PREAMBLE

This report provides an overview of the key insights and valuable information presented in a recent lecture on interview etiquette by **Lavanya Raghuram**. The lecture aimed to equip attendees with the necessary skills and knowledge to navigate the intricacies of professional interviews and leave a lasting positive impression. The talk was organized on 18th February 2018. 50 students were trained in this event.

ABOUT THE EVENT

Research and Knowledge: Comprehensive research about the company and the role demonstrates preparedness and commitment, providing a competitive edge in the interview process.

First Impressions Matter: The significance of professional presentation, including attire and body language, was underscored. Attendees learned that a polished appearance contributes significantly to creating a positive first impression.

Active Listening and Engagement: Effective communication involves not only expressing oneself but also actively listening to interviewers. Ms. Raghuram highlighted the importance of engaging with interviewers, asking questions, and demonstrating genuine interest in the position.

ABOUT THE RESOURCE PERSON

She is a passionate, active mentor to women-in-technology and drives multiple technical vitality initiatives. She has extensive experience in leading complex solution architecture and design of government systems, that includes designing hybrid cloud solutions for large scale civilian services delivery, Data and Intelligence Platforms, piloting Blockchain based trusted systems to name a few. She has also led development of solutions in Counter Fraud and Risk analytics portfolio and Social Security Platforms, that delivered improved outcomes and operational efficiencies to the agencies.

BRIEF OF THE LECTURE DELIVERED

Preparation Strategies:

Lavanya Raghuram began by emphasizing the importance of thorough preparation before interviews. Attendees gained insights into researching the company, understanding the role, and anticipating common interview questions to showcase their qualifications effectively.

Professional Presentation:

The lecture delved into the significance of professional attire, body language, and communication skills during interviews. Practical tips were shared to help attendees present themselves confidently, making a favourable impression on prospective employers.

Effective Communication:

Ms. Raghuram discussed the art of effective verbal and nonverbal communication during interviews. Attendees learned about articulating their thoughts clearly, showcasing relevant skills, and actively listening to interviewers to create a positive and engaging interaction.

Post-Interview Etiquette:

Practical advice was provided on the often-overlooked aspect of post-interview etiquette. Ms. Raghuram highlighted the importance of sending thank-you notes, expressing gratitude, and reiterating interest in the position as part of a thoughtful follow-up process.

BENEFIT OF THE EVENT TO THE DEPARTMENT/UNIVERSITY AND SOCIETY

Personal Branding: Ms. Raghuram introduced the concept of personal branding during interviews, emphasizing the need for candidates to articulate their unique value proposition and stand out in a competitive job market.

Handling Difficult Questions: Practical strategies were shared for handling challenging or unexpected questions during interviews. Attendees gained insights into maintaining composure and framing responses positively.

Audience Interaction:

The lecture encouraged active audience participation through Q&A sessions and interactive discussions. Attendees had the opportunity to seek personalized advice, share their experiences, and gain clarity on specific aspects of interview etiquette.

CONCLUSION

The lecture provided a comprehensive and practical guide for individuals navigating the competitive landscape of job interviews. Attendees left the session equipped with actionable strategies to enhance their interview skills, from preparation to post interview follow-up. Ms. Raghuram's expertise and engaging presentation style made the lecture a valuable resource for professionals seeking to make a strong and positive impression in their job search endeavours.

PREAMBLE

This report explores the leadership insights shared by Pavan Ranga, Director at Rangsons Aerospace. Leveraging his role in a leadership position at Rangsons Aerospace, Pavan's session aimed to provide participants with valuable perspectives on effective leadership. The report distills key takeaways from his expertise in leadership within the aerospace industry. The talk was organized on 21st March 2018 for 3rd semester students. 50 students were trained in this event. The event was conducted by Placements and training cell in CS101 classroom in golden jubilee block.

INTRODUCTION

1. Prioritization Skills: Participants gained insights into the importance of strategic prioritization, focusing on tasks that contribute most to their professional and organizational goals.
2. Productivity Enhancement: Understanding and implementing tools and techniques to enhance individual and team productivity.
3. Goal Achievement: Recognizing the connection between effective time management and the successful achievement of personal and professional goals.
4. Leadership in Time Management: Strategies for leaders to foster a time-conscious culture, promoting accountability and creating an environment conducive to optimal time utilization.

ABOUT THE EVENT

This training session focused on uncovering the principles and strategies that contribute to successful leadership, particularly within the aerospace sector.

Training Objectives:

1. Industry-Specific Leadership: Examine the unique challenges and opportunities associated with leadership in the aerospace industry.
2. Strategic Decision-Making: Discuss strategies for making informed and strategic decisions, considering the complexities of the aerospace sector.
3. Team Building and Motivation: Explore the importance of team building and motivation in a high-stakes industry like aerospace, emphasizing collaboration and morale.
4. Adaptability and Innovation: Discuss the role of adaptability and innovation in leadership, especially in a rapidly evolving and technologically driven field.

ABOUT THE RESOURCE PERSON

Pavan Ranga, in his capacity as a Director at Rangsons Aerospace, brings a wealth of experience and leadership acumen to the discussion on effective leadership.

BRIEF OF THE LECTURE DELIVERED

Agenda:

- Overview of the aerospace industry's challenges and opportunities.
- Strategies for effective leadership within the aerospace sector.
- Factors influencing decision-making in the aerospace industry.
- Case studies illustrating successful strategic decisions in leadership.
- Importance of cohesive teams in aerospace projects.
- Motivational techniques and leadership approaches for fostering a positive team culture
- The role of adaptability in leadership, particularly in response to technological advancements.
- Encouraging and fostering innovation within aerospace teams.

Key Takeaways:

1. Industry-Specific Leadership: Participants gained insights into the unique challenges and opportunities associated with leading teams within the aerospace industry.
2. Strategic Decision-Making: Understanding the factors that influence decision-making and applying strategic thinking to navigate complex aerospace scenarios.
3. Team Building and Motivation: Recognizing the importance of cohesive teams and implementing motivational techniques to foster a positive team culture.

Soft Skill Training

Training Facilitator: Mr. MM Nikhlesh Founder of Kalisu Foundation

Target Audience: B.E & M.Tech Students

Venue: IS Seminar Hall

Date of the Programme: *30th July 2018*

Executive Summary

The Placement Office at JSS Science and Technology University, Mysore, successfully hosted a comprehensive Soft Skill Training Program, led by Mr. MM Nikhlesh, the esteemed founder of Kalisu Foundation and a passionate trainer known for his expertise in personal and professional development. Conducted over a period of two weeks, this program aimed to equip B.E. and M.Tech students with essential soft skills crucial for their personal growth and professional success. The sessions were meticulously designed to foster communication, leadership, teamwork, and emotional intelligence among the participants, with a keen focus on practical application and interactive learning.

Introduction

In today's competitive job market, possessing strong technical skills alone is not sufficient; employers are increasingly valuing soft skills, which are essential for effective teamwork, leadership, and communication. Recognizing this, the Placement Office initiated a targeted training program to enhance these competencies among its engineering students, inviting Mr. MM Nikhlesh to facilitate the sessions. His unique approach, combining theory with practical exercises, has made a significant impact on the participants, preparing them for the multifaceted challenges of the professional world.

Program Overview

Curriculum Highlights

- Communication Skills:** Emphasis on verbal and non-verbal communication, public speaking, and effective listening techniques.
- Leadership and Teamwork:** Strategies for effective leadership, team building exercises, and conflict resolution methods.
- Emotional Intelligence:** Understanding and managing emotions for better interpersonal relationships and self-awareness.
- Problem Solving and Critical Thinking:** Enhancing analytical skills and creative problem-solving strategies.

Facilitator

Mr. MM Nikhlesh brought to the program a wealth of experience in soft skill training, leveraging his background with the Kalisu Foundation to engage and inspire the students. His dynamic and interactive teaching style ensured that the sessions were both informative and transformative.

Participation and Engagement

The program was met with enthusiastic participation, attracting a diverse group of students eager to develop their soft skills. The interactive nature of the workshops, coupled with Mr. Nikhlesh's engaging delivery, fostered a highly participative and collaborative learning environment.

Outcomes and Achievements

Feedback from participants indicated a significant improvement in their communication abilities, leadership confidence, and emotional intelligence. Students reported feeling more prepared for the interpersonal aspects of professional environments and more confident in their ability to navigate complex team dynamics.

Feedback and Evaluation

Participant feedback was overwhelmingly positive, with many commending Mr. Nikhlesh's ability to make complex concepts accessible and engaging. Suggestions for future programs included requests for more sessions on specific topics such as negotiation skills and advanced public speaking.

Conclusion

The Soft Skill Training Program, facilitated by Mr. MM Nikhlesh, has made a profound impact on the students at JSS Science and Technology University, Mysore, by equipping them with the soft skills necessary for both personal growth and professional success. The Placement Office acknowledges the critical importance of such skills in today's workforce and is committed to continuing its efforts to provide students with opportunities for holistic development.

PREAMBLE

This report encapsulates the insights shared by Ravi Shankar Rao, CEO at Proxelera, on the critical aspect of time management. Leveraging his role as a top executive, Ravi Shankar Rao's session provided practical strategies and techniques for optimizing time, enhancing productivity, and achieving organizational goals. This report distils the key takeaways from his expertise in time management. This event was held on 16th January 2019 in IS seminar hall 2 by the placement and training cell and 180 students from 1st and 2nd semesters attended the event.

INTRODUCTION

Training Objectives:

1. Strategic Time Allocation: Explore the concept of strategic time allocation, emphasizing the importance of prioritization in achieving professional and organizational goals.
2. Productivity Enhancement: Provide practical tools and techniques to enhance individual and team productivity, focusing on time utilization for maximum impact.
3. Effective Goal Setting: Discuss the role of time management in goal setting, breaking down long-term objectives into actionable and achievable tasks.
4. Leadership in Time Management: Examine the role of leadership in promoting a time-conscious culture, fostering accountability, and creating an environment conducive to optimal time utilization.

ABOUT THE RESOURCE PERSON

Ravi Shankar Rao, in his capacity as CEO at Proxelera, brings a wealth of experience in leadership and organizational management.

BRIEF OF THE LECTURE DELIVERED

Agenda:

1. Session 1: Fundamentals of Time Management
 - Introduction to the key principles of time management.
 - Identification of common time-wasting activities and habits.
2. Session 2: Strategic Time Allocation and Prioritization
 - Strategies for prioritizing tasks based on urgency and importance.
 - Case studies illustrating successful time allocation in leadership roles.
3. Session 3: Tools and Techniques for Productivity
 - Introduction to productivity tools and techniques.
 - Interactive exercises to apply these tools in real-world scenarios.
4. Session 4: Goal Setting and Leadership in Time Management
 - The role of effective time management in goal setting.
 - Strategies for leaders to foster a time-conscious culture within their teams.

Key Takeaways:

1. Prioritization Skills: Participants gained insights into the importance of strategic prioritization, focusing on tasks that contribute most to their professional and organizational goals.
2. Productivity Enhancement: Understanding and implementing tools and techniques to enhance individual and team productivity.
3. Goal Achievement: Recognizing the connection between effective time management and the successful achievement of personal and professional goals.
4. Leadership in Time Management: Strategies for leaders to foster a time conscious culture, promoting accountability and creating an environment conducive to optimal time utilization.

CONCLUSION

Ravi Shankar Rao's session on time management provided participants with practical strategies and insights to optimize their use of time and enhance productivity. The knowledge gained is expected to empower individuals and leaders alike to make more informed decisions about how they allocate their time, ultimately contributing to personal and professional success within the dynamic business landscape.

PREAMBLE

The seminar on Group Discussions, led by **Mahesh Rao**, the Chief Executive Officer at Aashaya Design Solutions, proved to be an insightful and engaging session for participants. Mr. Rao's extensive professional background and leadership role at Aashaya Design Solutions added depth to his discourse on the dynamics of effective group discussions.

ABOUT THE EVENT

Understanding the Purpose of Group Discussions:

Mr. Rao initiated the seminar by emphasizing the importance of group discussions in various professional settings. Participants gained insights into how group discussions serve as a platform for collaborative decision-making, problem-solving, and ideation.

ABOUT THE RESOURCE PERSON

After 20 years in corporate world, Mr. Mahesh Rao, moved to teaching and research in 2012. Almost after 10 years at Intel he started a company, Aspire Communication specializing in Embedded domain with both hardware and software outsourced products. He had just started a new company: Aashaya Designs specializing in embedded designs. He is simultaneously working on IOT based solutions to Prescriptive Farming and along with Several PhD scholars working on Image Processing, AI and ML related work.

BRIEF OF THE LECTURE DELIVERED

Structuring and Facilitating Group Discussions:

Practical tips were shared on structuring group discussions for maximum productivity. Mr. Rao addressed the nuances of effective facilitation, ensuring that every participant had an opportunity to contribute.

Communication Strategies:

The seminar delved into communication strategies essential for fruitful group discussions. Mr. Rao highlighted the significance of clarity, active listening, and concise expression in fostering an environment conducive to effective group communication.

Conflict Resolution Techniques:

Understanding that conflicts can arise during discussions, Mr. Rao provided strategies for addressing and resolving conflicts constructively. Participants learned how to turn conflicts into opportunities for collaborative problem-solving.

Leadership in Group Dynamics:

Mr. Rao, drawing from his role as CEO, discussed the role of leadership in steering group dynamics. Participants gained insights into how effective leadership can positively influence the outcome of group discussions and decision-making.

Real-world Application:

The seminar incorporated real-world examples from Mr. Rao's experiences at Aashaya Design Solutions. Case studies provided practical illustrations of successful group discussions and the lessons learned from challenges.

Q&A Session:

The seminar concluded with an interactive Q&A session where participants engaged with Mr. Mahesh Rao, seeking clarification and additional insights. The open dialogue allowed for a deeper exploration of specific aspects of group discussions.

BENEFIT OF THE EVENT TO THE DEPARTMENT/UNIVERSITY AND SOCIETY

Advantages of Group Discussion

- Encourages the development of Critical Thinking.
- Enhances Communication.
- Enhances Problem Solving Skills.
- Promotes Involvement of the Participants.
- Helps in gaining Depth of Knowledge.

CONCLUSION

Mahesh Rao's seminar on Group Discussions was a valuable addition to the professional development of the participants. His expertise as the CEO of Aashaya Design Solutions, combined with the application of concepts to real-world scenarios, made the session both informative and applicable. Participants left the seminar equipped with practical skills and a heightened understanding of the intricacies involved in successful group discussions. The event successfully achieved its goal of providing a platform for learning and exchanging ideas on this critical aspect of professional collaboration.

“Value of Time”

Date of the Event: 30th December, 2020

Venue : Online

Chief Guest
Sudheer Shankar
Head - KDEM
Mysuru cluster, Associate,
Shankar & Shankar Legal consultant
Mysuru, Karnataka

PREAMBLE

The speaker, **Mr. Sudheer Shankar** discussed the intrinsic value of time and why managing it effectively is crucial for personal and professional success. He also addressed about the impact of time on personal and organizational goals.

ABOUT THE EVENT

Understanding the Value of Time:

Mr. Shankar discussed Time is the most valuable resource because you cannot take it back. As they say, Time lost will never come back. If you understand the value of time better, you can use the time to gain experience and develop skills. Time used mindfully can help you grow and evolve, and also help you progress on your journey in life.

Setting Clear Goals:

Practical insights into setting SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals. Aligning daily tasks with overarching objective for better focus and productivity.

ABOUT THE RESOURCE PERSON

Sudheer Shankar, is a seasoned professional known for his expertise in time management. Mr. Shankar has had a remarkable career, holding key roles in various industries, and today, he is here to share his insights on the topic of "Effective Time Management". Mr. Sudheer Shankar brings a wealth of experience, having

successfully navigated through the challenges of demanding roles in different sectors. His ability to manage time efficiently has not only contributed to his personal success but has also inspired many others to enhance their productivity.

BRIEF OF THE LECTURE DELIVERED

Session 1 - Techniques for prioritizing tasks based on urgency and importance. Introducing effective frameworks such as the Eisenhower Matrix for better decision-making.

Time Blocking and Scheduling:

Mr. Shankar will delve into the concept of time blocking and how it can enhance concentration and prevent multitasking. Tips for creating realistic and achievable schedules that align with personal and professional goals.

Session 2 - Overcoming Procrastination:

Strategies for recognizing and overcoming procrastination. Practical steps to break down tasks into manageable components to reduce overwhelm.

Effective Delegation:

The art of delegation and how it contributes to time management. Identifying tasks that can be delegated to enhance efficiency and team productivity.

Session 3 - Stress Management:

The connection between time management and stress. Techniques for managing stress and maintaining a healthy work-life balance.

BENEFIT OF THE EVENT TO THE DEPARTMENT/UNIVERSITY AND SOCIETY

The event was concluded by a Q&A Session:

It was an interactive session that gave all the staff and students the opportunity to engage directly with Mr. Sudheer Shankar, seek additional insights, and address specific challenges that could be faced in our own time management journey.

CONCLUSION

Time is a finite and precious resource, and mastering its management is a skill that can significantly impact our personal and professional lives. Time can neither be created nor destroyed. Hence, we have to use it wisely, every second counts.

This page should reflect the latest (0.74) version of PuTTY. Current bugs are tracked in the GitHub Issues.

When new releases come out, this page will update to contain the latest, so this is a good page to bookmark or link to. Alternately, there is a permanent link to the GitHub Releases: <https://github.com/putty/putty/releases>. New releases are reasonably likely to work well. However, they are often not the most up-to-date version of the code available. If you have a problem with this release, then it might be worthwhile looking at the development snapshots to see if the problem has already been fixed in those versions.

Hybrid cloud

manthan m kulakarni12:50 PM

yes sir its clear now

Sheshnath Hadbe12:50 PM

What if the data center where we created instances and databases gets effected by some natural calamities? Is there a way we can get back our data?

manthan m kulakarni12:52 PM

sir on first day you said that one should choose the location of datacenter which is close to them so what is the reason sir

manthan m kulakarni12:53 PM

ok sir

Sheshnath Hadbe12:53 PM

And when we enable auto scaling feature how data consistency is maintained? Like because of high traffic it may create another instance automatically and once the traffic is normal it will destroy that particular instance

ABOUT THE RESOURCE PERSON

Saraswathi Ramachandra, in her role as Director at Citi in the Top Solution Architecture Voice division, brings a wealth of experience to the discussion on interview etiquette

BRIEF OF THE LECTURE DELIVERED

Agenda:

- Verbal and non-verbal communication best practices.
- Strategies for articulating responses clearly and concisely.
- Guidelines for appropriate interview attire.
- The impact of grooming and overall presentation on first impressions.
- Techniques for building and conveying confidence during interviews.
- Crafting a compelling personal pitch.
- The importance of timely and gracious follow-up communication.
- Strategies for expressing gratitude and reiterating interest in the role.

Key Takeaways:

1. Effective Communication: Participants gained insights into the significance of clear and concise communication, both verbally and through non-verbal cues, to make a positive impression during interviews.

2. Professional Image: Understanding the impact of attire, grooming, and overall presentation on projecting a polished and professional image.
3. Confidence Building: Practical strategies for building and conveying confidence during interviews, fostering a positive perception among interviewers.
4. Post-Interview Etiquette: The importance of post-interview communication, including timely follow-up and expressions of gratitude, to leave a lasting and positive impression

CONCLUSION

Saraswathi Ramachandra's session on interview etiquette provided participants with practical guidance on navigating interviews with professionalism and success. The knowledge gained is expected to empower individuals to approach interviews with confidence, ensuring they make a positive and memorable impression throughout the interview process.

Dear Madam,

Sub: Clarification on remuneration and schedule of webinar on Loyalty and CRM

In continuation of our proposal, we would like to bring to your notice for organizing a webinar for final year students of MBA (Marketing), MBA (Digital Marketing) and MBA (Retail Management) on the topics viz. loyalty programs and CRM. This topic is contemporary and also part of the syllabus of the above specialization. The resource person identified for this webinar is Mr. Rahul Vasu.

Mr. Rahul Vasu currently is the Head of Loyalty, Analytics & CRM at Jio World Centre, Reliance Industries and brings in rich experience in the subject. He is senior in the industry and hence the remuneration request is Rs. 5000/- (Five thousand only).

We are proposing to have the webinar by first week of February 2021. Webinar will be spread across two sessions of 90 minutes each (Total 3 hours Session). The exact schedule will be decided based on the availability of the resource person during the first week of February 2021.

The webinar on Loyalty and CRM will certainly help the students to have a better understanding of the subjects.

I hereby request you to approve the same which will enable me to initiate the process to conduct the workshop.

Looking forward for your positive reply.

PREAMBLE

Gurunandan Jayaram, a distinguished Program Management Consultant associated with the Karnataka Digital Economy Mission in the Mysuru Cluster, delivered an enlightening seminar on body language. As a seasoned professional with an extensive background, including roles at IBM India Pvt Ltd and as the Co-Founder & Ex-Partner of GIGA INNOHUB, Mr. Jayaram brought a wealth of experience to his discourse on the critical aspects of body language. The event was organized on 30th September 2022. 177 students were trained in this event.

ABOUT THE EVENT

Understanding the Impact of Non-Verbal Communication:

Mr. Jayaram emphasized the significance of non-verbal communication in professional and personal settings in the seminar. He explained how body language, encompassing gestures, postures, and facial expressions, contributes significantly to conveying messages effectively.

ABOUT THE RESOURCE PERSON

Mr Jayaram has been a part of GIGA, where GIGA represents "Giving Indians Global Access". They facilitate entrepreneurship support which provides a clear path for company growth and success. They create the Entrepreneur Ecosystem that help nurture and support next generation of startups and growth stage companies. They also facilitate startup development and growth phases framework through networking, mentoring, guidance and capital connects by leveraging business ecosystems.

BRIEF OF THE LECTURE DELIVERED

Navigating Professional Environments:

The seminar delved into the role of body language in professional environments, particularly in program management. Mr. Jayaram shared insights on how subtle cues can influence stakeholder interactions, team dynamics, and overall project success. Attendees gained practical knowledge on leveraging body language to establish authority and build rapport in the workplace.

Leadership Presence and Confidence:

An important aspect covered in the seminar was the connection between body language and leadership presence. Mr. Jayaram provided valuable tips on projecting confidence through one's demeanor, addressing the importance of posture, eye contact, and hand gestures in conveying leadership qualities.

Cultural Sensitivity in a Global Context:

Given Mr. Jayaram's diverse professional background, he highlighted the importance of cultural sensitivity in body language. Attendees gained insights into adapting non-verbal communication styles to navigate cross-cultural interactions, ensuring effective communication across diverse teams and environments.

Practical Applications and Case Studies:

The seminar included practical applications of the principles discussed, with Mr. Jayaram presenting real-world case studies from his experiences.

Attendees benefited from concrete examples, enabling them to grasp the nuances of body language in various scenarios.

BENEFIT OF THE EVENT TO THE DEPARTMENT/UNIVERSITY AND SOCIETY

The speaker made us clear on how the body language assists us in understanding and decoding what the person is saying. It also helps us to interpret others' moods and emotions. Moreover, it enhances our conscious understanding of people's reactions to what we say and how we say it.

CONCLUSION

Gurunandan Jayaram's Body Language seminar proved to be a valuable and enriching experience for participants, offering a unique perspective from his diverse professional journey. Attendees left the session equipped with practical insights, applicable not only in their professional lives but also in enhancing their overall communication skills. The seminar contributed significantly to the ongoing professional development of those in attendance.

Respected Ma'am,

Subject: Proposal for Half-Day Workshop on the Essence of Entrepreneurship and Generation of Ideas on 27/07/2023

I hope this letter finds you in good health. I am writing to propose the organization of a half-day workshop on the essence of entrepreneurship and the generation of ideas on 27th July 2023, specifically tailored for students pursuing their Master of Business Administration (MBA) degree. This workshop aims to provide MBA students with a comprehensive understanding of entrepreneurship and equip them with the knowledge and skills necessary to excel in the world of business.

Objective:

The primary objective of this workshop is to inspire and prepare MBA students for entrepreneurial endeavors and intrapreneurial roles within organizations. By delving into the essence of entrepreneurship, we aim to ignite their passion, enhance their business acumen, and foster an innovative mindset to drive success in their future careers.

Workshop Details:

- Date and Time:** We propose conducting the workshop on 27/07/2023 from 11 AM to 1.30 PM. This timeframe has been selected to ensure maximum participation based on the student's academic schedule while allowing them to fully engage with the workshop content.
- Venue:** It is recommended to secure the seminar hall of JSS CMS, which can accommodate 120 students and is also equipped with the necessary audio-visual aids, and have a conducive environment for interactive sessions.
- Workshop Content:** The workshop will cover the following key topics:
 - Introduction to entrepreneurship: Defining entrepreneurship and its role in modern business.
 - Entrepreneurial mindset: Developing the characteristics, attitudes, and behaviors required for entrepreneurial success.
 - Identifying opportunities: Understanding how to recognize and evaluate potential business opportunities in a competitive landscape.
 - Business planning and strategy: Exploring the process of creating a business plan, conducting market analysis, and formulating effective strategies.

- Financing and resource management: Understanding various funding options, financial planning, and resource allocation for entrepreneurial ventures.
- Innovation and creativity: Encouraging innovative thinking, problem-solving, and the ability to adapt to change in entrepreneurial settings.
- Entrepreneurial leadership: Highlighting the importance of leadership skills in guiding and motivating teams toward achieving entrepreneurial goals.
- Real-world insights: Inviting successful entrepreneurs and industry experts to share their experiences, challenges, and lessons learned.

4. Expert Facilitators: The proposed resource person for this workshop is Mr Ramanujam who is an entrepreneurship coach and also a great motivational speaker. I have attached his profile for your kind perusal and reference.
5. An honorarium of Rs 5000 is to be given to the speaker.
6. A high tea/refreshments will be organized for the participants (140 in total) – Approx Rs. 3000
7. Participant Engagement: To ensure an interactive and enriching experience, we will incorporate various teaching methodologies, including presentations, case studies, group discussions, role-playing exercises, and workshops. This approach will encourage active participation, collaboration, and knowledge sharing among the students.
8. Organizing committee: Prof. Abhilash Puttabuddhi will be the convener of the event with coordination help from Dr. Aruna Adarsh and Dr. Nalina K B for the event.
9. Registration and Logistics: We will manage all aspects of registration, logistics, and coordination, including participant registration, venue arrangement, catering, and provision of necessary workshop materials. We will also create promotional materials targeting MBA students and collaborate with the university administration to ensure smooth logistics.

Anticipated Outcomes:

By the end of this workshop, MBA students will be able to:

- Understand the core principles and concepts of entrepreneurship within the context of their MBA education.
- Develop an entrepreneurial mindset and cultivate essential entrepreneurial skills.
- Identify and evaluate entrepreneurial opportunities effectively.
- Create a comprehensive business plan and develop strategic thinking.
- Apply innovation and creativity in problem-solving and decision-making.
- Gain insights from successful entrepreneurs and industry experts.
- Network with peers, faculty, and industry professionals interested in entrepreneurship.

I have attached the profile of Sri Ramanujam Sir for your kind perusal.

I hope you permit us to conduct the event as planned.

Thanking you

Respectfully yours,

P. Abhilash

Dear Ramanujam,

I am happy to learn that RUDSETI, Central Secretariat, Ujire in association with National Academy of RUDSETI, BIRD and NIRD have revised the course modules of 68 different training programmes. The exercise has brought in uniformity in administering the inputs and has been a useful tool in the hands of the trainer/Directors of RSETIs/RUDSETI across the country. I am happy that the book titled "Course Modules For Entrepreneurship Development Training Programmes" has been sent to all RSETIs/Government Departments/NGOs across the country by NIRD, Hyderabad and the feedback is encouraging.

In this connection I wish to place on record your proactive role in revising the course module. Your vast expertise in RUDSETI has brought in improvements in the revised course module book. Your commitment to the cause of RUDSETI since 1997 is appreciable.

I also place on record your training skills in EDP and HRD area which are found to be very useful to the participants.

May Lord Sri Manjunatha Swamy bless you and your family.

With regards,

'Entrepreneurship goes beyond academics'

Our Bureau

Chickballapur, Aug. 24
Academic excellence is not good enough to become a successful entrepreneur, said Mr D T Ramanuja, Director, National Academy of RUDSETI.

Delivering the Business Line Club lecture on 'Tenets of entrepreneurship' spon-

sored by Syndicate Bank for the students of Vishnupriya College of Management Studies, he told the students to develop soft skills and be confident.

"You are responsible for your life and, hence, you must be willing to revolutionise your life as revolutions are created by 1 per cent of people. And, you can become first-generation entrepreneurs, if you develop positive perception towards life," he said.

Mr Ramanuja further said an entrepreneur is one who has possession of a new enterprise, a venture or an idea and assumes significant accountability for inherent risks and outcome of a product.

Speaking about the present scenario and potential for

growth, he said there was a spurt in entrepreneurial activities.

"New products and services are available in the market and first-generation entrepreneurs are entering the scenario and are growing

successfully. There is easy availability of technology and skilled people and the environment is congenial for enterprise development.

There is also great scope for new and innovative entrepreneurial activities. The

capital for investments is easily available and above all, there is immense potential for creative people," Mr Ramanuja said.

He remarked that attitude and motivation were needed to start an enterprise. "Positive attitude is the primary component of entrepreneurship as it is a risk-involving proposition. You also need to keep yourself motivated all the time. You also must come out of your comfort zone as there is no substitute for hard work," he said.

"Taking initiative, seeking and acting on opportunities, persistence, information-seeking, efficiency orientation, use of strong strategies, systematic planning and above all, you need to develop problem-solving abilities to be a successful entrepreneur," he added.

Students were informed about SyndYuva and SyndVi- dyu, products launched by Syndicate Bank. Mr Y. N. Ramachandra Reddy, President, Vishnupriya Group of Institutions, and Mr N. Chandrashekar, Principal, Vishnupriya College of Management Studies, were present.

Mr. D.T.Ramanuja,
Focus Academy of Life Skills
and Entrepreneurship,
Mysore.

Dear Sir,

I am happy to learn that you have started your own training academy named Focus Academy of Life Skills and Entrepreneurship. I congratulate you for starting an organization of your own and wish you all the best.

On this occasion, I would like to appreciate your services provided during the last 16 years in various places of my working. I acknowledge and place on record the commitment, conviction and passion displayed in conduct of training programs. Your training programmes have been found to be very effective with a high level of impact on the minds of participants. I also place on record, your role in training a large number of unemployed youth in RUDSETI and conducting Trainers Training Program on Entrepreneurship at RSETIs.

I wish you all the best in your future endeavours.

Yours sincerely,

(Dr. D.S.Vishwanath)

President

Dear Ramanuja,

It gives me immense pleasure to place on record my appreciation for the valuable services rendered by you at National Academy of RUDSETI, Bangalore.

During your three years of service in National Academy of RUDSETI, you have played a key role in Training the Trainers of the Rural Self Employment Training Institutes set up by different Banks across the country. With your experience, enthusiasm, endearing training skills and passion for training, you have been able to successfully motivate the RSETI Directors, through Trainers' Training Programme, to accept their new assignment with a positive mindset.

You are also instrumental in developing a tool for evaluation of RSETIs and played a major role in updating and bringing out a set of training modules for EDP/Skill Development Training Programmes for RSETIs by the RUDSETI/National Academy of RUDSETI. All your contribution shall greatly benefit the RSETIs in their capacity building and imparting quality training to unemployed youth.

RUDSETI Institute provides a forum to the Directors, who come on deputation from Banks, to enrich the organization and in the process enriching themselves with capabilities to shoulder higher responsibilities. In this regard you have played your role effectively in the organization.

On the occasion of repatriating your services to Syndicate Bank, I convey my Best wishes to you for an eventful career.

May Lord Shree Manjunathaswamy Bless You and Your family.

Topic- Workshop on "Self-Development through Self-Esteem"

Self-worth is essential for everyone, even professionals and students. Because of the numerous pressures that people face today, cultivating and maintaining self-esteem over the course of a lifetime has never been easy. Over time, self-esteem has been a subject of discussion in all sectors due to personal experiences of crises and subsequent loss of self-belief and confidence.

It has been challenging for today's students to rebuild their self-esteem and confidence following a crisis. In recognition of this, the Department of Management, JSS CMS, hosted a workshop on Self-Development via Self-Esteem on October 7, 2023, on their campus. The Speaker for the session was Mr. Parthasarthy, a well-known lecturer on a variety of management and other life skills topics, to instruct the students on the subject; Dr. Kavyashree M B and Ms. Maheshwari B.P oversaw the event.

The speaker began by emphasizing the importance of self-worth and the reasons why today's students and workers need to know about this issue. The lesson's main goal was to teach the students that high self-esteem may be developed via self-improvement.

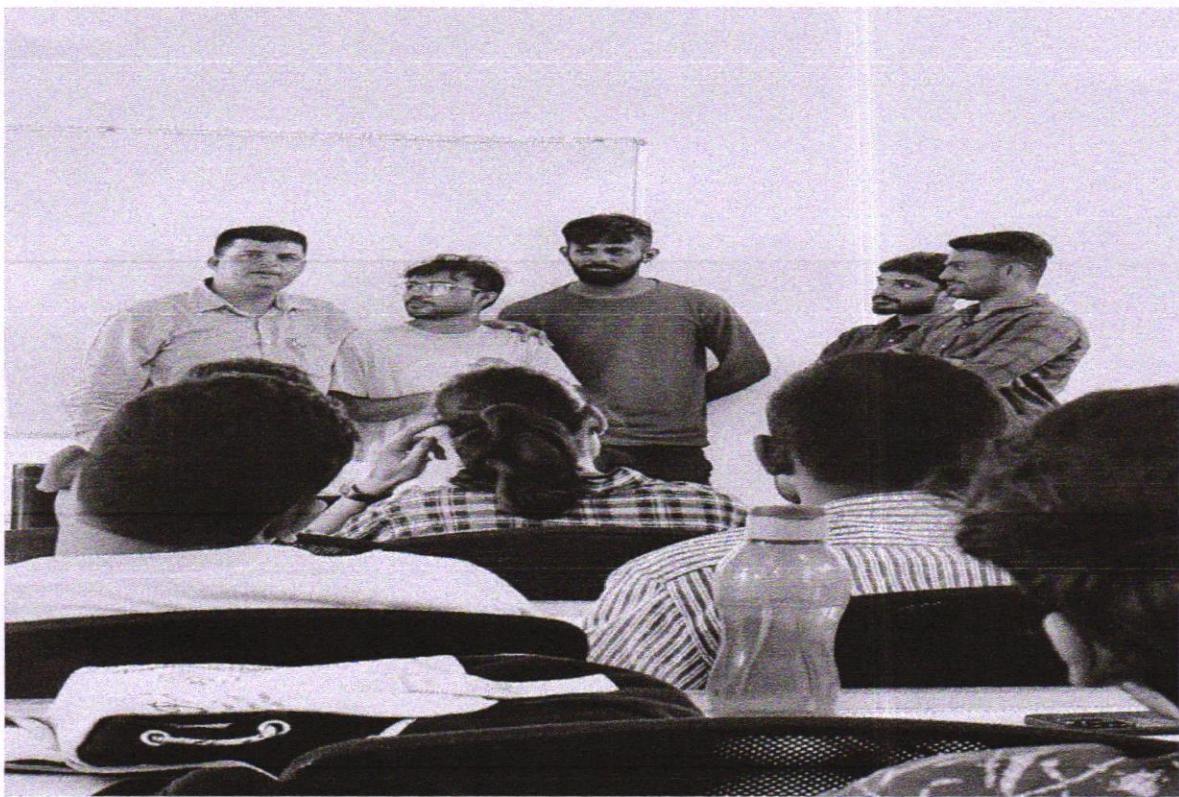

The two-hour workshop included engaging activities, case studies, and discussions. The students learned the importance of self-esteem in self-development, and the faculty members in attendance found the session to be well received.
