Report on visit to Channanajayyanahundi Village adopted by JSS S&TU

Date of Visit: 15th September 2023

Ref: Adoption Village Channanajayyanahundi as per order no DO No. GS 06 GUM 2018, dated 24.12.2018.

A momentous event took place in the adopted village of Channanajayyanahundi, Karnataka, as a part of the Indra Dhanush 5.0 initiative by the Government of India. The event was organized by JSS Science and Technology University.

The conduction of the Indra Dhanush 5.0 an initiative by the government of India. This program was conducted keeping the principles in line with the Government of India. The program went a jatha along with the students of the government school, volunteers of JSS STU and faculties to sensitize the villagers about the immunization held during September 16th and October 9th to 14th for achieving measles and rubella elimination ensuring that the unvaccinated and partially vaccinated children are fully immunized. Banners were installed in different places of the villages for reminding the dates of vaccination. Further the team distributed school bags to the students of the school and also created awareness about education and healthcare positively.

The event was well-received by the local community and laid the foundation for sustained efforts in uplifting the adopted village. The government's commitment to the welfare of its citizens, as demonstrated by the Indra Dhanush initiative, and the active participation of villagers, government school staffs and Youth for Seva, highlight the potential for positive change and development in India's rural areas.
