

Criteria	Criteria-VII – Institutional Values and Best Practices
Key Indicator	7.1. Institutional Values and Social Responsibilities
Metric	7.1.5. The institutional initiatives for greening the campus

Green Campus

A "green campus" typically refers to an environmentally friendly and sustainable campus environment. It often involves practices and initiatives that aim to reduce the environmental impact of campus operations. This can include efforts such as energy conservation, waste reduction, water efficiency, use of renewable resources, and promoting green spaces. A green campus is designed to be ecologically responsible and promote a sustainable lifestyle among students, faculty, and staff.

The geotagged photos showing the green campus of the university are attached below
