

INTERNATIONAL DANCE DAY

Celebration during Lockdown

Under

Ek Bharat Shrestha Bharat Program

DATE: 29-04-2020

The **29th of April** is celebrated as **International Dance day** by dancers and dance enthusiast all across the globe.

To commemorate this special day, dance students from our university cultural team prepared and posted a video of them shaking a leg to a peppy number on social media.

This was co-ordinated and performed by the team members during the lockdown. Everyone co-ordinated and danced, shot their part of the video all while staying safe at their homes. All the parts were merged and edited by the members of the team itself to make the video.

The combined effort of everyone made this possible whilst following social distancing and lockdown rules and norms.

Dance is considered to be the language of the soul by many. It is one of the most energetic, happy, entertaining and soulful form of art. Dances of innumerable styles and forms are performed across the world.

Few talented dancers started a dance team 15 years back and called themselves **College Cultural team**. The team was carried forward by the students as the years past and it is still strong now in the year 2020.

The team is always on the lookout for creative ways to showcase themselves. Adding to their already successful events like the "Just dance" - dance competitions, "Dance workshops", "Auditions" etc, now they are shining on the online platform as well, with over 20,000+ (twenty thousand plus) views.

Social media celebrity Sonali Bhadauria who has been an acclaimed dancer for a long time now even shared our video on her social media account as a story on Instagram. She acknowledged our efforts and uplifted all our spirits by liking and commenting on our post on the same platform. We wish to continue the same efforts and try to take the dance culture in JSS-STU (SJCE) to much further heights.

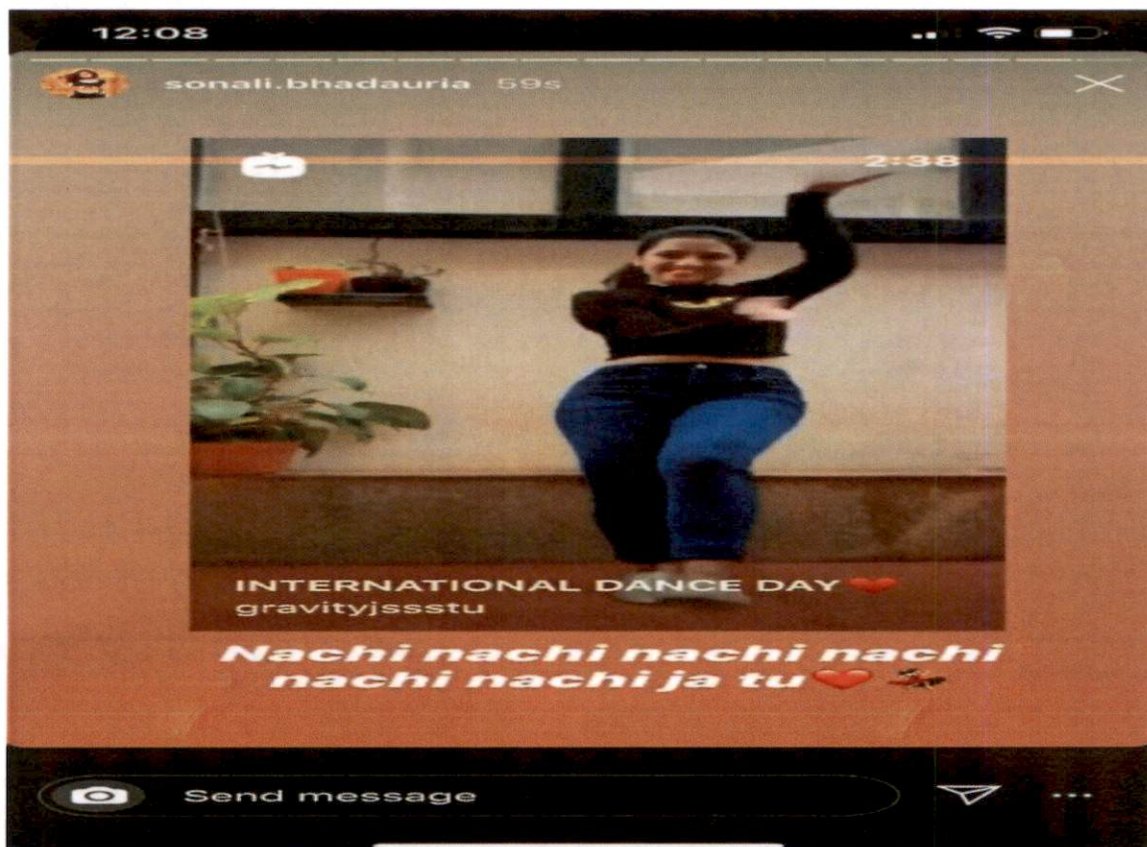

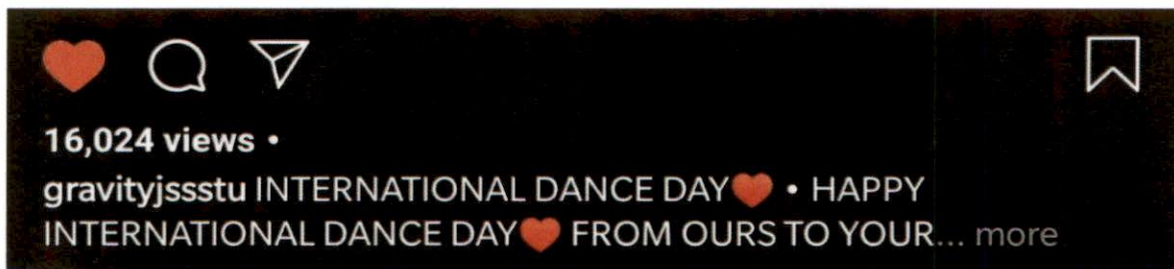

Video done during lockdown:

The following are the list student's names who have performed in these videos:

1. Shashirekha (Environmental Engineering).
2. Chandana Gore (Polymer Science & Technology)
3. Roghini (Computer Science & Engineering)
4. Tejas (Information and Engineering)
5. Bhargavi (Industrial Production and Engineering)
6. Harsh Agarwal (Computer Science & Engineering)
7. Charishma (Master of Computer Applications)
8. Harsh Patel (Computer Science and Engineering)
9. Varshini (Civil Engineering)
10. Kushwanth Gowda (Mechanical Engineering)
11. Shruthi (Computer Science & Engineering)
12. Suman (Mechanical Engineering)
13. Sindhu (Industrial Production and Engineering)
14. Karthik (Mechanical Engineering)
15. Preethika (Biotech)
16. Nachiketh (Mechanical Engineering)
17. Ayushi (Electronics and Communication Engineering)
18. Jeshta (Computer Science and Engineering)
19. Disha (Computer Science and Engineering)
20. Sinchana Lokesh (Biotech)
21. Arun (Polymer Science & Technology)
22. Deepthi SUriyawanshi (Environmental Engineering)
23. Puja Huggi(Computer Science & Engineering).
24. Namritha Jayaprakash (Computer Science & Engineering)
25. Aishwarya Mudagoudar (MBA)
26. Harsha (Mechanical Engineering)
27. Sumair Khan (Industrail Production & Engineering)
28. Rakshitha (Environmental Engineering)
29. Bhumika (Electronics & Instrumentation Engineering)
30. Yashas (EEE)
31. Preethu Rajesh (Electronics & Communication Engineering)
32. Yukthi jain (Information Science & Engineering)
33. Kruthi M B (Industrial Production & Engineering)
34. Bhoomika Y S (Information Science and Engineering)
35. Shraavya Satheesh (Electronics & Instrumentation Engineering)
36. Kushal Shetty (Mechanical Engineering)
37. Arjun V Kakade (Mechanical Engineering)
38. Aishwarya Gowda (Construction Technology & Management)
39. Sandesh H Bhat (Information Science & Engineering)
40. Varuni V (Electronics & Communication Engineering)
