- **Dr. C. Nataraju (Principal, SJCE):** Dr.Nataraju emphasized the significance of nurturing a green campus and its positive impact on students' awareness and involvement in environmental causes. He commended the coordinated efforts of NSS SJCE and encouraged continued commitment to sustainable practices.
- **Sri Shivaprasad and Monish Kumar K (NSS Officers):** The NSS Officers shared insights into the planning and execution of the Plantation Drive. They emphasized that the event was more than just planting trees; it was a call to action for everyone to actively participate in the preservation of our environment
- **The Plantation Drive:** Participants from diverse backgrounds, including students, faculty, and staff members, came together to plant saplings of native trees in the designated area. The planting process aimed to not only contribute to the expansion of green cover but also to raise awareness about the pivotal role trees play in maintaining ecological equilibrium.
- **Community Interaction:** In addition to planting saplings, participants engaged with the audience and distributed informational materials on afforestation and its broader ecological significance. This interaction served as a catalyst for spreading awareness and encouraging individuals to engage in environmentally conscious practices.

Conclusion: The Plantation Drive, orchestrated by NSS SJCE JSSSTU as part of the Independence Day celebrations, served as a testament to the institution's dedication to environmental well-being and sustainability. The presence of esteemed dignitaries including Sri A N Santhosh Kumar, Registrar S A Dhanraj, Dr. C. Nataraju, and others added weight to the event's message, inspiring all present to embrace a more eco-friendly lifestyle and contribute towards a healthier planet.
