at JSS Science and Technology University, Mysuru on 22nd July 2022. The chief guest of the event Sri. Prathap Lingaiah, State NSS Officer, Government of Karnataka spoke about the importance of NSS activities in the curriculum as per the new National Education Policy (NEP). He called the students to actively participate in NSS activities and discharge social responsibility effectively. He said that sufficient motivational awareness must be created. Service is the Motto of NSS and students must imbibe it. NSS provides support to acquire leadership qualities and values. Volunteers serving as ambassadors should contribute to the society in a larger scale.

Dr. M. T. Suresh, NSS Officer, University of Mysore shared his joyful experiences of being associated with NSS for the past 15 years. He also shared that Mysore University has 192 units with 19,200 actively involved people. He mentioned that if students develop tolerance they can work on social outlook. NSS does not have economic gain, but helps in personality development and in learning different skills. It also helps in inculcating team work for the progress of our country. He spoke about NSS volunteers being awarded with honours for serving as Corona warriors during COVID-19 pandemic.

Dr. S B Kivade, Principal and Dean Engineering and Technology, SJCE, JSS STU shared about the credits that will be allocated in the upcoming scheme of syllabus for NSS activities. Further he motivated the volunteers to adapt technology driven service motto and work towards the betterment of the society. He emphasized on the NSS slogan **“NOT ME, BUT YOU”** to the volunteers for being active in the upcoming NSS activities organised by the NSS unit.

Prof. Dr. S A Dhanaraj, Registrar, JSS STU, in his presidential remarks stated that “**All are equal**” is the attitude to be adopted by NSS volunteers. He opined that the youth should participate with National sovereignty and Integrity and further highlighted about the work to be carried out distinctly by integrating science and technology in the coming days. He suggested to identify the real time societal issues and work towards providing solutions.

- Report on Har Ghar Tiranga Campaign event of JSS STU NSS Unit: Har Ghar Tiranga Campaign event of JSS Science and Technology, National Service Scheme (NSS) Unit was initiated on 13rd August 2022 from 10:30am onwards at different venues of JSS TI Campus. Azadi Ka Amrit Mahotsav is a drive of the Government of India to celebrate and recognize 75 years of moderate Independent India. Through Azadi Ka Amrit Mahotsav, India is commending its sublime history individuals, culture and accomplishments. An exemplification of everything is moderate about India's socio-social, political and financial character.

The programme envisages inspiring Indians everywhere to hoist the national flag at their homes. The aim of the programme is to make the relationship with the national flag a more personal one rather than just keeping it formal or institutional. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and promote awareness about the tricolour.

Indian National Flag 'Tiranga' is an image of public pride for each Indian. To additional honour our public banner, Hon'ble Prime Minister sent off an exceptionally grateful mission 'Har Ghar Tiranga' under the aegis of Azadi Ka Amrit Mahotsav. It imagines the way for motivating Indians to raise the public banner at their home. 'Har Ghar Tiranga' crusade urge individuals to bring and raise Tiranga at home denoting the 75th year of India's freedom. Our relationship with our public banner has forever been more formal and institutional than individual so bringing the 'Tiranga' home by and large as a country in the 75th year of freedom becomes emblematic of not just a demonstration of special interaction to the Tiranga yet additionally an encapsulation of our responsibility towards country building. The thought behind the Har Ghar Tiranga drive is to summon the sensation of positive energy in the hearts of individuals and to advance mindfulness about the Indian National Flag.

A serious countrywide mission on Azadi Ka Amrit Mahotsav is being coordinated which is zeroing in on resident support to make it a 'Janandolan', where little changes, at the neighbourhood level, will amount to critical public increases.

Dr. A N Santhosh Kumar, Vice Chancellor, JSS STU, Mysuru shared few thoughts of Commitments of overlooked and great individuals of opportunity battle which are being featured through Azadi Ka Amrit Mahotsav programs.

Dr. S B Kivade, Principal and Dean Engineering and Technology shared few thoughts on how students have to actively take part in this campaign. To acquire Leadership quality and values and also told that volunteers should serve as ambassadors and contribute to the society.

University NSS Officer Mr. Shivaprasad N, Assistant Professor, Dept. of ECE distributed the flags to the Faculty and Students along with Dr. Revanna C, Physical Education Department, NSS Volunteers had actively participated in the event and also spread the awareness of the events across the University.

4. **Empowerment Through Knowledge:** The speaker provided practical tips on becoming informed voters. He recommended diverse sources of information, critical thinking, and fact-checking as tools to make educated decisions. Prof. Monish emphasized that informed voting empowers individuals to align their choices with their values.

5. Impact on Society: Prof. Monish connected active participation in elections to societal progress. He explained how voting for candidates and policies that promote growth, equity, and social welfare can lead to a stronger nation. He shared examples of policies that have positively transformed societies through active citizen engagement.

6. **Overcoming Apathy:** The speaker addressed common reasons for voter apathy and offered strategies to overcome them. He stressed the importance of inspiring one's peers to participate actively, creating a culture of political awareness and involvement.

Conclusion: The awareness program concluded with a Q&A session, where students engaged in thought-provoking discussions with Prof. Monish Kumar K. The event succeeded in enlightening the students about their pivotal role in the democratic process and how their active participation can shape the future of their country. Prof. Monish's insights and practical advice left a lasting impact on the attendees, motivating them to take a more active interest in elections and democratic governance.

Yoga Day Celebration Drive - Palace Grounds, Mysuru

Date: [21/05/2023] **Venue:** Palace Grounds, Mysuru

Introduction: The spirit of unity and holistic well-being came alive at the "Yoga Day Celebration" Drive, a collaborative effort between the District Administration and the NSS (National Service Scheme) wing of SJCE (Sri Jayachamarajendra College of Engineering), JSSSTU (Jagadguru Sri Shivarathreeshwara University). The event, held at the picturesque Palace Grounds in Mysuru, was graced by the presence of esteemed representatives from the Mysuru District Administration, Zilla Panchayat, Mysuru City Corporation (MCC), Department of AYUSH, Mysore Palace Board, Department of Youth Empowerment and Sports (DYES), Yoga Federations, as well as various Yoga Associations. An array of schools, colleges, non-governmental organizations, and enthusiastic students from SJCE JSSSTU joined the event to celebrate the ancient practice of yoga and its manifold benefits.

Event Highlights: The "Yoga Day Celebration" Drive resonated with the ethos of unity, well-being, and community participation, epitomizing the essence of yoga.

Inauguration: The event was inaugurated by distinguished representatives from multiple organizations, symbolizing the collective effort to promote health and wellness through yoga. The dignitaries highlighted the importance of yoga in fostering physical vitality, mental clarity, and spiritual harmony.

Distinguished Guests:

- **Prof Sunil (SWO):** Prof Sunil underlined the universality of yoga and its potential to bring about transformation in individuals and society as a whole. He applauded the diverse participation that reflected the inclusive nature of yoga.
- **Prof Channabasavanna (NCC Caretaking Officer):** Prof Channabasavanna stressed the discipline and self-awareness instilled by yoga, which aligns with the values propagated by organizations like NCC.
- **Prof Revanna (PDE):** Prof Revanna expressed his appreciation for the synergy between yoga and education, emphasizing how yoga contributes to the holistic development of students.

- **Prof Monish Kumar K (NSS Officer):** Prof Monish Kumar K highlighted the active role of NSS SJCE in creating a platform for students to engage in meaningful activities that promote well-being and community service.

Mass Yoga Session: The heart of the event was the mass yoga session led by experienced instructors. Participants, ranging from schoolchildren to college students and adults, came together to practice yoga postures, pranayama, and meditation, creating an atmosphere of tranquility and camaraderie.

Unity in Diversity: The participation of schools, colleges, non-governmental organizations, and students from SJCE JSSSTU showcased the diversity of attendees united by the common goal of embracing yoga for a healthier lifestyle.

Conclusion: The "Yoga Day Celebration" Drive epitomized the transformative potential of yoga in fostering unity, well-being, and holistic development. The collective presence of dignitaries, organizations, schools, colleges, and students underscored the universal appeal of yoga. The event was a true celebration of physical and mental wellness, leaving a lasting impact on participants and reinforcing the profound value of yoga in modern society.

DIAMOND JUBILEE YEAR: 1963–2023

Report on Chamundi Hill Ashada Shukravara Swachhata Abhiyana

Plastic has become a problem for the environment presently. Plastic pollution is the accumulation of plastic objects and particles (e.g. plastic bottles, bags and microbeads) in the Earth's environment that adversely affects humans, wildlife and their habitat. Plastics that act as pollutants are categorized by size into micro-, meso- or macro debris. Plastics are inexpensive and durable, making them very adaptable for different uses; as a result, manufacturers choose to use plastic over other materials. However, the chemical structure of most plastics renders them resistant to many natural processes of degradation and as a result they are slow to degrade. Together, these two factors allow large volumes of plastic to enter the environment as mismanaged waste and for it to persist in the ecosystem. Illegal dumping of plastic is a severe problem in our country. If plastic reaches to places where we cannot reach out to clean it, the task becomes even more difficult.

The Chamundi Hills are located 13km east of Mysore, Karnataka, India. The name comes from the Chamundeshwari Temple at the peak. The average elevation is 1,060 meters (3,480 ft). Named after the Goddess Chamundi, the Chamundeshwari Temple sits atop the main hill. The main hill itself features an ancient stone stairway of 1,008 steps leading to its summit. Chamundi hill is a holy abode where many devotees come. They don't come alone; they come along with plastic which is thrown on the hill. Cleaning here is a tedious job. So prohibition of entry of such plastics is one way to avoid this.

DIAMOND JUBILEE YEAR: 1963–2023

Chamundi hill is the scared place of Mysurians and the head of goddess Chamundi. It's the place where people come over from all parts of the state to worship the goddess, it's a beautiful place and during Ashada Shukravara devotees had to climb the steps in order to reach the temple. So when they climb they carry plastics along with them and litter all over the place. The hill has a good vegetation cover along the steps of the hill where devotees walk along to reach the temple. They come along with plastic which is thrown on the hill. Cleaning is a difficult job. So prohibition of entry of such plastics is one way to avoid this.

The Ashada Shukravara Swachhata Abhiyana was a volunteering program for cleaning Chamundi hill on the account of not allowing single use plastic through the step way of Chamundi hill. The Ashada Shukravara Swachh Abhiyan - Chamundi hill was held on the four Fridays of Ashada maasa during the month of June-July 2023. The Ashada Shukravara Swachhata Abhiyan was organized by Clean Mysore Foundation in association with MCC, many NGOs and government organizations were part of it and volunteers of NSS cell, JSSSTU also took part in this program.

The duty of volunteers was to not allow single-use plastic through the step way of Chamundi Hill. The Ashada Shukravara Swachhata Abhiyana - Chamundi hill was held on the four Fridays of Ashada maasa in the month of June-July 2023. The volunteers from NSS, JSSSTU took part in 3 weeks of Friday (23rd, 30th June and 7th of July) from 8 am till 4 pm. Volunteers requested the devotees visiting Chamundi Hill by the stairway to show their bags and cooperate with them to avoid use of plastics in Hill. They took away all kinds of plastics they were carrying and in turn they gave them paper bags which is eco friendly and doesn't pollute the temple premises. Some people were supportive and were already aware and did not want to throw the plastic on the ground, whereas some people were able to understand our motive only after some explanation.

The team collected around 150 single-use plastic water bottles from 200 steps of the hill. One of the volunteer did announcement to the devotees about handing over any plastic to the volunteers if any. All of them worked in pair in various stages of the queue to avoid the entry of single use plastic into the step hill. By this volunteering, NSS got exposure and experience in dealing with people of different mindset.

They motivated and educated people about the ban of single use plastic. Most of them carried hot edibles in polyethylene cover, so requested them to not do so by telling them that eating this food may be cancerous. The NSS team persuaded the people to throw the used plastic cover into dustbins only.

NSS team overall experience was very motivational and when team wind up the abhiyan, they had a proud feeling of letting our hands in protecting our mother earth. We are motivated to be part of such volunteering in the future too. We are thankful to our JSSSTU and the organizers for giving up this opportunity. Through this program with dealt with different types of people and it was a very nice experience. We are really thankful the organizing team for giving us this opportunity to become a responsible citizen.

3.2 Hands-On Demonstrations: Practical demonstrations were conducted to illustrate the importance of water conservation and waste management. This included showcasing the amount of water wasted through leaky taps and inefficient water usage. Additionally, waste segregation techniques were demonstrated, emphasizing the need to separate different types of waste for proper disposal and recycling.

3.3 Creative Competitions: To encourage active participation, creative competitions were organized, such as drawing and poster-making contests. The themes of the competitions were centered around water conservation and waste reduction. The students exhibited their artistic skills while conveying important messages.

3.4 Skits and Role-plays: SJCE college students prepared and performed short skits and role-plays that showcased real-life scenarios related to water wastage and waste mismanagement. These performances effectively conveyed the consequences of irresponsible behavior and the positive impact of adopting eco-friendly practices.

4. Impact: The outreach program yielded several positive outcomes:

- **Increased Awareness:** The government school students gained a deeper understanding of the importance of water conservation and proper waste management.
- **Behavioural Change:** Many students expressed their commitment to implementing the lessons learned in their daily lives, including at home and in school.
- **Knowledge Dissemination:** The participants were equipped with valuable information that they could share with their families, friends, and communities.
- **Inspiration:** The SJCE college students' efforts served as an inspiration for the government school students, motivating them to take an active role in environmental conservation.

- **5. Conclusion:** The School Outreach Program on Water Conservation and Waste Management successfully achieved its goals of raising awareness and educating government school students about sustainable practices. The collaboration between SJCE college students and government school students fostered a sense of responsibility toward the environment. It is essential to continue organizing such initiatives to ensure a greener and healthier future for all.

- **6. Acknowledgments:** We extend our heartfelt gratitude to the Principal's of All the government schools for allowing us to conduct the outreach program. Special thanks to all the SJCE college students who dedicated their time and effort to make this event impactful and memorable.

INDIAN RED CROSS SOCIETY - DETAILS FROM JANUARY 2022

1. Details of the committee

Co-ordinator	Dr. Vishishtta Nagaraj Assistant Professor Department of Environmental Engineering SJCE, JSSSTU, Mysuru
---------------------	--

2. Objectives

- To inspire, encourage and initiate at all times all forms of humanitarian activities.
- To create more friendly environment.

3. Events conducted from January 2022 to till date

1. The Indian Red Cross Society, JSS Science and Technology University (JSS&TU), had organized a blood donation camp to mark **World Red Cross Day** at JSS Science and Technology University (JSS&TU), Sri Jayachamarajendra College of Engineering (SJCE) at Mechanical Department Auditorium on 27th May 2022. This event was conducted in association with Jeevan Bindu, Student organization, Project ReachOut, NSS Coordinator N. Shivaprasad and Student Welfare Officer M.S Sunil Kumar and in collaboration with JSS Hospital, Mysore.
2. In association with **NSS and Campus 2 Community**, IRCS also accompanied a camp in a government school at **Jallapuri village on 4th and 5th of June 2022**. Campus 2 Community, through its action plan "**SCHOOL BELL**" has been profoundly involved in developing the infrastructure of government schools in the remote villages. Students got to know about the poor conditions of government school and also experienced the culture of rural villages that will delineate the gap between rural and urban. It was worth seeing the students happily smiling and enjoying their new ambience at school. Exploring to new experience is a very important part of self-development.

Report on Blood Donation Camp

Indian Red Cross Society (IRCS)

During the first world war in 1914, India had no organization for relief services to the affected soldiers, except a branch of the St. John Ambulance Association and a Joint Committee of the British Red Cross. Later, a branch of the same Committee was started to undertake the much-needed relief services in collaboration with the St. John Ambulance Association in aid of the soldiers and civilian sufferers of the horrors of that great war resulting in the formation of the Red Cross Society of India.

The Indian Red Cross is a voluntary humanitarian organization having a network of over 1100 branches throughout the country, providing relief in times of disasters/emergencies and promoting health & care of vulnerable people and communities.

The Mission of the Indian Red Cross is to inspire, encourage and start all forms of humanitarian activities at all times so that human suffering can be minimized and even prevented and thus contributing to the creation of a perfect climate for peace.

Project Reachout

Project ReachOut is a youth organization where frugal innovation in service is encouraged and where people can flourish their skills. We aim to empower and inspire the youth to volunteer, understand the situation of the people in need of support, and become socially responsible.

We function by fueling exceptional ideas and solutions, housing a wide range of activities owing to our diverse focus—our environment, the well-being of the differently-abled, mental health, donation drives, awareness drives, and free webinars/workshops with professionals, contests, street plays, you name it.

Jeevan Bindu

Jeevan Bindu can be comfortably accredited to the strong forces of encouragement and initiative taken by SJCE STEP to help society. We can state it in simple words as an organization with startup-like capabilities, such as innovative approaches to problem-solving, and integration of technology to solve problems in the blood collection and donation drives.

Developed under the guidance of SJCE – STEP, Mysuru, 'Jeevan Bindu' was based on an idea that the team passionately believes in. The portal aims to connect students across JSS institutions in Mysuru to

the blood bank at JSS Hospital. It provides the medium to broadcast blood donation events conducted, and notify registered donors when a blood request is placed. It ensures that all blood requests shall be automatically closed while ensuring that the donors can access all their donation certificates and dates on the go, while their data is only accessible to them.

NSS

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs & Sports. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. Even in our esteemed institution we have NSS and our youth students encourage others to serve towards the community.

Blood Donation

Blood Donation or transfusion to a person evolved from the early experiments of transfusing blood from lambs to humans in 1667. It gained immense importance after blood from one person to another was successfully transferred in 1818 by British obstetrician James Blundell to a patient for the treatment of postpartum hemorrhage.

For cancer patients, blood transfusions can act as an important resource to implement platelets back into the body after heavy treatments such as chemo or radiation therapy since the blood cells that are made in the bone marrow are often destroyed. For trauma and burn victims, the anemia resulting from the treatment of burns and trauma-induced coagulation of blood in accident victims can be cured by blood transfusions.

According to WHO, about 118.54 million blood donations are collected worldwide. 40% of these are collected in high-income countries, home to 16% of the world's population, whereas many low-income and middle-income countries struggle with accruing a sufficient voluntary, unpaid blood donation base to meet the need. Efforts to increase blood supply are often ignored and dangerous delays in the provision of blood can lead to death.

It is our firm belief that every action, big or small, can truly change our community. We believe that the voluntary blood donation camp is of the utmost importance in our present-day society, helping both the society through learning more about ways in which they can save lives and assisting medical warriors indirectly in their battle to save lives.

THE EVENT

The Indian Red Cross Society, JSS Science and Technology University (JSSS&TU), had organized a blood donation camp to mark World Red Cross Day at JSS Science and Technology University

Group Photo with volunteers

An immense amount of participation was seen with around 108 people volunteered for donating blood as per the data inputs. The actual amount of participation and blood being collected was little shy of the target due to many being rejected citing health reasons. This led to many staff members of our college actively participating and people from around the campus getting spot registered in the blood drive making it a huge success. A certificate of donation and refreshment was given to each donor as a token of gratitude and were felicitated at the donation camp. It is exhilarating to inform that 87 units of blood were donated successfully in the blood drive which is a huge success which save 255 lives in danger. Every single volunteer from Jeevan Bindu and Project ReachOut contributed in making this drive a huge success.

JSS SCIENCE AND TECHNOLOGY UNIVERSITY - Indian Red Cross Society

A report on School Bell campaign held at Jallapuri Government School, Mysuru.

The Indian Red Cross is a voluntary humanitarian organization having a network of over 1100 branches throughout the country, providing relief in times of disasters/emergencies and promotes health & care of the vulnerable people and communities.

The Mission of the Indian Red Cross is to inspire, encourage and initiate at all times all forms of humanitarian activities so that human suffering can be minimized and even prevented and thus contribute to creating more congenial climate for peace.

The NSS cell of 'Campus to Community' had again organized one of the School Bell Program in Jallapuri Government School, in collaboration with the IRCS of our college. Even the 'Youth Rotary Club' of Bengaluru had been a part of this event.

About The Organization

An organization called Campus 2 Community had organized a camp in a government school at Jallapuri village on 4th and 5th of June 2022. The camp had lasted for 2 days. There were nearly 30 volunteers which were divided into 4 in a group. They were assigned tasks.

Campus 2 Community, through its action plan "SCHOOL BELL" has been profoundly involved in developing the infrastructure of government schools in the remote villages with special attention on the learning ambience. Team School Bell from Campus 2 Community is inspired by Gandhian views on Rural India and Education are profoundly involved in the development of government schools in remote rural areas.

The main aim of School Bell is to rejuvenate government schools located in remote rural areas across Karnataka by refurbishing the school premises and make learning more colorful to the students.

In making
learning
colorful.....

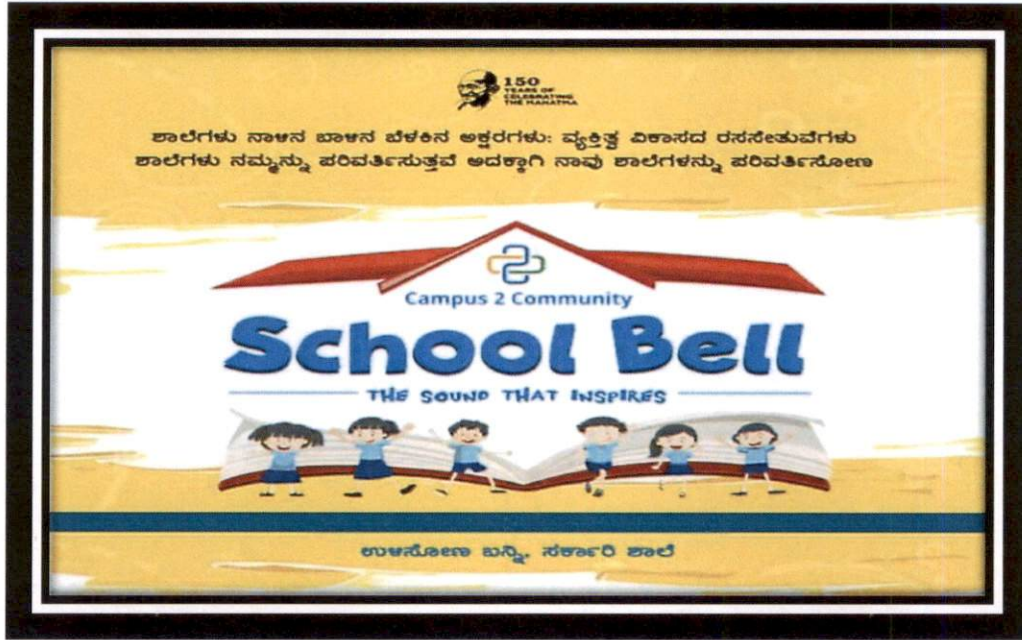

Color has the ability to influence one's mood, health and performance which means that certain paint colors or furniture choices have a direct impact on what takes place inside the classroom as well. Certain colors can capture attention, increase alertness, or create calmness.

- Governed by the Grant-in-Aid Rules of Government of Karnataka
- Identified as lead institution for World Bank Assistance under TEQIP Scheme

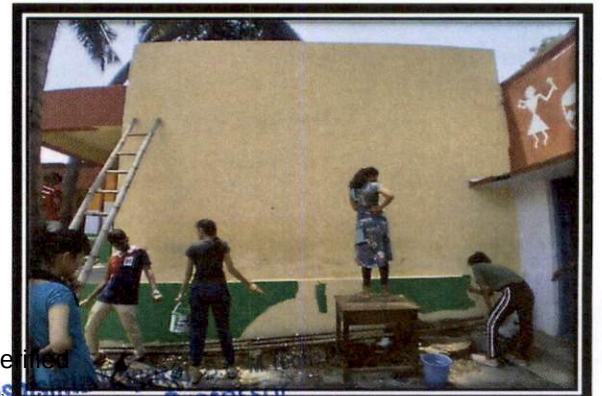

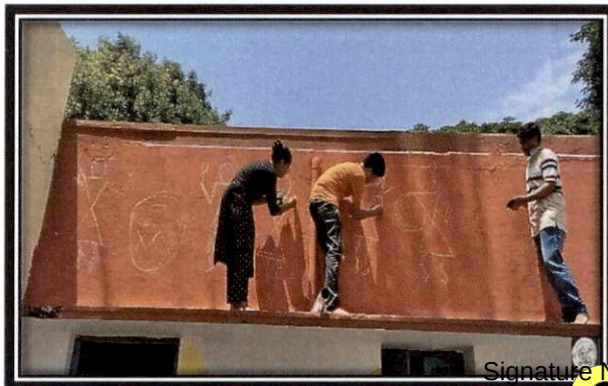

Young and energetic volunteers residing in urban areas from various colleges and others participate enthusiastically to brighten the walls of wisdom. The volunteers also understand the poor conditions of government schools and also help them to experience the culture of rural villages that will delineate the gap between rural and urban areas.

About The Campaign

According to the instruction given by the team guide, one in the group had to sketch the drawings on the school wall. Students those who were good at sketching were chosen to draw. The second thing was to paint the sketched drawings. The remaining three in a group had to do this. The paintings done in the wall was meaningful and was related to the student's subject. In addition to that the paintings had information about sports, yoga, creativity, water conservation, and others.

Our faculties from our college truly lead us well, and they were the pillars behind our each and every work on this campaign. Dr. Vishishtta Nagaraj, Environmental Engineering department and Dr. Madhusudan, Electrical and Communication department guided us in this work. It was really a good experience in working with them.

The Headmaster and the staffs of the government school treated us well. They were very supportive and we had a very good interaction section with both staffs and students of that school. They had arranged us the morning breakfast and midday meals for afternoon.

Conclusion

It was indeed a great initiative taken from National Service Scheme (NSS). We are thankful for giving us such a wonderful opportunity. Painting a school with picture related to studies is a very good idea to make students to learn and remember easily. It all made sense when the work was completed.

We also got to know about the poor conditions of government school and we also experienced the culture of rural villages that will delineate the gap between rural and urban. It was worth seeing the students happily smiling and enjoying their new ambience at school. Exploring to new experience is a very important part of self-development. It was like revisiting our own school days. This was the best memory and we would love to involve in further programs related to this.

A stylized illustration of a pink hand holding a bouquet of flowers in shades of brown and black, set within a tilted rectangular frame. The hand is rendered in a simple, flat pink color, with fingers curled around the stems of the flowers. The bouquet consists of several flowers with large, rounded petals in various shades of brown and black. The entire scene is enclosed within a thick, dark brown rectangular border, which is slightly tilted. The background within the frame is a light, neutral tone.

Blood donation camp held at JSS S&TU

Mysuru, June 5 (SSM) - The Indian Red Cross Society (IRCS) had organised a blood donation camp to mark World Red Cross Day at JSS Science and Technology University (JSS S&TU), Sri Jayachamarajendra College of Engineering (SJCE) in city recently.

The blood donation camp was led by IRCS Coordinator

Dr. Vishista Nagaraj in association with Jeevan Bindu and Project ReachOut Team, Student Welfare Officer M.S. Sunil Kumar and NSS Coordinator N. Shivaprasad.

A team of 18 staff led by JSS Hospital Blood Bank Officer Dr. Pallavi participated in the blood donation camp where more than 87 donors including staff and

students donated blood. All the donors were felicitated at the blood donation camp.

JSS Academy of Higher Education and Research Pro-Chancellor Dr. Suresh Bhojraj, JSS S&TU former Vice-Chancellor Dr. A.N. Santhosh Kumar, JSS S&TU Registrar Dr. S.A. Dhana-raj and SJCE Principal and Dean Dr. S.B. Kivade were present.

Crescent Road, High grounds,
Bangalore.

Respected Sir,

Sub: - Statistics of Blood Donation Camp on 27/5/2022 and 3.6.2022

With respect to above, we are herewith furnishing the details of camp held on below mentioned dates and venue -

1. Sri Jayachamarajendra College of Engineering, Campus Rd, University Of Mysore Campus, Mysuru, 570006 on 27/5/2022 from 9.30 am to 4 pm.
2. JSS Law College, New kantharaj Urs Road, Kuvempunagar, Mysuru 570023 on 3/6/2022 from 9.30 am to 4 pm.

Grouping wise blood unit drawn is as follows.

	No. of Units Drawn on 27/5/2022	No. of Units Drawn on 3.6.2022
A Positive	28	05
A Negative	00	01
B Positive	23	13
B Negative	01	01
O Positive	29	25
O Negative	01	00
AB Positive	05	05
AB Negative	00	00
Total	87	50

This is for your kind information.

25% of the total unit collected (36 units) is issued to KR Hospital, Mysuru.

This is for your kind information.

Thanking you,

Copy to:

1. The Drug Controller, Karnataka
2. The Deputy Drug Controller, Mysore District

- Constituent College of JSS Science and Technology University
- Approved by A.I.C.T.E
- Governed by the Grant-in-Aid Rules of Government of Karnataka
- Identified as lead institution for World Bank Assistance under TEQIP Scheme

DIAMOND JUBILEE YEAR: 1963 – 2023

inside the auditorium to check their weight as those above 50kg were only eligible to donate. This was followed by a series of tests like BP check, blood grouping check and Haemoglobin test. These tests were to know whether the person is fit enough to donate or not. The donors were served the refreshments and they had to take rest for some time. Even the staff members also donated in this blood donation camp. The camp was winded up by 1.30 p.m.

More than 35 students and staff joined together for the noble cause and donated blood. It was a successful event that surely would have made an impact to someone's life and overall, to the society.

Volunteers donating blood and rewarding them with appreciation certificate

Report on visit to Channananjayyanahundi Village adopted by JSS S&TU

Date of Visit: 31 August 2021

Ref: Adoption Village Channananjayyanahundi as per order no DO No. GS 06 GUM 2018, dated 24.12.2018.

A team of 14 members from SJCE, JSS STU and 3 members from Department of Community Medicine, JSS AHER visited Channananjayanna Hundi in Gundlupet taluk chamarajanagar district (adopted village by our University JSS STU).

The day started with inauguration program at primary school by lighting the lamp in presence of faculty of JSS STU, elected member, senior members of village, Head Master of school and SDMC President, volunteers and villagers. In the inaugural programme, the team distributed on behalf of the university, sanitizers to Anganwadi, Women milk producers' diary, School and Panchayath office. In addition to that the team presented Study charts and sports equipments to school Head master for the benefits of the students. The faculty members distributed free books to the students of the school in view of various activities and programs carried for the village.

During the later stages of discussion members convinced the villagers that no freebies will be offered by our institution but however technology for each and every required activity will be shared with people. The Head master of the school requested to donate a desktop computer Projector and Printer for school usage and also necessary assistance for construction of kitchen room for school.

In the afternoon session the group split into teams and worked on carrying various other activities in the village and as follows

- A team comprising of Mr. Sharat H.P. – Civil Engineering, Ms. Nagashruthi Shivakumar- Civil Engineering and Mr. Arun Kumar Y.C- Mechanical Engineering coordinated and conducted a programme on converting the village to plastic free zone by discussing its effects on the environment to the villagers visiting their homes.
