STUDENT INDUCTION PROGRAM

Student Induction Program was established to train graduates in the branch of admission, have a holistic outlook and designed to work for national needs and beyond. The graduating student must have knowledge and skill in the area of his/her study. However, the students must also have broad understanding of Society, Relationships, Ethics and Human values. Character needs to be nurtured as an essential quality by which a student would understand and fulfil his/her responsibility as an engineer, a citizen and a human being. Besides the above, several meta skills and underlying values are also needed. One will have to work closely with the newly joined students in making them feel comfortable, allow them to explore their academic interests and activities, reduce competition and make them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life, and build character. Purpose of induction program is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. Induction program include Yoga, meditation, games, sports, Expert talks, Universal human values, cultural activities, Literary activity, Proficiency Modules, Stress Management and Fine Arts, Attitude, Soft Skills and Societal Liabilities, Visit to Local area, Village and College Campus Walk etc.
