Criterion	6 - Governance, Leadership and Management	100
Key Indicator	6.1 Institutional Vision and Leadership	15
Metric	6.1.1 The Institutional governance and leadership are in accordance with Vision and mission of the institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, and de-centralization, participation in the institutional governance and in their Short term / Long term institutional perspective plan. (QLM)	15

The university boasts a well defined decentralized structure that fosters flexibility and adaptability, accountability, creativity and innovation, greater stakeholder engagement, effective resource allocation, and increased employee enthusiasm and morale. There are several levels of decision-making in academic and administrative affairs, and permissions are sought from the appropriate authorities. According to the normal structure of the university's scheme, each faculty member in the department participates in the framing of the syllabus in a team centred on their area of expertise. The syllabus is then further debated in the department-level syllabus review meeting and frozen in the BOS meeting. Faculty of the department play a role in BOS as members.
