Dear Members of Institution's Innovation Council (IIC)

Greetings!!!

You are aware that JSS STU constituted a Committee as per the guidelines of MHRD.

Registrar of JSS STU have sent the official orders regarding the same.

To initiate the various events/activities under JSSSTU IIC, we are hereby calling the first meeting on 24/12/2018 at 11:00 am. The venue of the meeting is at Board Room, JSS CMS Building.

### Agenda:

1. Welcoming the Members: IIC Convener., 2 Minutes
2. Address by the Vice Chancellor & Registrar - 8 Minutes
3. Briefing about the Objectives of the IIC: IIC President., 10 Minutes
4. Deliberations and Scheduling the Action Plans in lines with MHRD guidelines - 25 Minutes
5. Any other discussions

I request all the members to kindly participate in the meeting and give your valuable suggestions.

regards

*IIC meeting proceedings*

## Institution's Innovation Council

Proceedings of the First IIC Committee meeting held on 24/12/2018,  
Monday at 11:00 am, Board Room, CMS Building.

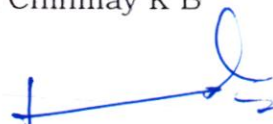

+++++

### Agenda:

- 1) Welcoming the Members
- 2) Address by Vice Chancellor, JSS STU
- 3) Objectives Briefing
- 4) Scheduling Plan of Actions

### **Members attended the meeting**

1. Dr. B G Sangameshwara, VC, JSS STU (Special Invitee)
2. Dr. Mallikarjun Aradhya, President, IIC
3. Dr. B S Harish, Convener, IIC
4. Dr. P Nanjundaswamy,
5. Mr. Krishna Kardle
6. Prof. Bheemesh
7. Ms. Anagha P
8. Ms. Samanvitha S
9. Me. Pratheek
10. Ms. Sahana
11. Mr. Deshik Patel
12. Mr. Harsh Patel
13. Mr. Adarsh
14. Mr. Chinmay K B

15. Ms. Anushree Hegde
16. Ms. Tulasi V H
17. Ms. Rashi Modi

**Members on leave of absence**

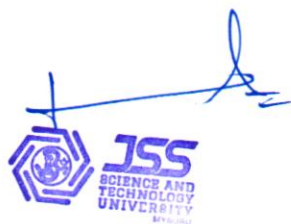

- I. Mr. Murugendra Bandrad
- II. Mr. G P Sathish
- III. Dr. R Mukhopadhyay
- IV. Mr. Adarsh Ramesh
- V. Mr. Abhiram G
- VI. Mr. Nachiketh
- VII. Mr. Srinidhi
- VIII. Mr. Sriranga

- ❖ Dr. B S Harish, Convener of the council, welcomed the members of IIC and presented the Agenda of the meeting
- ❖ Vice Chancellor, JSS S&TU, special invitee, addressed the members of council regarding the various Steps initiated to improve the Research activities in JSS S&TU., viz.
  - Establishment of IP cell at JSS S&TU and its objectives
  - Actions taken to submit the proposals to various funding agencies.
  - Because of various research promotional activities around 35 – 40 projects have been submitted in this year for various funding agencies.
  - He detailed about the award of 6 patents and other 2 which are in pipeline
  - He suggested the council to come out with Action Plan for the coming year and he also assured that all kind of support will be rendered by JSS S&TU.
- ❖ Dr. B S Harish, Convener of the council, briefed about the various Objectives and scheduled activities charted by MHRD, for the period of

2019-2020. He further explained that these activities need be fulfilled by the council

- Dr. Mallikarjuna S Aradhya, President of the council, addressed the council members regarding need of planned and focused efforts on the various activities IIC. Accordingly, he suggested preparing the TEAM of students to the Hackathons and Ideathons competitions scheduled by MHRD under IIC. As per MHRD, Agriculture, Health, Energy and Environment were identified as thrust area for Hackathons and Ideathons competitions. Accordingly, it was suggested to create different Team of student with active faculty representatives from the respective or concern departments.
- A short assignment/seminar talk on the above subjects can be assigned to students. The same can be evaluated for the internal marks. This can be taken as prelude preparation for the Hackathons and Ideathons.
- To improve the cognitive skill of the students and teachers, President suggested inviting speakers from Nimahans and St. Johns hospital.
- As part of the industry visit to students, it was suggested to approach the companies like Infosys, L&T, BEML other factories of interest in around Mysuru
- Prof. Bheemesh expressed his opinion to create awareness on Startup Avenues and the same 'equal priority should be given like Placement & Training activities at JSS STU. He also insisted to encourage the students to file patents through IIC. He talked about bringing the industry collaborations to make the patented idea into a product form. This in turn will fetch revenue for the University.
- It was decided to have an exclusive student members meeting on 3<sup>rd</sup> January, 2019 to discuss strategies on thrust areas of Hackathons and Ideathons.
- The members suggested to update regularly the various activities of IIC on the JSS S&TU., website.

❖ Following were the next immediate actions planned:

- To conduct a one day workshop on IP awareness programme on January 10<sup>th</sup>, 2019. It is planned to conduct half day for students and half day for research scholars and faculty members.
- To initiate the process of forming students Team for HACKTHONS AND IDEATHONS to participate in the national competition organized by MHRD, New Delhi, India.
- To initiate seminar talk on "improvement of cognitive skills" from the experts/ professionals

❖ Convener proposed the vote of thanks to the President and all the members present in the meeting.

  
Dr. B S Harish  
Convener, IIC

31/01/19

## Institution's Innovation Council

Proceedings of the Second IIC Student Committee meeting held on  
28/01/2019, Monday at 1:30 pm, ISE Software Lab, Golden Jubilee Bhavan.

\*\*\*\*\*

### Agenda:

- 1) Action Plans on organizing National Science Day and "Ideathon"

### **Members attended the meeting**

1. Dr. Mallikarjun Aradhya, President, IIC
2. Dr. B S Harish, Convener, IIC
3. Ms. Anagha P
4. Ms. Samanvitha S
5. Mr. Pratheek
6. Ms. Sahana
7. Mr. Deshik Patel
8. Mr. Adarsh
9. Mr. Abhiram G
10. Mr. Chinmay K B
11. Ms. Anushree Hegde
12. Mr. Sriranga
13. Ms. Tulasi V H
14. Ms. Rashi Modi

### **Members on leave/absence**

- I. Mr. Harsh Patel
- II. Mr. Nachiketh

*[Handwritten signature]*

III. Mr. Srinidhi

- ❖ Dr. B S Harish, Convener of the council, welcomed the members of IIC and presented the Agenda of the meeting
- ❖ President, IIC, JSSSTU, addressed the members of student council regarding the importance of National Science Day and Ideathon
- ❖ Dr. B S Harish, Convener of the council, briefed about the various Objectives of the Ideathon and National Science Day charted by MHRD – IIC.
- ❖ The committee decided to organize the Ideathon on account of National Day on 02/03/2019. Following were the themes identified: Agriculture and Rural Development, Healthcare, Energy and Environment as thrust areas for Ideathon competitions.
- ❖ Following were the next immediate actions planned:
  - Calendar of events to be prepared: February 20, 2019 is the last date for idea submission, Idea Presentation on March 02, 2019.
  - To prepare action plans to initiate the circulations of the information about Ideathon.
  - The president advised the students to think on the lines of floating new ideas which are academic related, product oriented and real time solutions.
  - To prepare a Digital Brochure on IDEATHON and circulate the same across the university.
  - The president advised the convener to prepare an approximate budget for the event and submit the same to JSSSTU.
- ❖ Convener proposed the vote of thanks to the President and all the members present in the meeting.

Dr. B S Harish  
Convener, IIC

**JSS**  
SCIENCE AND  
TECHNOLOGY  
UNIVERSITY  
MYSURU

- Constituent College of JSS Science and Technology University
- Approved by A.I.C.T.E
- Governed by the Grant-in-Aid Rules of Government of Karnataka
- Identified as lead institution for World Bank Assistance under TEQIP Scheme

### Institution Innovation Council

#### Proceedings of Quarter 1 Meeting of the Institution Innovation Council, JSS STU (IIC 5.0) AY 2022-23, held on 28-10-2022, 4.30 pm

The Quarter-1 meeting of the IIC-JSSSTU was held under the Chairmanship of Dr. S. Nanjunda Swamy, President, IIC, JSSSTU on 28/10/2022 at 4:30 PM to discuss the status of activities conducted during IIC 4.0 as well as to work out the future plan of activities for the IIC 5.0 activities Quarter -1. Agenda for the meeting and list of members, who attended the meeting, are given at Annexure I and II respectively.

The President of IIC-JSSSTU started the meeting by greeting all the faculty and students present. He flagged off IIC 5.0 that began from 1 September 2022, and gave a brief overview of the future events that have been planned, with entrepreneurial talks on varied subjects being at the top of the list. He also said that Quarter-2 events shall mainly focus on Design Thinking, Critical Thinking, and Outreach Programs in schools and community.

The convener of IIC-JSSSTU, Dr. S. Roopa, then gave a report on the previous events conducted by IIC 4.0, like the IIC driven activities, MIC driven activities, important day celebration, Impact Lecture Series, 24 hour Hackathon which was held in association with Sahaj Software, and many more, and how we can improve the IIC activities in the academic year 2022-23.

Then, Dr. Anil Kumar, Associate Dean, Ranking spoke about the significance of IIC in achieving a good ARIIA (Atal Ranking of Institutions on Innovation Achievements) ranking for the university. He explained the importance of Innovation ambassador and advised to provide IA training for as many numbers of teachers as possible and eventually they become a brand ambassador, which in turn helps our university to become mentor for other institutes' IIC. He has mentioned that, IIC-JSSSTU has to organize as many events as possible, and to encourage the student's fraternity to take part in the events organized by Ministry of Education like Smart India Hackathons (SIH), which will help to fetch 4 stars. ~~for our IIC.~~ He added up on while organizing short-term programs, FDPs (Faculty Development Programs) to add one session ~~Atal Programs, with one session each~~ on 'Innovation' and/or 'Entrepreneurship'. He also highlighted that, during the upcoming induction program of the fresh batch of academic year 2022-23, one session IIC-JSSSTU should be added to create awareness about the function of IIC-JSSSTU.

Next, Dr N Haraprasad, Dean IQAC, gave his valuable inputs on how we, as an innovation centered club, can redirect NGO services towards IIC activities, since the overall innovation index of the country is quite low. He spoke about how we need to come up with strategies for the realisation of Outcome Based Education (OBE), and hence, connect the students to the same. He

*S. Nanjunda Swamy*

1 | Page

also suggested that innovative practices be brought in within each department, and that we organize group activities and events, single handedly, or in collaboration with other organisations (like ARIIA, NAAC, etc.) that can reach out to every discipline (Medicine, Management, Engineering, Life Sciences, etc.) and level of study (Middle & High School, PU colleges, Degree Colleges).

Then, the Prof. Maheshan, Assistant Registrar put forth his ideas of merging many other club activities with that of IIC. He too, highlighted that participation in SIH will result in more points for the club. He also suggested that we use expertise from the department of management studies and the Placement cell, for better industry connect. He emphasized on the recognition and perception of IIC-JSSTU beyond the university and the city, and how this can be achieved by collaborating with sister JSS Institutions (JSS AHER, JSS Medical College, etc.) for events.

Dr. Pushpalatha, NAIN coordinator explained all about NAIN and its purpose. It is a body funded by the Govt. of Karnataka, to encourage innovative thinking and practices among the student fraternity, so they come up with innovative projects and startups. They grant upto 3 lakh funding per idea and an extra 5 lakh rupees for soft components. She stressed upon the timely submission of documents of the events conducted by each dept. as it shall help in the positive growth of both IIC and NAIN.

Prof Manjunath Aradhya, Associate Dean Research, informed about the YUKTI portal which aims at Innovation and Startup over ideation. He explained how IIC can utilize the cooperation of STEP and NAIN for its events. Since there was a slow start for the first quarter, he told us the need for quick actions. He also highlighted the importance of IPR and Research in gaining a better NIRF ranking.

Dr. Sridevi Kulenur, IIC-member, MBA department, updated the MBA department plans on conducting programs based on Entrepreneurial Development, and a CMS workshop in the near future called 'College to Corporate', all under the IIC banner.

Dr. Madhukar, IIC-coordinator, Department of Chemistry, updated the future plans from their department, viz., FDP planned for the current quarter and online programs planned for faculty and students, based on diverse subjects like agriculture, energy crisis, etc.

Dr. Thanu HP, Department of ~~The~~ CTM dept. updated their plans of conducting a 2 week FDP planned, based on sustainability, under IIC.

Further IIC-Members from Mechanical, EC and IP department updated their future plans of conducting FDPs, workshops and ATAL school outreach programs.

The meeting ended with the President intending to know the ideas of the student members of IIC in future internal meetings.

**PROCEEDINGS OF MEETING OF INDUSTRY INSTITUTE INTERACTION CELL (IIIC)**

**17<sup>th</sup> January 2023, 3:30PM to 5:00 PM**

Dr G Mallesh past coordinator of IIIC welcomed the members of IIIC and specified the various objectives of the cell.

Dr S. B. Kivade, Principal SJCE, Chairman of the IIIC cell elaborated the various activities to be conducted by the IIIC. He suggested all the departments to make industry visit compulsory which need to be included in the curriculum. Students must be encouraged to carry out the project/research initiatives in collaboration with Industries and to apply for sponsored projects from funding agencies like KSCST.

Dr Sudarshan Patil Kulkarni suggested to develop policy frame work for the students to carry out the undergraduate project at the industries. Dr Mahadevaswamy informed that students of 6<sup>th</sup> semester are planning for the industry visit and many students are approaching the principal for the permission to visit industries.

Dr V Ramesh said, I & P Department in association with Alumni has conducted several seminars and also the department is in process of MOU with West Virginia Institute. He suggested IIC to maintain a database of industry persons of all the departments.

Dr Ravishankar, HOD Mechanical Engineering said that Department has MOU with Bharuka Aluminium Ltd. And they offered 10 internships for UG students and 3 PG student and they assured that 50% of them will absorbed by the industry.

It was suggested by the members that honorarium to deliver technical talk by the industrial experts need to be increased from existing limit and Principal agreed to discuss the same with the competent authorities.

*Handwritten signatures:*  
VSS  
SSP Kulkarni

Dr Mahananda said that the flagship program B. E. in Computer Science and Business Studies (CSBS) was conducted by the industry and suggested that similar program can be offered by the various other departments.

Prof. Nataraju C suggested that students and faculty members should meet the industry experts to upgrade their knowledge. Dr Pradeep Placement officer agreed to arrange such programs for the benefit of the students and faculty members and he requested to nominate one faculty member for Placement from each department. Endorsing the view of Placement officer, Principal requested all the Heads of the Department to appoint a placement coordinator at the Department level to the immediate effect.

Dr Siddaram pointed out that member of the Board of Studies of Electrical & Electronics have suggested to include industry visit compulsory for the undergraduate students from Department of E&E. Many Electrical industries are ready to provide internships and more the 60% of the students working with various industries for their internships. Dept of E&E has continuous support from industries like Schneider and working on MoU with companies like Dassault and ABB.

Dr Mahananda suggested to depute faculty to undergo training in industries for short duration and requested for framing of policies for the same. Majority of the members endorsed this suggestion. Dr Anantha Padmanabha of Dept of PST suggested such trainings should be made mandatory.

Dr Pradeep placement officer shared his views and difficulties in arranging internship to the students. He requested IIC to create awareness among other faculty for more industry related activities. He also elaborated on the details about the forthcoming industry interaction event "Equip" scheduled on 28<sup>th</sup> January 2023.

Dr Srinath of Dept Computer Science, Dr Uma Rani of Dept of L&I, Dr K F Sanjay of Dept of Biotech, explained the industry related activities planned from their respective Departments.

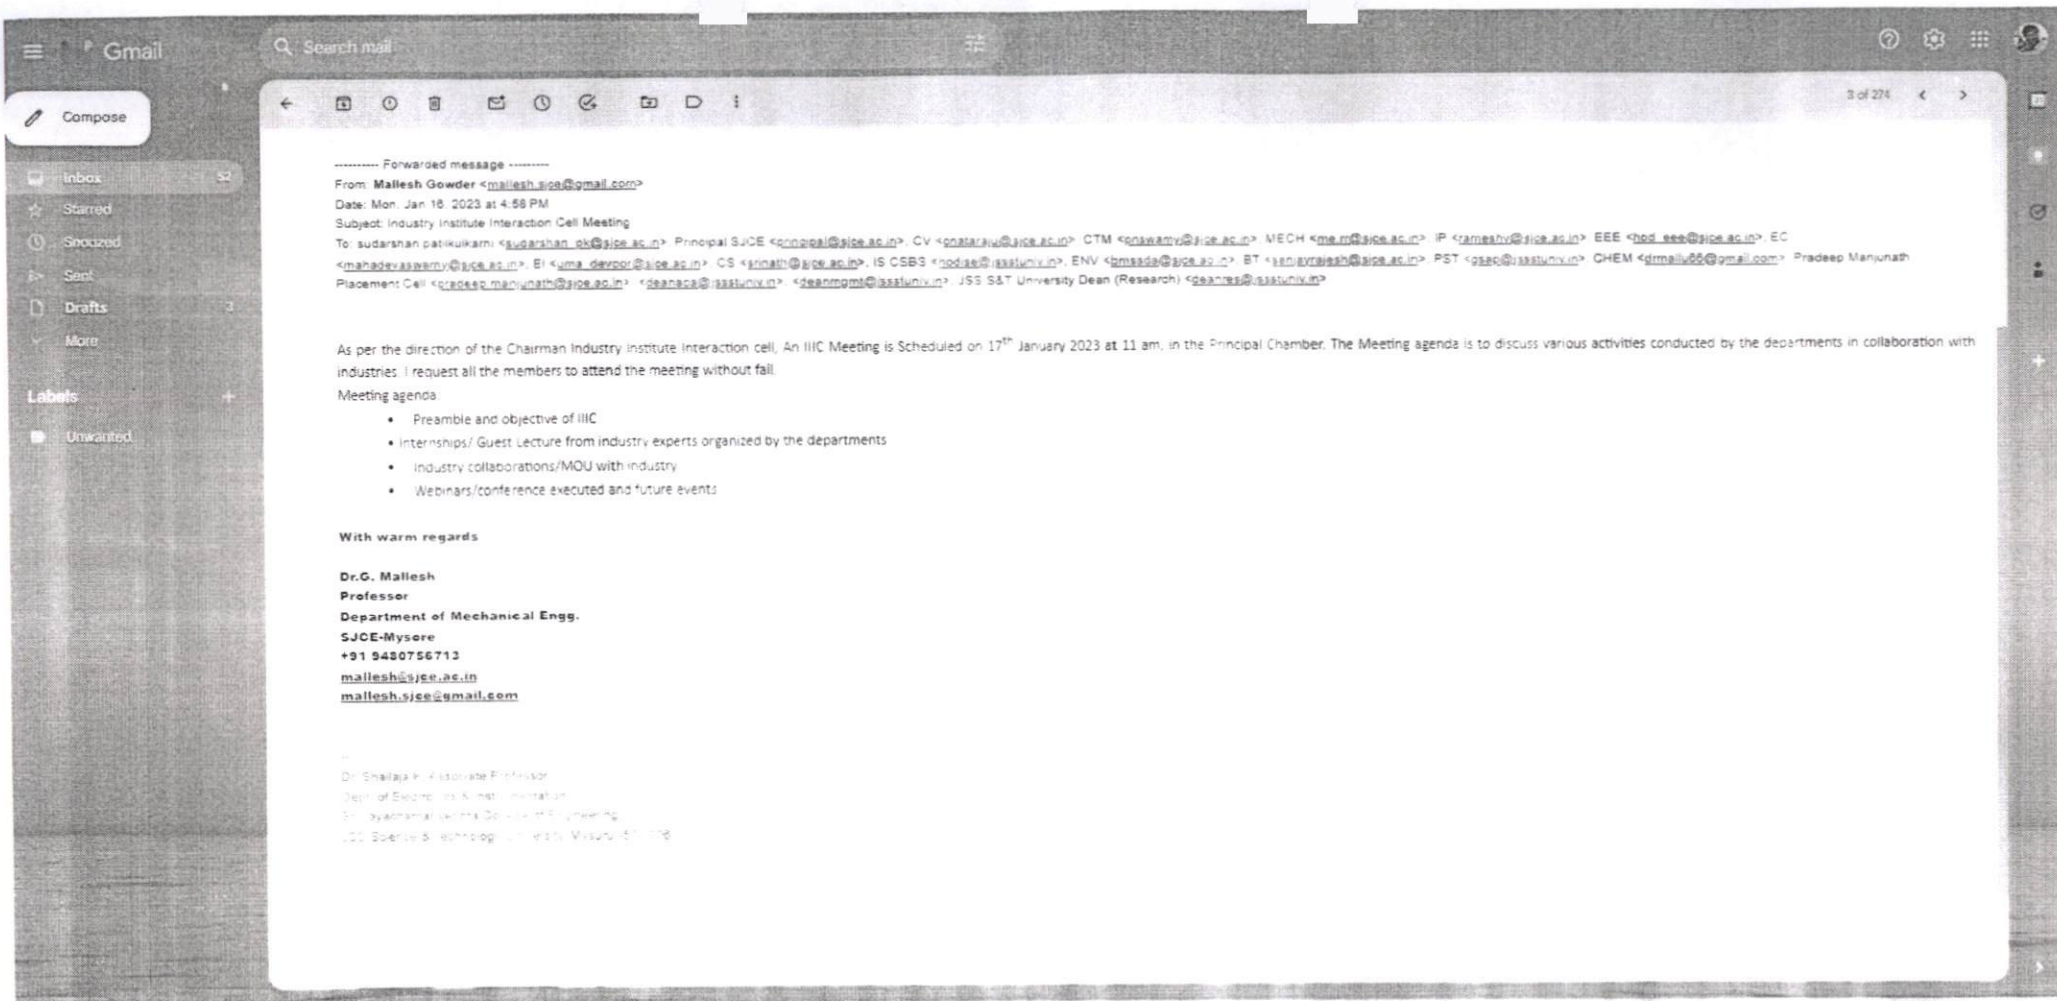

To conclude the meeting, Chairman assured the members of conveying their views to the competent authorities and thanked them.

## INDUSTRY INSTITUTE INTERACTION CELL

2<sup>nd</sup> MEETING

4 January 2019

---

JSS TI Campus, Mysuru-570006

*DB*  
21/1/24

**AGENDA AND NOTES OF THE 2<sup>ND</sup> MEETING OF  
INDUSTRY INSTITUTE INTERACTION CELL**

**2.01 To Read and Record Meeting Notice dated 29 December 2018**

The second meeting of the Industry Institute Interaction Cell of JSS S&TU scheduled on Friday, 4 January 2019 at 4.00 pm in Board Room. Corresponding notice is placed in **ANNEXURE - 1**

**For Kind Information**

**2.02 To Read and Record the Proceeding of the First Industry Institute Interaction Cell meeting**

The proceeding of the first meeting held on 18th June 2018 has been circulated to all the Members for kind approval.

**2.03 Action taken on the points resolved during the first meeting of the Industry Institute Interaction Cell**

**Resolution:** It is unanimously resolved to take the following actions to enhance the Industry Institute Interaction activities of the University.

- Institute should keep in mind the needs of the industry while formulating the syllabus of under graduate and post graduate courses.
- Faculty should attend faculty development programmes in cutting edge areas of science and technology.
- More students should be encouraged to carry out their projects/dissertation work in industries under joint guidance of the faculty and experts from industry
- Teaching and research programmes should be industry-oriented in order to attract industry to collaborate with the institutes in their activities and it will build a sense of confidence among industries.
- Institute should collaborate and interact more with local Micro, Small and Medium Enterprises
- Faculty should undergo industrial training, take a sabbatical in industries and upgrade their technical knowledge.
- Need for coordinated approach among Industry Institute Interaction Cell, Placement & Training department, and Alumni Association
- Achievements by faculty, students and college activities must be showcased in university websites, news letter and magazines.
- Faculty should be encouraged pursue higher studies in premier institutes such as IISc, IITs, NITs, and other institutes of national importance.

*Handwritten signature and date:*  
31/1/24

#### Action Taken:

- Principal, Coordinator of Industry Institute Interaction Cell and Placement officer visited several industries including Intuit, Robert Bosch, HP Enterprise and others to catalyze the further growth and development of interaction between JSS S&TU and Industry. As a result of this Intuit India Product Development Centre Pvt.Ltd., Bangalore has signed an MOU with JSS S&TU.
- Curriculum has been constantly updated with active participation of experts from industry to meet the needs of the industry.
- Students are encouraged and supported through placement and training cell to undergo industrial training, internships, projects/dissertation work in industry. Several scholarships/fellowships have been instituted by industries for students.
- Action has been initiated to create encourage faculty to participate/ organize workshops, conferences and symposia in collaboration with industries and institutes of national importance.
- Website of the university, social media platforms has been constantly updated to disseminate faculty, student's achievements and college activities.

#### 2.04 To consider the activities of Industry Institute Interaction Cell (from June 2018 – till date)

- MOUs signed with different industries - ANNEXURE 2
- Invited talks delivered by industry personnel - ANNEXURE 3
- Professional consultancy by faculty to industries - ANNEXURE 4
- Industrial visits undertaken by students/faculty - ANNEXURE 5
- Participation of experts from industry in curriculum development - ANNEXURE 6
- Joint research projects by faculty and people from industries - ANNEXURE 7
- Internships by students at industry - ANNEXURE 8
- Action plan to enhance interaction between the Institute and Industry

For Kind information and consideration

## ANNEXURE 2

### MOUs Signed with Different Industries

## ANNEXURE 2

### MOUs Signed with Industries

#### MoU with Intuit India Product Development Centre Pvt. Ltd.:

JSS Science and Technology University signed a MoU with Intuit India Product Development Centre Pvt. Ltd., Bangalore on 21 November 2018. Main purpose of the MoU is to equip students to identify industrial problems, understand best practices and deliver innovative solutions to critical challenges. The MoU will further strengthen JSS S&T U in working along with the company on latest technologies like Machine Learning and Artificial Intelligence towards empowering students. Industry projects, Workshops, Faculty Development Programs and Knowledge sharing opportunities on recent technologies will be conducted jointly by University and Company under this MoU.

## ANNEXURE 3

### Invited Talks Delivered by Industry Personnel

### ANNEXURE 3

#### Invited Talks Delivered by Industry Personnel

- Department of Civil Engineering organized a talk on Need for Bridging the gap between Academics and Practice, VishwanathaSastry H.M., Director Technical M/s Bhamys Constructions Pvt. Ltd., Mysuru on 20.09.2018
- Department of Civil Engineering organized a talk on Prof.Srichand Endowment Lecture – “Recent Developments in Remedial Engineering for Civil Structures”, M.N. Ramesh, Director Talrak Construction Chemicals Pvt. Ltd., Bengaluru on 15.09.2018
- Department of Civil Engineering organized a talk on Recent Advances in Pavement Engineering, Prof.Veeraraghavan A., Professor. Department of Civil Engineering, Indian Institute of Technology Madras, Chennai, on 28.07.2018
- Department of Civil Engineering organized a talk on Structural Dynamics –Research areas in Structural Dynamics, Dr.Govardhan Bhat, Assistant Professor, Department of Civil Engineering, NIT, Raipur, Chhattisgarh on 07.06.2018
- Department of Construction Technology and Management organized a Special Lecture on “Recent Advances in the Development at Biofidelic soft tissue surrogates” by Prof. Vinu U Unnikrishnan, University of Alabama, USA, on 14.06.2018.
- Department of Construction Technology and Management organised one day workshop on “Advances in Construction and Management” on 11.09.2018 by
  - Dr. S. Neelamani, Senior Research Scientist, Kuwait Institute for Scientific Research, Safat, Kuwait
  - Dr. S. Raghunath, Professor, Dept. of Civil Engg., BMSCE, Bengaluru
  - Dr. K. V. Vijayendra, Professor, Dept. of Civil Engg., BIT, Bengaluru
- Department of Construction Technology and Management organised a special lecture on “Statics for Project Management” by Mrs.Amrutha A K, Assistant Professor, Dept. of Statistics, Christ College, Mysuru on 21.12.2018.
- Department of Construction Technology and Management organised a special lecture on “Applications of Block Chain Technology for Construction Management” by Mr.Suhas Krishna Kashyap, Physical Design Engineer, Intel Technology, India Pvt. Ltd, Bangalore on 12.10.2018.

- Department of Computer Science and Engineering organized a talk on Current market trends and various challenges faced in near future by Mr. Satish G, AVP and delivery head, Infosys Limited, on 02.11.2018.
- Department of Computer Science and Engineering organized a talk on Data Science talk by Mr.Dipanjana Sarkar, Data Scientist for Enterprise data platform on 03.11.2018.
- Department of Electrical and Electronics Engineering organized a talk on Python Fundamentals, Mr Karthik Venkateswaran, Senior Architect, Aruba networks, Bengaluru on 10/11/2018
- Department of Electrical and Electronics Engineering organized a talk on Regulatory Issues In Power Sector, by Er. Velayutham, Former member of Maharashtra Electricity regulatory commission on 17/12/2018
- Department of Electrical and Electronics Engineering organized a talk on Reactive Power Management across the National grid, by Prof. M N Murthy, Former Principal Director, PSTI on 18/12/2018
- Department of Electrical and Electronics Engineering organized a talk on Demand response and Demand side management and Energy Conservation in Commercial Buildings by Dr M T Aravind, Founder and Managing Director, Amplebit technologies Pvt. Ltd., Bangalore on 19/12/2018
- Department of Electrical and Electronics Engineering organized a talk on Operation of SLDC, RLDC and NLDC by Er. Chandrashekariah, KPTCL on 19/12/2018
- Department of Electrical and Electronics Engineering organized a talk on Renewable Energy and Energy Conservation for Sustainable Development including Design Concept with Hands on Training by Dr H Naganagouda, Director, National Training Centre for Solar Technology, KPCL on 20/12/2018
- Department of Electrical and Electronics Engineering organized a talk on Balancing act among RE, ES and EV towards Sustainable Energy Sector, Dr R Nagaraja, Managing Director, PRDC Bangalore, 21/12/2018
- Department of Electrical and Electronics Engineering organized a talk on Regulations of Power Sector, Er. Lakshmikanth, Rtd.Chief Engineer, Transmission Zone, Heading Training Institute of KEBEA Mysuru.

## **ANNEXURE 4**

### **Professional Consultancy by Faculty to Industries**

## ANNEXURE 4

### Professional Consultancy by Faculty to Industries

- Department of Civil Engineering offers consultancy services to various construction industries, and government organizations in and around Mysuru in the following areas: Structural Design in Civil Engineering Projects, Mix Design of Concrete, Materials Testing (Steel, Concrete, Cement, Aggregates, Bricks, Tiles, Bitumen, Concrete Blocks and Wood), Non Destructive Testing, Geotechnical Investigation, Quality Auditing of works carried out (Third Party Inspection), Structural Dynamics and Earthquake Engineering.
- Department of Civil Engineering faculty members involve in consultancy projects of construction industries and government organizations in and around Mysore and provide technical advice, design and drawings to the civil engineering projects undertaken by the organizations. This activity has helped establishing a very good, healthy and useful industry – institution interaction. Internal Revenue Generated during 2016-17(Rs. 10,78,672) and 2017-18 (Rs. 11,95,109)

### Internal Revenue Generated (IRG) through Consultancy

| Assessment Year             | (01-04-2018 to 30.06.2018) | (01-07-2018 to 30.09.2018) | (01-10-2018 to Till Date) |
|-----------------------------|----------------------------|----------------------------|---------------------------|
| Total amount of Consultancy | Rs. 1,70,956/-             | Rs. 6,53,250/-             | Rs. 2,26,100/-            |

- Various organizations utilizing the consultancy services from the Department of Civil Engineering are: Central Public Works Department, Karnataka Public Works Department Zilla Panchayath Engineering Department – Mysuru, Chamarajanagar and Kodagu Districts, Karnataka Rural Industrial Development Limited, Mysore City Corporation, Mysuru, Mysore Urban Development Authority, Bharath Earth Movers Ltd., Mysore Division, Karnataka Police Housing Corporation, Mysuru, Karnataka State Health Department, Karnataka, Grasim Industries, Mysuru, Larsen & Toubro Ltd., Mysuru, Karnataka Urban Water Supply and Drainage Board, All India Institute of Speech and Hearing, Mysuru, Mysore Nirmithi Kendra, Mysuru, Karnataka Slum Clearance Board, Mysuru, R n R Constructions, Mysuru, Karnataka State Open University, Mysuru, University of Mysore, Mysuru, VTU, Mysuru Center, Public Works Harbour and Inland Navigation, South Western Railway, Mysuru, Various private organizations in and around Mysuru City.

- Strengthening of available Gantry Girder in Heavy Corrosion Repair Shop at Ashokapuram, Railway Workshop, Mysuru (20/06/2018), project consultant M. S. Sunil Kumar, Department of Construction Technology and Management, project cost Rs. 23,600/-
- Structural Design of Augmentation of coaching facilities for IOH maintenance at Mysuru – Construction of service building (07/08/2018), project consultant M. S. Sunil Kumar, Department of Construction Technology and Management, project cost Rs. 11,800/-
- Proof checking of Construction of connecting road from Football field at Academic block at Sainik School campus Kodagu at Kushalnagar (27/11/2018), project cost Rs. 17,700/-

## ANNEXURE 5

### Industrial Visits Undertaken by Students/Faculty

## ANNEXURE 5

### Industrial Visits Undertaken by Students/Faculty

- V Semester B.E. (Civil Engineering) students visited Water Treatment Plant, Torekadanahalli near Malavalli and to Bhoruka Mini-hydel project near MadhavaMantriAnnikut near Talakadu on 12<sup>th</sup> October, 2018 by V Semester B.E. (Civil Engineering) students.
- 40 Computer Science and Engineering students visited Intuit India Product Development Centre Pvt. Ltd., Bangalore on 1st Sept.2018.
- The Department of Construction Technology and Management organised an educational trip to Jog projects and Varahi underground power plant project for the 5th semester B.E. (CT&M) students on 23.11.2018 and 24.11.2018.
- I and II year M.Sc (Chemistry) Students visited MyPol, K.R.S. Road, Metagahalli, Mysuru on 22nd December 2018.
- II year M.Sc (Chemistry) Students have undergone industrial training at Anthem Biosciences Pvy.Ltd., Bengaluru. Jubilent, Industrial Area, Nanjangud. Iodine India Pharmaceuticals Private Limited, Kumbalagodu Industrial Area, Bangalore, Mangaluru Chemicals and Fertilizers Ltd., Panambur, Mangaluru.
- Deepa S N, Department of Electrical and Electronics Engineering visited Vivekananda Electrical Industries Pvt.Limited , Penya, Bengaluru on 17/09/2018
- 3rd semester students of department of Electrical and Electronics Engineering visited Nuclear Power plant, Kaiga on 3/10/2018. Students were accompanied by faculty members Neethi M, K M Vinay, Sowmyashree N
- 3rd semester students of department of Electrical and Electronics Engineering visited INS Naval Base, Kadamba, Karwar on 4/10/2018. Students were accompanied by faculty members Neethi M, K M Vinay, Sowmyashree N
- 3rd semester students of department of Electrical and Electronics Engineering visited MCF ISRO, Hassan on 6/10/2018. Students were accompanied by faculty members Neethi M, K M Vinay, Sowmyashree N
- 5th semester students of department of Electrical and Electronics Engineering visited JSW Energy plant, Bellary on 25/10/2018.

- 5th semester students of department of Electrical and Electronics Engineering visited Udupi Power Corporation Limited, Udupi on 1/11/2018. Students were accompanied by faculty members Dr M H Sidram, Ravishankar B S, Deepa S N, Divyashree B P
- 5th semester students of department of Electrical and Electronics Engineering visited INS Naval Base, Kadamba, Karwar on 3/11/2018. Students were accompanied by faculty members Dr M H Sidram, Ravishankar B S, Deepa S N, Divyashree B P
- 1st semester M.Tech students of department of Electrical and Electronics Engineering visited 66/11k V Gas Insulated Sub station, Kalamandir, KPTCL, Mysuru on 14/11/2018. Students were accompanied by faculty member Ravishankar B S
- 5th semester students of department of Electrical and Electronics Engineering visited South western railway workshop, Mysuru on 17/12/2018
- 3rd Semester students of department of Electronics and Instrumentation visited MRPL, Mangaluru and NPCIL, Kaiga on 31st October 2018 and 2nd November 2018.
- 1st semester M.Tech students of Software Engineering and Data Science will be visiting NETAPP Boot Camp, Bangalore on 31st January 2019.

## ANNEXURE 6

### Participation of experts from industry in curriculum development

## ANNEXURE 6

### Participation of experts from industry in curriculum development

- Department of Civil Engineering involves following experts from industry in curriculum development:
  - Sri. Chandramouleeswar S.  
Civil Engineering Practitioner,  
Secretary, Association of Consulting Civil Engineers (India) - Bangalore Centre  
Shree Maata, # 939, 28th Main Road, 9th Block, Jayanagar,  
Bengaluru - 560 069.
  - Sri. Niranjan Simha  
Executive Vice President  
Head Residential Buildings and Factories SBG  
Larsen & Toubro Limited  
Landmark "A" 5th Floor  
Suren Road, Off Andheri Kurla Road, Chakala,  
Andheri East Mumbai-400093
  - Sri. G.V. Surendra Technical Assistant (A E E)  
Office of the Managing Director  
Visvesvaraya Jala Nigam Limited  
C/O KNNL No-1 Coffee Board Building  
4th Floor Dr.B R Ambedker Veedhi  
Bengaluru 560001
  - Sri. B.R. Badarinath  
Managing Director  
Subhadra Constructions, Mysuru
- Department of Computer Science and Engineering involves Mr. Sundar K S, Infosys Ltd, Mysore and Mrs Ruchira Kamdar, IBM India, Bangalore as experts from industry in curriculum development.
- Department of Electronics and Instrumentation involves Mr. Nataraj P, GM, Maintenance and Projects Jubilant generic Ltd, Nanjanagodu, Mysuru and Mr. Ramesh V, GM (Tech), CNA Engineering Pvt. Ltd, Bengaluru as experts from industry in curriculum development.

- Department of Information Science and Engineering involves following experts from industry in curriculum development:
  - Dr.Nirmal Kumar Sancheti  
Vice President-Engineering,  
AllGo Embedded Systems Pvt.Ltd,Bangalore
  - Shrinivas S Kulkarni  
Senior Software Architect,  
IBM India Software Lab,Bangalore
  - Ramesh Phatak  
Board Member and Director  
CONTEXT,Technical Consultant,  
Member of Angel Network,  
Bengaluru Area, India
- Department of Construction Technology and Management actively involved following industry experts in finalising a certificate course on “Quantitative Survey and Estimate”:
  - Er. Vedhachalam R., Ex. Officio HBK.Holding, Qatar
  - Er. Prasad, Retd. Quantity Surveyor Eastern Limited, Sharjah
  - Er. N Kumar, Retd. Quantity Surveyor Eastern Limited, Sharjah
  - Er. Mohan, Quantity Surveyor, Vijayashankar Consultants, Mysuru
- Department of Electrical and Electronics Engineering has introduced a Subject on “Smart Energy for urban environment” handled by Mr.Shashidhara Dongre from L&T for 1st Semester M.Tech course in Energy systems and management. This course is intended to give overview and basic concept of smart grid suitable for present urban environments. The course covers following topics:
  - the study on urban population growth trends, energy requirement landscape and current patterns of consumption by type – Concept of Carbon foot print and Green cities and Net Zero cities – Micro grids – LEED certified buildings as building blocks of Net Zero cities.
  - Smart Grid standardization – Initiatives by forward looking cities – Initiatives by Major corporates and startups - Policy initiatives by governments across the world are brought out and compared.
  - Modeling and analysis for population, energy consumption is intended to be carried out using suitable software simulation.

- Mr.Dhananjaya and team from Schneider electric have visited department of Electrical and Electronics Engineering in June/July-2018 and trained faculty members and students on PLC, Automation, HMI and SCADA.
- Mr.Ravi alaguru swamy, Manager, Schneider electric has been involved as BoS member in the department of Electrical and Electronics Engineering.
- Department of Chemistry involves following experts from industry in curriculum development:
  - Mr. Prasad Shandliya B. R, General Manger, Head of Analytical Research Development & Quality Control, Anthem Biosciences Pvy.Ltd., Bengaluru.
  - Dr. H. N. Nanishankar, Senior Scientist, SFS Department, CSIR-CFTRI, Mysuru – 570002.
  - Mr. Mohan Kumar, Jubilent, 56 Industrial Area, Nanjangud, Mysore, 571302.
  - Dr. Arun Kumar, R&D, Jubilent, 56 Industrial Area, Nanjangud, Mysore, 571302.
  - Mr. Krishnappa, The Joint General Manager– EHS & QC, Mangaluru Chemicals and Fertilizers Ltd., Panambur, Mangaluru.
  - Dr.Vrushabendra Swamy, Iodine India Pharmaceuticals Private Limited, Kumbalagodu Industrial Area, Bangalore.

## ANNEXURE 7

### Joint research projects by faculty and people from industries

- Mr. Rajendra Prasad H. N. , Department of Construction Technology and Management has a research project on "Evaluation of FRP Composites as Truss Members of Walkway Bridges as an Alternative for Steel" with M/S Indavara Engineering Co. Pvt. Ltd., No. 69/A1 & A2, Hootgalli Industrial Area, Mysore – 570018 on 11<sup>th</sup> September 2018. They have agreed to sponsor the materials for testing and to use their facilities available at M/S Indavara Engineering Co. Pvt. Ltd., Mysuru.
- NAIN-NEW AGE INCUBATION NETWORK (2017-2020) Program in Phase-3 and named as K-Tech Innovation Hub by Government of Karnataka (GOK), has been awarded to promote Entrepreneurship and Incubation Network at our campus through various activities. A grant of 40 lakhs has been received under this project.
- 6th semester students of Information Science and Engineering are working on projects provided by AllGo Embedded Systems Pvt.Ltd, Bangalore on following Machine learning problems:
  - Emotion/age/gender recognition: Camera will be placed at the dashboard (near the Speedometer) of vehicle. Algorithm detects emotions along with age and gender of the person.
  - Driver activity detection: All the activities of the vehicle driver is detected by the system.
  - Child detection: Algorithm to detect the age of child
  - Face recognition: Registration and detection of the face of different persons.

## ANNEXURE 7

Joint research projects by faculty and people  
from industries

## ANNEXURE 8

### Internships by Students at Industry

**ANNEXURE - 8 Internships by students at Industry**

| Sl. NO | Name                     | USN           | Branch | Company name                 |
