including the faculty and the students attended the session.

The session concluded with the Vote of Thanks from Mrs Kavyashree M B, Assistant Professor, JSSCMS.

The Guest Lecture was coordinated by Ms Maheshwari B P and Mrs Kavyashree M B, JSSCMS.

Alumni Lecture Series-2023

Venue: CMS Seminar hall, CMS block, JSSSTU, Mysuru

About the Program:

On the Occasion the Diamond Jubilee Celebration, Dept of Computer Applications, JSS Science and Technology University, Mysuru organized Alumni lecture series -2023 held on Saturday 21st January 2023 at 10:30AM at CMS Seminar Hall, CMS Block, JSSSTU, Mysuru.

The Program was initiated formally by submitting humble pranams to his holiness Paramapujya Jagadguru Sri Sri Shivarathri Rajendra Mahaswamijigalavaru in presence of Chief Guest of Mr. Naveen N N, Principal Software Engineer, Altera digital health, Prof. R K Bharathi, Dept of Computer Applications, SJCE, JSSSTU, Mysuru.

Content of Session:

He completely describes the differences between writing a program in academics and Industries, Briefed about design and developing code in different ways like using object oriented, Library function and abstraction concepts and all.

Highly concentrated on "class should be open for extension not for modification" and gave a practical session on the respected topic.

Introduction to SOLID principles.

"Program should be like it should adapt to changes and extension".

Practical session on how to use a live server in order to run html program.

Suggested students to spend more time on very good product.
